MORGAN WIVES ORGANIZE

When the faculty and trustee wives of Morgan College got together at the home of President and Mrs. Martin Jenkins, Sunday, to organize a club they elected Dr. Gladyce B. Jones as president.

Other officers are Mesdames Arthur Lamb, vice-president; Harold DeLaney, secretary; Earl Moore, corresponding secretary; and Alexander Walker, treasurer. Mesdames Carl Murphy and Lamb are chairmen of the constitution and program committee, respectively.

SET FOR CLASSIC

Wives of Frontiers Club members are geared up to a fever pitch over the coming charity football classic in Baltimore Stadium on Nov. 4.

They are putting their smartly togged shoulders to the wheel and as a starter making themselves personally responsible for over 1300 tickets as a starter.

At an auxiliary meeting held Wednesday night in the YMCA, the gals got lined up to do their usual good job of helping their hubbies put over a club project.

Among those present were: Mesdames Clarence Monroe, chairman; George McDonald, co-chairman; J. Arnett Frisby, Hiram J. Butler, T. Randolph Watery, Emmett Coleman, W. Berkley Butler, A. Jack Thomas, Arthur J. Payne.

Mesdames William B. Day, James D. Carr, Cedric E. Mills, Leon Raymond, Charles Covington, Bruce Alleyne, Theodore Brown, W. Emerson Brown; Bernard Harris, I. B. Higgins, and W. I. Gibson.

POT-POURRI

All of the Baltimore clan clung to their televisions, Monday night when Eleanora Flagg, Brooklyn school marm, was on the Godfrey Talent Scout show. She's the daughter of the late Lewis S. Flagg, attorney, of this town, and niece of J. Howard Payne, attorney here.

Off to San Diego, Calif., this week went the Rev. Mr. and Mrs. Matthew Jefferson Jr. where he has accepted a new pastorate. They were at St. Matthews Methodist Church, here. From Chicago comes the news that Marie McCormick is doing nicely at the American Academy of Art, where she is studying. She is domiciled at the YMCA Hotel of Chicago, the world's largest "Y" residence. She is the daughter of the Beverly McCormicks of N. Broadway.

The Rev. Daniel Ridout of Dover, Del., district superintendent of the Dover District of the Methodist Church, came back to his Alma Mater, Morgan, Sunday, to speak at the chapel services.

And speaking of Morgan, tough is growing the vieing for the Miss Morgan" title, there, as the race wages between Ruth Simms, of Red Bank, N.J., senior; and Iris Weaver of this town an upper junior.

The two coeds are active members of the student body. Miss Weaver is a member of Alpha Kappa Alpha Sorority, Aloha Kappa Mu Honor Society and has been included on the Dean's honor roll each semester of her college career. Miss Simms is a member of the Social Science Club and an affiliate of the Campus "Y". Campaign managers for Miss Simms are Ulysses Taylor and Robert King, both members of the senior class. Miss Weaver's campaign manager is Ray Hall.

Mrs. Laura Wheatley is hostess, this week, to Miss Alma Tibbs of Detroit. Earlier Mrs. Wheatley, Mme. Lillian Evanti and Mrs. Margaret Koontz of Washington had been in Frederick, Md., visiting the Fair and being entertained by Dr. and Mrs. U. C. Bourne, thence back to Washington to attend the dinner party being given by Mrs. Jessie Parkes of Arlington, for Mrs. Haven Newman of Berkley, Calif. on Sunday.

PHILOMATHIANS MEET

Mrs. Vivian Cook was hostess to the opening session of the Philomathians, Saturday afternoon, at a lovely party at the Madison Avenue Branch YWCA.

There was Mrs. Alice Arrington, recently back from Switzerland, to tell of her experiences as an exchange secretary from the YWCA; and a flock of guests including: Mesdames Robert Clark, Mary Proctor, Pauline Wharton, Pauline McGuinn, Viola Coleman, Edgar Braxston, William White, Ruth Lighston, Elmer Henderson, Mabel Frisby, John Woodhous; Mesdames Florence Carter, George Murphy, Edward Wheatley, Lillian Parrott, Edythe Myers, Mildred Seaborne, Mary Over, Edna Gray; Miss Pauline Wharton and Mme. Lillian Evanti of Washington.

YOU CAN'T PRINT THAT

When a certain social security worker returned home an evening or so ago all he found was his clothes in the cupboard, his portion of the furniture in the house and a note from School Marm wife to the effect that he needn't even phone her. "Just see my lawyer" was her admonition.

She not only had found another house, but also another prospective husband. The later, a local business man, is gleefully going about planning for an early nuptial.

And it's really going to tickle me pink when I CAN print that!

COTERIES—The club met in the home of Mrs. Lillie Bristol, 1411 N. Central Ave., Tuesday. Guests were Mesdames Margaret Singleterry, Sadie Gunther and Amanda Jackson. The next meeting will be with Mrs. Lillian Brown of 2426 W. Lexington St.

Clubs

JOY SEEKERS—met with Mrs. Agnes Croxton of 1800 Madison Avenue this week and completed plans for an anniversary tea. Leroy Hood is president of the club and Mrs. Iristine Croxton is recording secretary.

GALLANT KNIGHTS—The chess club, of the YMCA, will meet on Saturday afternoon from 1 to 5 for the first session this season. Dubois Banton is secretary of the group. Vernon Robinson is president.

ENTERPRISE—The club met at the home of Mrs. Ruth Wright, 1522 Bruce St., and completed plans for a dance on Oct. 28. President of the club is Mrs. Mildred Beane. Mrs. Mary Armstrong is secretary; and Mrs. Irene Leatherberry is business manager.

"The Time for Negroes to Go Slow is Past"—Eleanor Roosevelt

BACK in 1943, Eleanor Roosevelt urged Negroes to go slow and not be "too demanding" in seeking adjustment of the problem of racial discrimination. But times have changed, and so has Eleanor Roosevelt's advice: "Negroes can do certain things today with the aid of organizations that would have slowed things up for them six or seven years ago," she says. She has a definite program in mind for the Negro and is devoting her efforts toward the realization of a better, fuller life for the Negro. Read Eleanor Roosevelt's views in the November issue of Negro Digest.

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA *is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!*

IN MUCH OF THE WORLD *today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.*

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs	American Legion
American Farm Bureau Federation	National Association of Small Business Men
National Grange	United States Chamber of Commerce
Veterans of Foreign Wars	National Association of Retail Grocers
National Conference of Catholic Charities	National Retail Dry Goods Association
American Protestant Hospital Association	American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

Mary Lee Taylor's
THRIFTY PEACH BAVARIAN

Topped with golden peach halves, here's a dessert that's prettier than a picture. Dad and the youngsters will love its rich peach flavor. And you'll know it's good for them because it's rich in whole milk.

Easy to make, takes almost no cooking, can be made hours ahead of time with this recipe using Pet Evaporated Milk.

Thrifty, too—thanks to Pet Milk which is so thick that it whips easily and quickly into snowy peaks, makes Peach Bavarian that is wonderfully light and appetizing. Yet Pet Milk costs less than one-third as much as whipping cream, less generally than any other form of whole milk.

½ cup Pet Milk
No. 2½ can Cling Peach Halves
1½ cups Peach Juice*
1 package Lemon Gelatin
2 tablespoons Lemon Juice
½ teaspoon grated Lemon Rind
few grains Salt

Chill milk until ice cold in a 2-qt. bowl. Drain peaches; save juice. Rub with vegetable oil a deep 8 or 9-in. round pan. Arrange 6 peach halves, cut side down, in pan. Chill. Heat peach juice to boiling. Stir in gelatin until dissolved. Remove from heat; stir in rest of ingredients. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk, with cold rotary beater until stiff. Beat in gelatin gradually. Pour over peaches. Chill until firm. Turn out; garnish with Maraschino cherries, if desired.
Makes 6 servings.
*If there's not enough juice, add water.
