'Bilbo's Ghost' Told Medium Party Won't Back Truman

RICHMOND, Va. (ANP)—Sen. Theodore G. Bilbo of Mississippi may be gone from this earth, but his spirit still comes and speaks with her, according to Mrs. Elinor Lyon, a medium of New York. In a letter to Gov. William Tuck, Virginia States' rights, she said that Bilbo had told her that the Democrats would not nominate President Truman, but would pick one of the anti-civil rights Southern Governors.

According to her, the spirits added, "If the boys stand firm and do their work they will be rewarded." The deep trance spiritualist said she communed with Bilbo's ghost last Tuesday at 2:45 p.m.

She writes to Governor Tuck very often, according to workers in his office. She gives him messages from Woodrow Wilson, George Washington, William Howard Taft, Thomas Jefferson and others. Recently, most of her messages are from Bilbo, they said, written in violet ink on onion skin paper.

100 4-H Club Members to Attend La. Camp

Over 100 rural colored youths will attend the first South-wide 4-H Club Camp, August 24-30, at Southern University, Baton Rouge, La., according to an announcement made this week by Acting Extension Service Director Walter D. Conway.

Entampment delegates, who will represent the 300,000 colored 4-H Club boys and girls in the Nation, have been selected from clubs in each of the 17 Southern States. Each State is sending six delegates —three boys and three girls who have done outstanding 4-H club work.
