## Suspect in Milk Crate Killing Held

Frank Turner, 32, of 920 Jordan Al., arrested last week in connection with the milk-crate slaying of Walter McNeil, 36, of 315 W. Preston St., was remanded to jail without bail for a further hearing.

Turner was also held on a charge of driving off with the truck of a newspaper carrier in an effort to flee the murder scene.

**Victim's Skull Fractured**

According to police, the two men were arguing in the 900 block Jordan Al., when Turner suddenly seized a milk crate and brought it crashing down on McNeil's head. The victim was pronounced dead in a nearby hospital.

Leaving the scene, Turner is said to have run to the corner of Biddle and Eutaw Sts., commandeered the newspaper truck and after ousting the driver, proceeding out Frederick Rd.

**Nabbed by State Trooper**

A State trooper parked in a filling station noticed the speeding stolen car and gave chase, soon apprehending the fleeing driver.

Turner was arraigned in Northwestern police court and held pending a hearing tentatively set for June 21.

## Co-op Council Plans 1st Annual Meeting

The Baltimore Council for Cooperative Development, will hold its first annual meeting June 4 at the Central YWCA, when Edward Behrs, president of WCFM, the cooperative radio station of Washington, will speak.

Formed last September, the council proposes to promote cooperatives here. The program will also include a movie and exhibition of officers.

**Customer Owned**

A co-op, or co-operatives, is made up of a group of neighbors who have set up a business or service for themselves and their community. Because the customers own the co-op, its objective is service, not profit.

Seeking to secure for its customer-owners the best goods and services at the lowest possible cost, the co-op, rt the end of the year, divides its savings among the patrons as a reduction of cost.

Coops in Baltimore include the Co-op Food Store, 603 W. North Ave., which is now offering a 5% discount from super-market prices on case lot sales to individuals.

## 2 Held in $493 Dress Shop Theft

Arrested a few hours after a dress shop had been robbed of $493 worth of clothing, Saturday, Richard Daniels, 20, of 544 N. Carey St., was held in $2,000 bail to await grand jury action.

Implicated by Daniels, Charles L. Allen, 28, of 544 N. Fulton Ave., was held under similar bail plus $500 additional bond on a non-support warrant sworn out by his w'fe, Mrs. Alice Allen, 14 months ago.

**Spotted by Officer**

Sgt. William B. Clayton was patrolling the vicinity of Pennsylvania Ave., and Preston St., Saturday afternoon when he observed Daniels with a shopping bag. Questioning of the youth revealed that the bag contained a quantity of clothing.

According to the officer, Daniels named Allen as his accomplice in the burglary of the shop at 513 N. Gilmor St.

## 2 Policemen Held in Blinding of Man

Memphis Prosecutor Promises Conviction

**HAD GLASSES ON**

Employer Describes Beating at Station

MEMPHIS (ANP)—Two policemen, accused of beating and blinding a colored man, have been jailed and will be prosecuted on charges with assault to murder, Attorney General Gerber announced here this week.

The victim, Eli Blaine, 30, is now resting in "fair condition" at John Gaston Hospital. As a result of his beating, he has suffered lacerations of the left eye and eyebrow, causing a hemorrhage, lacerations of the scalp and multiple lacerations.

His right eye had to be removed a few hours after arrival in the hospital because one policeman, hit him in the eye with his glasses on.

The accused policemen are L. E. Bryan, 35, and Crri W. Brewer, 26. Their bond is set at $1000 each. They were jailed following investigation by Inspector Wiebenga of the police homicide bureau.

**Prosecution Promised**

Attorney General Gerber termed the assault at the police station "outrageous and contemptible, and promised prosecution. The cowardly offense will be vigorous-ly prosecuted.

"We will not tolerate such conduct upon the part of officers of the law, who are sworn to protect the lives and property of our citizens," he added.

"It makes no difference what position in life one may occupy, under our system of government he is entitled to full protection under the law."

Commissioner Boyle, also outraged over the incident, added that Bryan would also be charged with mayhem (disfiguring a victim of an affray) if further investigation reveals that his blow caused removal of the eyeball.

**Missed $10 After Search**

The story of the incident went as follows:

Blaine was visiting his sister, Mrs. Douglass Bennett, at her apartment in the same building in which he lived, when Officers Bryan and Brewer came there in answer to a disturbance call.

This being early in the morning, police told them that further complaints would result in arrests.

Missing $10 after the officers had searched him and left, Blaine reported the loss to his employer, Sdm R. Holt Jr. of the Firestone Tire and Rubber Company. Holt advised him to go to the police station.

He spoke to Captain Jeffries and Inspector Dwyer, who called in the two squad car officers. Hearing the accusation, Bryan struck Blaine, who had glasses on, in the right eye. As the eye started bleeding, Inspector Dwyer ordered the policemen to take Blaine to the hospital.

**He Signs That He "Rolled"**

Between leaving the station and arriving at the hospital, Blaine suffered the injuries.

Here, his story and the officers' story conflict. He said they beat him on the way to the hospital, but they said he tried to jump out of the car and escape and suffered the lacerations from falling on the concrete.

Commissioner Boyle, however, said inspection of Blaine's clothes revealed no signs that he had "rolled over and over" on the concrete.

According to the commissioner, the hospital found more than $14 in Blaine's pockets, but his employer, Holt, and he both insist he had only $5 before going to the police station.

Newspaper men speculated as to whether the money may have been placed in his pockets on the way to the hospital.

**Employer Backs Him Up**

Blaine, in his hospital bed, told policemen and newspaper men that the two officers beat him so he could hardly see when he got to the hospital. One sat next to him on the ride and beat him with a blackjack.

Holt told newspapermen and Atty. Frank Gianotti Jr., in Commissioner Boyle's office that he saw Bryan hit Blaine in the police station. He said: "When he hit him, Blaine tried to run but he ran into the wall of the room."

He added that one of them also "knock him around" as they took him to the squad car. Holt said he did not want to cause any trouble for the policemen.

## 3 Civic, Social Groups in 5th District Form Club

Move Extends Democratic Power in Area, Affiliated With Monumental Politicians

The 16th Ward Democratic Club, 1124 N. Fremont Ave., this week was reorganized as the Associated Clubs of the Fifth Legislative District, after securing the political support of eight prominent civic and social clubs in that district.

James M. Robinson, president, said this action is designed to extend his organization's political power to offer fertile areas in the Fifth District and to gather additional aid for needed civic improvements.

**Political Control**

Robinson's organization has official control, through assignment by the Democratic State Central Committee of a majority of the thickly populated colored precincts in the 16th Ward and is an affiliate of the Monumental Democratic Club of 1422 Pennsylvania Ave.

The Associated Clubs of the Fifth District, thus makes more powerful and influential the Monumental Club, a State-wide organization headed by William B. Dixon.

The eight groups which combined their political and civic activities with the 16th Ward Club to form the new Associated Clubs include:

Baltimore Cricket Association, Lincoln Club, Fulton Democratic Club, Club Fifteen, Entertainers' Club, Community Council of Emmanuel Christian Church, Waitress-Waiters' Association and the Women's Business Association.

**Organization's Projects**

Robinson, a member of the city's Commission on Juvenile Delinquency and retail sales tax inspector, said the new organization would launch intensive campaigns immediately for:

Registration of new voters, additional play lots for neighborhood children, better housing and more supervised recreational activities for teen-age youths.

Other officials of this new organization include William Woods, vice president; William Christian, secretary; George Williams, chairman of the Board of directors; and William Smith, board secretary.

Officials of the women's division are Mrs. Lena McCormick, president; Mrs. Fannie Hauschen, secretary; Mrs. Maude Hill, treasurer; and Miss Juliette Dixon, board chairman.

## Mr. X Gives Police Reason for Suspicion

Patrolman Carl McKinney became suspicious when he encountered a diminutive man sauntering through a dark alley at Gay and Aisquith Sts., late Wednesday night.

And when the man gave his name as Mr. X, the policeman's doubt was increased. He arrested the man and booked him—as "Mr. X"—on a charge of disorderly conduct.

The mystery of the "nameless man" was cleared up in North eastern police court Thursday morning, when the defendant testified before Magistrate A. A. Kozlovsky.

**Mr. X "Heavenly" Name**

Mr. X said he formerly lived in Washington under the name of Kristine Whittington, but was now residing at 2242 Madison Ave., as "Maurice X."

He said he dropped the "world-ly" name when he joined the Temple of Islam, at 645 Enor St., and was given his present appellation until he qualified for a "heavenly" name.

**Fined $25 for Walking**

Mr. X, or Mr. Whittington, insisted that he was using the alley as a short cut, while going to a nearby ice cream parlor for a friend.

Magistrate Kozlovsky found the defendant guilty of disorderly conduct and imposed a $25 fine.

Patrolmen McKinney and Donald Fischer had been keeping the alley under observation since a series of recent burglaries at nearby stores had been reported.

## Officer Off Duty Nabs 2 Robbers

A fellow can't even enjoy a night off without having to spend it attending to routine police work, officer Leroy Moody learned last week.

Officer Moody and his wife had visited a Pennsylvania Ave. movie Tuesday night and were walking home when he saw two young men in the process of robbing a drug store at Pennsylvania Ave. and Laurens St.

**Method Used**

A show window had been smashed and while one of the pair stood on the ground holding his accomplice, the latter reached over the high wire screening to take several bottles of whiskey from within the show window.

Following a trial before Judge Emory S. Niles in Criminal Court, one of the men, Joseph Castle, 32, of 1221 Shields Pl., was given three years in the penitentiary.

The other, James Wade, 30, of Howardsville, was held pending a report from the probation department. Castle is said to have a criminal record.

## Seaman Gets 3 Months for Carrying, Firing Gun

Three months in jail was the sentence meted out to Walter T. Ellis, 26, a seaman of 511 N. Paca St., Wednesday, following a hearing in Northwestern police court for the possession of a revolver.

Magistrate Thomas L. Fitzpatrick also fined Ellis $5 and costs for firing the weapon.

## 2 More Local GI's on Duty in Japan

Two more Baltimoreans, T/4 Benjamin McCorkle of 509 N Central Ave., and T/4 John Locust Jr., of 1017 N. Durham St., are on duty with the 24th Infantry in Japan.

Sgt. McCorkle, a butcher in the service company, is an expert riflemen and has been in the Army since October, 1942.

Sgt. Locust, a clerk in the supply office, also is an expert with the rifle. He entered the Army in November, 1945.

**Blows Horn in Band**

Also in Japan is T/5 Frank Minion Jr., of 1307 Argyle Ave., who is assigned as a French horn blower in an Eighth Army band. Songs with a small swing combine and plays the vibraharp and bass.

On this side of the Pacific, the Public Information office of the 9th Infantry Training Division at Ft. Dix announced that three Baltimoreans recently completed a course in basic training.

They are Pvts. Isaac Stevenson of 1370 N. Calhoun St., Donald B. Harrington of 418 N. Carrollton Ave., and William Frazier.

## Class of Parents Ends Fifth Year

At a luncheon meeting held on Tuesday as a semester-closing affair, the Parent Education Class of School No. 135 at Chase and McDonough Sts., reflected on its five years of operation.

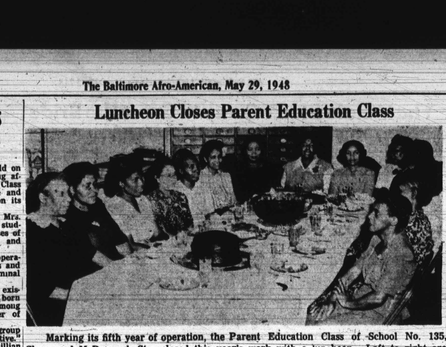
Under the direction of Mrs. Zaidee Koger, the class has studied and discussed many phases of child psychology, physical and mental health and heredity.

The class also studied the operation and duties of the courts and juries and has observed Criminal Court in operation.

Since the class has been in existence, two babies have been born to two mothers. Numbered among the members is the mother of three sets of maternal twins.

Mrs. Koger describes the group as "congenial and co-operative." Officers are Mesdames Lillian Bradford, Edna Hendrickson, president and vice president, respectively; Martha Underwood and Catherine Bradford, secretary and treasurer; Celia McLeod and Eliza Culbertson, pianist and chaplain.

## Luncheon Closes Parent Education Class



Marking its fifth year of operation, the Parent Education Class of School No. 135, Chase and McDonough Sts., closed this year's work with a luncheon. Left to right are students: Mesdames Mary Moseley, Mary Edges, Bertha Bogier, Lula Davis, Lillian Bosley; Miss Catherine Bradford; Mesdames Bertha Pringle, Ellen M. Love, Zaidee Koger, instructor; Nellia Drumgoale, Celia McLeod, Nannie Evans, Eliza Culbertson, chaplain; Mary Roberts and Dora Foster.

## Toter Given Jail Refuge

Fearing for the safety of one's life is no excuse for carrying an Army bayonet, Freddie Sykes, 23, of 1046 Argyle Ave., learned Tuesday, when he was given 30 days in jail, where he need have no fear of assailants.

Sykes told Magistrate Fitzpatrick in Northwestern police court he had been robbed twice recently and that he carried the weapon for protection.

## Ranch Barbecue Liquor License Fight Still On

Another chapter was written in the long-disputed Ranch Barbecue liquor license case, Friday, when Judge Howard Murray of Baltimore County Circuit Court, remanded the case to the liquor board for reconsideration.

The county board had previously issued a license for the establishment, which is located in the 6700 block of Main St., in Ellicott Station.

The permit was granted to Maurice Jones, after a hectic hearing on May 30 that attracted the largest crowd in the history of the county board.

**Board's Decision Appealed**

Dissatisfied with the issuance of the license, the protestants, led by Dr. Joseph Thomas, Turners Station physician, filed an appeal in the circuit Court.

At Friday's hearing, the protestants presented "new evidence" in support of their arguments; and in view of this, Judge Murray sent the case back to the liquor board.

**Battle in 18th Month**

The fight for the permit is now entering the 18th month. On two previous occasions, applications for licenses at the restaurant have been fruitless.

In December of 1946, Mr. Jones's wife filed an application in her name; and on January of 1947, Mr. Jones made an application and later withdrew it.

**Civic Group Concerned**

The appeal broke the long silence of the Turners Station Progressive Association, a leading civic group of the community.

When prompted by liquor board commissioners as to their stand on the matter, the association, through its president, Dr. Arthur L. Johnson, issued the following statement:

"This association is concerned over the close proximity of the applicant's establishment to the newly-acquired Community Building and recognizes this as a potential liability.

**Neutral in Dispute**

"We feel, however, that much of this can be handled by the erection of a permanent barrier such as seven foot wire fence and hedge.

"We are even more concerned with conditions already existing in and around other taverns and package goods stores in the area. This association has decided not to express organized opposition to this application at present.

**Will Guard Standards**

"However, we shall give all such establishments our close scrutiny and shall express strong opposition to the renewal of licenses for any establishment falling below standards, such opposition to be based on their actual record of operation."

Mr. Jones described this statement as "one of the most democratic declarations of policy I have ever seen."

## Detectives Trail Stolen Movie Safe

Enacting the picture, "The Spanish Trail," currently showing at the Lafayette Theatre, on Lafayette Ave., police and detectives, on Monday, began trailing a 150-pound safe, filched from the office of the movie house the night before.

"The Spanish Trail" is a movie featuring a search for gold. On Monday, James Cremens, manager of the small neighborhood movie house reported the theft of the vault containing approximately $75.

Cement bedding and all, the safe was ripped up from its moorings, rolled down an aisle through the theatre to a rear door, from where it was carted away, supposedly on a truck.

A sandy trail of powdered cement marks the path the thieves took in effecting the robbery.

According to police, entrance to the theatre was gained by forcing open a rear window. A second floor office was ransacked but nothing of value removed, officers reported.

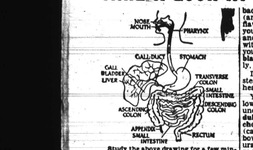
## TAKE A LOOK AT YOUR INSIDES



Study the above drawing for a few minutes. Notice particularly how the bile flows from the liver and out of the gall-bladder and thence into the small intestine where it mixes with the partly digested food just below the stomach. This bile is necessary to the proper digestion. Its absence results in the intestines foreibably becoming putrefaction and fermentation.

**NATURE'S DANGER SIGNALS**

When your stomach, liver, and gall bladder have been upset by improper eating or drinking, or when they are not working well because retained and putrefying food matter in your intestines is poisoning your entire body, you, sooner or later, begin to feel some of the following symptoms:

Your breath may become unpleasant (halitosis), your tongue coated, a bad taste in your mouth, your coffee (and tobacco) lose their natural flavor, your food does not agree with you; you may have heartburn, gas and acid spells, you may be troubled with belching; at night the gas in your bowels may press upon your bladder making you get up frequently, thus breaking into your sleep.

In the morning you are tired instead of refreshed. Gradually your health is impaired.

Your complexion may become sallow or bilious; dark rings may appear under your eyes, you may feel lazy, dull and irritable or blue and melancholic. You may have frequent colds (catarrh) or dull head-ache; your bowels stop their free, full and natural action; you have constipation, gas, putrefaction and self-poisoning ("intestinal toxemia" or "acute gastritis" as many doctors call it).

**HOW TO GET RELIEF**

You can relieve this condition, usually overnight, by taking Calotabs at bedtime and drinking water freely next day.

The beneficial effects of Calotabs lie in the fact that they are (1) laxative, (2) antiseptic to the intestines, (3) diuretic to the kidneys, (4) effective in relieving symptoms of biliousness and acute gastritis due to constipation or faulty digestion.

Calotabs are pleasant to take (sugar coated), prompt and effective. Try them and see. Follow label directions. At your druggists'.
