Vet Student Held in Morgan Theft

A 26-year-old war veteran and student at Morgan State College was held under $500 bail, Thursday, charged with robbing the campus canteen of several packs of cigarettes and a camera.

The student, Warren Slough, was seen fleeing the canteen Wednesday night by Robert Blackburn, the night watchman. Blackburn said the man broke away from him, so he called police.

Under questioning, Slough admitted the theft and said that he threw the camera into some brush on a vacant lot. The cigarettes were recovered.

Earlier Thefts Recalled

Sometime ago; the rooms of Profs. Charles C. Key and Milton L. Calloway were ransacked and several valuables taken.

Among those taken from Professor Calloway were a bankbook and war bond, on which a person later tried to draw money at the bank but was caught in the deception. Slough is to be questioned in connection with these cases.

A number of prominent Baltimoreans forwarded a signed statement to the Maryland Senators and chairman of the Senate Judiciary Committee, Alexander Wiley urging them to use the maximum of effort to defeat the Mundt-Nixon Bill.

Committee's Charges

The committee charges, "Under the act, any individual or organization opposing racial discrimination, the Administration's foreign policy, enactment of peacetime conscription, or advocating public housing, trade union strike action, friendship with the Soviet Union, could be charged with undermining U.S. institutions and furthering the aims of the World Communist Movement."

Signers of the statement included Drs. Ralph Young, Alexander J. Walker, William H. Watts, Orris Walker and J. E. T. Camper, Dallas F. Nicholas, Mrs. Sarah F. Digge, Harold Buchman, the Rev. E. W. White, I. Duke Avnet, Roy S. Bond, Mrs. Anne Bendenhopf and Linwood G. Koger.

Interracial Sports Subject at Luncheon

Creation of an interracial sports association in Baltimore is the purpose of a luncheon meeting being held today (Friday) at the Madison Ave. YWCA.

Baltimore's Board of Recreation and Parks dodged the issue of interracial sports, this year, by tabling a controversy over the presence of two colored players on a junior basketball team.

There is no rule in the recreation bureau's book of laws which calls for segregated sports. All that is mentioned is the position of a supervisor to direct an athletic program for colored persons.

Never too late...
Whatever its birth date... your car will live a longer life if you regularly drain out old oil and OIL-PLATE with Conoco Nth.
And here's the reason why. The moment Nth Motor Oil (Patented) enters your engine, a special added ingredient fastens an extra film of lubricant so closely to metal that cylinder walls and all working parts are literally OIL-PLATED!
This protective OIL-PLATING starts right up there ... won't all drain down to the crankcase, even with your engine idle over night! That's why Nth Motor Oil extra-protects from "dry-traction" starts ... from metal-eating combustion acids ... from sludge and carbon due to wear!
So, for full-time protection ... for more miles per quart, make a date now ...

Students Advised to Seek Equality

Barriers Falling Fast, Elmer Henderson Says

WASHINGTON

The greatest help that students can give in the fight for equality is to make themselves outstanding in whatever field they choose, Elmer Henderson, executive secretary, National Council for a Permanent FEPC, told Dunbar honor students Wednesday.

Mr. Henderson spoke at the annual induction ceremony of Dunbar honor students into the National Honor Society. He advised the students that they have opportunities for achievement and leadership unparalleled in history.

"Discrimination is still a horrid fact in America and competition is bitter even when all invidious bars are down, but the determination of colored people all over the country has jim crow on the run, and I predict the ultimate success of our efforts to get equality of opportunity and to break down the bars of segregation," Mr. Henderson declared.

"It would be a serious mistake for students with promise to hold back from entering any technical or professional field on the ground that race prejudice has traditionally obstructed them in their efforts to practice in these fields," he asserted.

Druid Hill Y Branch Reports Half of $35,000 Quota in Drive

The Druid Hill YMCA Building for Youth Completion Campaign reached the halfway mark this week with half of its $35,000 quota already accounted for.

Workers in the drive, under Dr. Bernard Harris, general chairman, have reported more than $17,000 to date and are looking forward to reaching their goal when the drive ends on June 15.

The campaign is a continuation of the 1945 Y drive to raise $1,367,728 on which a balance of $453,517 is still needed. The Druid Hill branch is attempting to raise a quota of $35,000 on the balance.

To Enlarge Facilities

The money will be used to double the size of the Druid Y building, provide a camp for colored youth and make other improvements in local Y facilities.

Herbert T. Miller, executive secretary of the Carlton Ave. Y in Brooklyn, N.Y., is helping local workers raise the money.

The campaign got off to a fast start on May 16, when former Mayor Theodore R. McKeldin addressed workers at a kick-off meeting. At that meeting $4,526 was reported. Since then 10 Baptist ministers pledged over $3,000 to the drive.

Meet Twice Each Week

The 352 workers engaged in the effort meet at the Y each Monday and Thursday at 6 p.m. to make their reports. In order to reach their goal within the 30-day length of the drive, they will have to report $4,375 at each meeting.

90 to Graduate at Peters School

Commencement exercises for 90 graduates, the largest class in the history of the local Cortes Peters Business School, have been set for 8 p.m., June 17, at Ames Methodist Church.

Church, Carey and Baker Sts.

Belford V. Lawson, national president of the Alpha Phi Alpha Fraternity, will speak.

Miss Evelyn Wilkey, registrar of the school, said 22 of the 25 men in the graduating class are veterans studying under the GI Bill of Rights. The ranking student is Miss Ernestine Wyatt.

Baccalaureate Sermon

The Rev. E. A. Haynes, pastor of Ames Methodist Church, will deliver the baccalaureate sermon to the class at 11 a.m. on June 13.

The alumni dance will be held on June 18 at the Odd Fellow's Hall.

25 Area Residents Oppose Zone Change

Residents of the area successfully opposed before the Zoning Board an application to commercialize a corner in the 600 block N. Carrollton Ave. this week.

The applicants, Sidney and Harry Needle, white, sought to convert a garage at the rear of 633 N. Carrollton into a two-store enterprise.

They contended that the same site had once been used for a coal, ice and wood shop, and was therefore established for commercial use.

25 Protestants

The Zoning Board ruled on Thursday, however, that the garage was still located in a residential use district.

In the group of some 25 protestants, represented by W. A. C. Hughes, attorney, were the Rev. Ely Lofton, pastor of Metropolitan Methodist Church; Wayman Holley, coordinator of the Northwest Community Council; Mrs. Alean Butler of 603 N. Carrollton Ave.; and Mrs. Verda Welcome of 1131 Harlem Ave.

Catholic Agency in Anniversary

Charity Unit Honors Miss Anita Williams

As its second oldest employee in line of service, Miss Anita Williams, senior social case worker with the Catholic Charities, is taking part in the agency's 25th anniversary celebration this week.

Miss Williams observed her 25th year of service in November. Both she and the oldest employee, Miss Augusta Van Horn, veteran of 33 years, began work when the organization was operated as the St. Vincent de Paul Society.

MISS ANITA WILLIAMS,

Honored by her co-workers on the occasion of her anniversary, Miss Williams was feted at a surprise reception and presented a silver rosary.

4 Others Honored

The Bureau of Catholic Charities was organized in 1923. Four of its other employees are celebrating their 25th anniversaries also.

They are Miss Helen McNally, case worker with unmarried mothers; her sister, Miss Helen McNally, who is engaged in hospital work; Miss Margaret O'Brien, who has charge of the record room, and Leo Lanahan, head of the statistical department.

The staff was entertained at a luncheon Wednesday at the Stafford Hotel as the agency celebrated.
