STANBACK—Prof. Leon Stanback of Hillsboro, N.C., and Charles R. Stanback of Durham, N.C., motored to the city and spent several days as house guests of Misses Hattie and Connie McIlwain, 1716 Second St., N.W. They came to attend the funeral of their brother, H. McKinley Stanback, who passed last week. They returned home last Saturday.

Frontiers' Wives All Set to Entertain Convention Guests

The distaff side of the Frontiers Club has just about gotten their ducks in a row for the entertainment of the national body, which holds its annual convention, here, beginning August 5.

Mabel Prisby, chairman of the temporary organization of the wives of Frontier men, said, this week, that they have plans for a joint luncheon of the groups on Friday, at Morgan State College, with a card party for visiting wives, while the men are in session; and a reception and informal dance to follow the public meeting which will be held at the YWCA that evening.

On Saturday an outing for the joint groups will be held at Elkton Beach and there will be a memorial service at Emon Baptist Church on Sunday morning.

The convention will open with an executive session on Thursday night, at Morgan.

FRATERNITY PLANS PICNIC

Also among plots for affairs to come is an old-fashioned picnic at Eiktonia when Chi Delta Mu (it's a fraternity of medical, dental and pharmaceutical men) will entertain for their wives.

The women will pack baskets and the men will produce the liquid refreshments, and there will be the usual beach amusements for both.

Participating this year are: Drs. George Adams, Rayner Browne, Enoch Dickerson, James Hawkins, George Moseley, Walter Sherrington, Albert Smith;

Drs. Frank Sykes, Maceo Williams, Nelson Williams, Isaac Young, Ralph Young, Donald Bando, George Lee, Oliver McNeill, Ralph Reckling.

Drs. Bernard Christmas, Maurice Poles, Charles Watts, and Charles Woodland.

And speaking of picnics, when the Monumental City Medical Society gave its swank outing a week back, it was Dr. Herbert Moseley who was chairman of the committee which engineered the affair.

REED-CAMPER RITES SET

Friday, the thirtieth, has been selected by Mary Cornelia Camper and her bridegroom-elect, Rudolph J. Redd, for their date at the altar.

The ceremony will take place early in the evening, and at seven-thirty, her parents, Dr. and Mrs. John E. T. Camper, will have a reception for the couple.

Mr. Redd, who was in the service for a stretch, is the foster son of Mr. and Mrs. William Day, and a this year's graduate of Morgan State College. Their engagement was announced at a breakfast party given by the Days some months back. Miss Camper is on the faculty of School No. 119.

PEREGRINATORS:

Ethel Day, secretary at Coppin Teachers College, is in Ann Arbor, Mich., this week, attending a workshop for secretaries which is being held at the University of Michigan. She was one of three school secretaries sent by the school department to the session, which is sponsored by the National Association of School Secretaries. The other two were white.

And to make the sailing smoother, the Coppin faculty surprised her with a gift purse ere her departure. Anita Edwards took a plane for New York the end of last week, to join the study colony at Columbia University, for the summer. Jeanna McRae is studying at Pennsylvania State College. And Lili Sturgis is again in Montreal, Canada, attending the French School at McGill University. She is one of five non-white students in the college, and aside from accumulating points toward a master's degree, has sung on numerous assembly celebrations. Last year she won a certificate of merit because of the high grade of her work during the summer session.

Both summers Lili has been accompanied by her sister, Gloria, who has just been granted a master's degree in music from Columbia University. Both are graduates of Morgan State College and Delta Sigma Theta sorors. They are daughters of Mr. and Mrs. Oliver Sturgis of this town.

Christine Hall, of this town, who is doing graduate work at the University of Wisconsin, presented a research paper on "The Effect of Soy Flour on the Nutritive Value of the Protein of Some Baked Mixtures" recently, at the meeting of the Food and Nutrition Division of the American Home Economics Association. The association held its 39th annual convention in Minneapolis.

Marian Webb is visiting friends on the faculty at Tuskegee Institute. From there she will go on to State Teachers College in Montgomery and Morehouse College in Atlanta, Ga.

Roy S. Bond, attorney, and Mrs. Bond spent the holiday in Atlantic City. Dr. N. Louise Young closed offices this week end, to join her husband, Dr. Florada Howard of New York, and be off Up State (N.Y.) for a brief respite.

Holding forth on the home front were Mr. and Mrs. Preston Shaw Jr., who had as guest Mrs. Shaw's niece, Gwendolyn Smith of Cleveland, Ohio; the Harrison Tuckers who hosted Wilhelmina Waymer of New York City; the "We Wives" who had as their guests Lottie Waddell of Tuskegee when they entertained their husbands at Scarlett's Country Club, Sunday; and Sabra M. Johnson, who was all a-lit with happiness over the surprise visits of her sister, Ina B. Howard of Los Angeles, Calif. Mrs. Howard spent a few hours here on her initial tour of the Midwest and East, in company with Mesdames Elizabeth Armstrong, Zephyr Ramse yand Miriam Diggs, all of the Angel City.

TO TOUR EUROPE

Off aboard the S.S. Marine Marlin on July 15 for a two month tour of Europe, including the Olympic Games, will be Willie Mae Dance and Annie Williams, teachers at Druid Junior High School No. 137.

Miss Dance was honored at a tea on Sunday by her aunt, Mrs. Sarah Washington, assisted by Mrs. Hattie Norton at 1833 Edmondson Ave. A "bon voyage" luncheon for Miss Williams will be given in New York by her brother, the day before their departure.

Mrs. A. P. Shaw will accompany her husband, Bishop A. P. Shaw, to Amsterdam, Holland, where they will attend the World Council of Churches. Sailing from New York, August 6th, they will tour Europe before returning home late in September.

A Credit to the Community

Miss Willie D. Bailey

We understand that Miss Bailey does a quality grand job for the Social Security Board where she is employed. Miss Bailey is very much interested in her work too . . . because Willie Bailey realizes that Social Security represents actual financial security to those who are temporarily unemployed.

Miss Bailey is vitally interested in the problems of those around her. That's why Miss Bailey is studying Sociology at the Morgan School. It is her hope that eventually she will be able to enter the field of Social Work in order to bring real aid to those who are less fortunate than she.

Certainly the community should be more than proud of this lovely young woman who feels such deep concern for her fellow man . . . more of us felt the responsibility toward our neighbor that Miss Bailey feels, life would be a lot happier.

Of course Miss Bailey has her lighter moments too . . . for instance Willie Bailey is very fond of smart clothes. And all of Miss Bailey's clothes are bought at Hendin's, because she enjoys the endless compliments that HENDIN'S individually styled HOLLYWOOD FASHIONS always evoke. Miss Bailey has had a charge account at Hendin's for the past two years so that she may conveniently pay for the smartest fashions in Baltimore!

P.S. By the way, every inch of Hendin's is air-conditioned! So come on in . . . the climate's fine!

"It's cheaper with a sweeper!"
IT is too, when you figure in time and energy and general wear-and-tear! As a matter of fact, one cent's worth of electricity will clean a large rug and several others like it in less time than it takes to drag them down to the yard for beating!
Electricity does dollar duty for penny prices, not only for rug-beating, but for countless other household tasks. By using it for more and more jobs, you've helped make electricity so low in price.
And the sound business methods of the electric companies have made it more of a bargain in spite of the rising costs of making and delivering electricity.
FOR ONE PENNY, YOU CAN
