Cortez Loses Bid to Buy on Eutaw

The Zoning Board on Wednesday turned down an application of Cortez W. Peters Business School to be located at 1208 Eutaw Pl.

Protests to the school's operating at that address were filed by several residents and the congregation of Eutaw Pl. Temple Church who pointed out that the neighborhood is residential.

The church is located at Eutaw Pl. and Lanvale St. A protest filed earlier in the month by the Mt. Royal Protective Association later was withdrawn.

Now At 529 Gold St.

The school, now located at 529 Gold St., was established in Dec., 1935. Since then, it has graduated over 800 persons, many of whom are employed by the city and Federal Government.

It was pointed out that within 15 years, the school has been forced to move three times because of inadequate housing. The application cited that the school concern wished to purchase the Eutaw Pl. building, and erect a illuminated flat sign on the front.

Walter T. Dixon is dean of the school.

CONTRACTORS FINED $50 ON EXPOSURE CHARGE

Arrested after neighbors complained, Graham Bey, 35-year-old contractor who was doing remodeling work in the 600 block of W. Lanvale St., was fined $50 in Northwestern police court, Wednesday, for indecent exposure.

Rain Slows Up Neighborhood Conservation Project Activity

Work on the neighborhood conservation project located in the rear of Pennsylvania Ave., Collett, Carey and Baker Sts., has been temporarily delayed due to damp weather, which has prohibited the redecorating of home exteriors.

All preparatory work on this community project, which is sponsored by the Citizens Planning and Housing Association, Baltimore Guild and the Northwest Community Council has been accomplished.

As soon as the weather permits, it will be carried to completion, it was announced this week.

Five Awarded Prizes

The first set of prizes offered to persons living in the area have been awarded to:

Mrs. Elizabeth Dobbins, 604 Gold St.; Mrs. Eleanore Wise, 606 Gold St.; Thomas Banks, 2210 Pennsylvania Ave.; Fred Owens, 1513 N. Carey St.; and Mrs. A. Dixon, 1511 N. Carey St.

These prizes were awarded on the basis of the best preparatory steps taken in co-operation with the neighborhood conservation project.

Prizes consisted of an all-day boat excursion on the steamship, Bay Belle, May 22, as guest of the Robinson Cut Rate Store and the Maryland Vocational School.

Other prizes will be awarded for further lot improvement after the playlot is erected and the rear of the homes refinished.
