5th Report Shows NAACP Drive Has Enrolled 4,000

A total of nearly 4,000 memberships were tallied, Tuesday, at the fifth report meeting of the local 1948 NAACP Membership Campaign.

Enthusiam among the workers is steadily mounting as the drive progresses. A large number of these workers have joined the national honorary membership society of Patcas, an organization for persons who have solicited 50 or more members, Miss Marion G. Bond, campaign director revealed.

Mrs. Pichon Reports 42

The highest individual solicitor at Tuesday's meeting was Mrs. Pichon of West Baltimore, who reported 42 members. Mrs. Pichon works under Mrs. Mayme Griffin, leader.

Next highest was Miss Edna Hopkins, Northwest Baltimore, under Mrs. Beatrice Martin, with 36 members. Mrs. Amanda Finch, leader in East Baltimore, held third place with 21 members.

Others who reported at least 10 members were:

Mrs. Margaret Hubbard, Horace Ashby, Mrs. Ada Harcum, Mrs. Laura Forester, Mrs. Beatrice F. Martin, Mrs. Mary E. Ashby, Mrs. Victoria Ridgely, J. L. Procope Jr., Miss P. Estelle Holloway, Mrs. Mahalia Blair;

Elmer N. Hardy, Mrs. Angela Cobb, Mrs. Maud Stokes, Mrs. Mamie Knowland, Mrs. Mary Wright, George W. Conway, Mrs. Sallie Stewart, Mrs. Rebecca Brown, Miss Mabel Kenney and Mrs. Estella Johnson.

Mrs. Chissell Raises $700

Leading individual fund solicitor for the entire drive, to date, is Mrs. Augusta T. Chissell, first vice-president of the local branch and chairman of the interracial special gifts division, who has reported $700.

Mrs. Chissell said she "feels it is the sober task of every citizen who believes in civil rights to join hands with the NAACP and work for equal opportunity in the community."

The campaign closes officially Oct. 22 at Sharp St. Methodist Church, when the Rev. C. M. Smith of Philadelphia's Wayland Temple Baptist Church will be principal speaker.

The monthly membership meeting of the local branch will be held Oct. 24 at Sharp St. Methodist Church.

MRS. AUGUSTA T. CHISSELL

Music will be furnished by three well-known groups, the Harmony Trio of Union Baptist Church, under Mrs. Rose B. Mebane, the Evangeline Singers of Douglass Memorial Church, under Mrs. Evangeline M. Caswell; and the Girls Choir of Grace Presbyterian Church, led by Mrs. Mercedes E. Douglass.

Miss Mary Fairfax of Douglass Memorial Church will also appear as a guest soloist.

Fall Program On at Urban League

Fall activities of the Baltimore Urban League are now in full swing, under the directorship of Alexander J. Allen, executive secretary.

The league's health committee will hold its first meeting of the season at 4 p.m., Oct. 19, at 2404 Pennsylvania Ave.

Sub-committees will make reports on expanded training and staff opportunities for colored medical personnel, improved transportation to Henryton Sanitarium and additional beds for tuberculous patients.

Seek Park in Cherry Hill

Meanwhile, the league continues its community organization work, with Miss Bessie Byrd, doing liaison work with the Cherry Hill co-ordinating council in the effort to get a public park in that area.

A Morgan College graduate and second-year student at Howard University, Miss Byrd is doing field work with the league. She lives at 1615 McCulloh St., and will be working in the city three days a week until June.

The Urban League is still in need of an additional stenographer. The vacancy that occurred when Mrs. Beatrice L. Wright resigned to accept a post with the Northwest Community Council, remains unfilled.

Interested persons should get in touch with the office secretary at 2404 Pennsylvania Ave.

4 Suspects Held in Hotel Robbery

Four Baltimore men were held under $10,000 aggregate bail, Tuesday, in connection with the robbery of a Towson hotel and attack on its night watchman, Edward (Dad) Ridgley.

Given a preliminary hearing in the Towson police court they were identified as:

William H. Kittrell, 26, of the 400 block N. Caroline St.; Linwood Peel, 24, of the 700 block Dolphin St.; Frank Harvell, 25, 1600 block Madison Ave; and Edward Lawrence, 28, 500 block N. Arlington Ave.

The holdup-robbery occurred shortly after midnight as Mr. Ridgley was making his rounds. Three of the men, who had forced their way into the hotel, seized the watchman and tossed him to the cellar floor after rifling his pockets of $55, his personal money.

No money was taken from the hotel safe but, according to the proprietor, food, cigarettes and whiskeys totally valued at $900 were taken from a basement storeroom.

Approximately two hours after the men had fled, Dad Ridgley saw unoj jpenuy aaq oj pabnuen bonds and notified the owner and police.

The arrest of the suspects followed. Dad Ridgley, who lives at 1510 McCulloh St., is well-known in Democratic political circles.

Druid Hill YMCA Drive 'Over Top'

Exceed Goal of 900 in Unique Campaign

Maintaining a lead acquired early in the campaign, the International League, under Truly Hatchett, reported the largest number of new members at a victory meeting, Monday night, as the Druid Hill YMCA membership campaign went over the top.

Organized by Lester M. Suitt, Y membership secretary, the drive was formed along the lines of the American baseball industry with four major teams (leagues) competing for honors.

Mr. Hatchett's workers secured 313 of the 903 new members garnered during the three-week drive. The goal was 900 members.

National League Second

In second place when the competition ended was the National League, headed by Raymond A.C. Young, with 175 new members. The Eastern League, led by Addison E. Johnson, solicited 118 members to take third place.

In fourth place, a position held during the entire effort, was the American League, under William N. Turks, with 77 members acquired.

Of the 903 men enrolled for 1949, 518 were new members and 385 renewals. A total of $6,035 in cash was also reported at the meeting.

Other reports were as follows: Board of Investigation, Furman L. Templeton, chairman, 10 members; Board of Arbitration, Houston R. Jackson and Dr. Evan A. Gilkes, co-chairman, 85 members; and the Board of Baseball Commissioners, under J. A. B. Callis, 65 members.

The campaign was launched on Sept. 23, with John L. Berry, baseball commissioner, as director. Getting off to a slow start, the drive gained momentum in the final week and went over the quota by three members.

Beauticians Plan 4-Day Workshop

The Master Beauticians' Association will sponsor a workshop and conference, Sunday through Wednesday, at the Monumental Elks Home.

A social hour at 4 p.m. on Sunday will open the program of activities. A hair style and fashion show will be Monday evening's feature.

Free Beauty Treatments

On Tuesday night, E. J. LeMott, hair stylist of New York City, will demonstrate coiffures, designs of hats and costumes of other countries in an international fashion show. A semi-formal dance will close the activities on Wednesday evening.

Daytime lectures and demonstrations will also be conducted during the four-day period. Persons may volunteer as subjects for the free beauty treatment. Miss Mayme Tilghman is president of the association.

IF YOU HAVE A Flare FOR DANCING

Be sure to inquire about our new school of Theatrical Dancing. An inexpensive, professional course at the Metropolitan school in Tap (Fred Astaire type) or Ballet may start you or your children on a successful, exciting career.

Multiply this by 7,000,000!

Here's one foot of large telephone cable, actual size. Inside are 4,242 wires.

About 7,000,000 feet of cable of various sizes have been added since V-J day to improve and expand telephone service in this state. And more are being added every day.

This is only a small part of a tremendous program of construction now well under way. The program is costing millions of dollars.

All this construction money comes from investors—people who have faith in the future of the Telephone Company. They entrust their money to us because they believe their investments will be safe and will pay them a fair return.

Even in normal times, the huge sums needed for new construction must come from investors. On the other hand, the money you pay for telephone service goes to meet everyday expenses—wages, materials and other operating costs.

Today, these expenses are at the highest peak in our history.
