WHEN SLEEP WON'T COME AND YOU FEEL GLUM
Use Chewing-Gum Laxative—REMOVES WASTE...NOT GOOD FOOD
● When you can't sleep—feel just awful because you need a laxative—do as MILLIONS do—chew FEEN-A-MINT.
Feen-a-mint is wonderfully different. Doctors say many other laxatives start their "finishing" action too soon . . . right in the stomach. Large doses of such laxatives upset digestion, flush away nourishing food you need for health and energy . . . you feel weak, worn out.
But gentle FEEN-A-MINT, taken as recommended, works chiefly in the lower bowel where it removes only waste, not good food! You avoid that weak, tired feeling. Use FEEN-A-MINT and feel fine, full of life! 25c, 50c, or only 10c

Irked Man Gets Himself Arrested

It appeared as if Officer Jerome Glass had pegged at least one of four persons wrong when he referred to the group as, "queers," while passing them in a school yard, Tuesday.

After giving the four a lecture on social distasie for perverted sex acts, Officer Glass said that he sent them on their way, but one of the group found his way to Northwestern police station and expressed resentment to the patrolman's superiors.

As 23-year-old Bernard Cromwell of the 400 block of Pittman Pl. voiced his indignation, Officer Glass entered, reconsidered his initial disposition of the matter and arrested Cromwell on a charge of being disorderly.

Contends He's Doctor

The whole affair was much to the disgust of Cromwell, who according to Glass, maintained, "I am a doctor."

When he came before Magistrate Thomas L. Fitzpatrick the following day, he explained that he was a doctor's aide and does "orderly's work on the side."

Cromwell who said he is employed by a local hospital, is a high school graduate. He explained to the court that he took courses in "doctoring."

Magistrate Fitzpatrick gave Cromwell a stiff lecture and then imposed a $10 suspended fine.

LONGER HAIR Amazes Leading N.Y. Beautician
NEW YORK, N. Y.—Miss Vivian Ford, pictured above, owner of the Vivian Ford Shop, 716 St. Nicholas Avenue, New York City, stated that she used full strength Kotalko for a period of six weeks on one of her customers, whose hair was dry, cracking off, and brittle due to lack of sufficient natural hair oils. With the scalp and hair conditions normal, using Kotalko regularly to supplement these natural oils, she was amazed with the results achieved.
By special arrangement with this newspaper you too may use the very same Kotalko right in the privacy of your own home that Miss Ford uses on her New York customers.
In these days of scientific achievements and beauty miracles, why have short, fussy, unattractive, unmanageable hair? For just a few cents you may have the silkier, smoother, longer, more lustrous hair that men and women will admire. Boy Scouts Had Their Own Rooting Section at the Game

THE BOY SCOUTS:

Community Chest Money at Work

(Ed Note: This is the second in a series of articles to inform the public how the Community Chest dollars are spent.)

The Baltimore Area Council, Boy Scouts of America, which has been building character here for a quarter of a century, obtains most of its operating funds from the Community Chest.

Last year the council taught its principles of citizenship, moral and physical fitness to 38,834 Scouts, 1500 of whom were colored.

Influence Significant

It is difficult to measure the achievements of the Scout movement in dollars and cents. The best measuring rod is the number of boys this character-building service reaches.

In the Monumental, Chesapeake and Southshore districts, there are 112 Scout units. These include 29 Cub packs, 63 Boy Scout troops, and 20 Explorer Scout units.

These units are sponsored by 92 of different organizations, mostly churches and schools.

The paid staff of the local Scout setup is small, but it is augmented by over 400 volunteer adult workers.

1400 Attend Round-Up

Just last week the Boy Scouts gave a demonstration of their impact in youth when 1400 boys held a one-day round-up at Morgan State College on Oct. 7.

The round-up ended with the boys attending the Morgan-Lincoln game as guests of the local college.

Summer camp is another of the benefits offered by the Scouts. Last year, approximately 300 boys spent one or two weeks at Broad Creek Memorial Camp.

Out of the total Boy Scout budget of $170,389.74, the Community Chest is contributing $102,315.74. The contribution will be a helping hand offered to a giant movement engaged in building character tried.

William Rand is assistant Scout executive and field executive for the Chesapeake District; and B. J. Golden, for the Southshore District.

As special guests of the college, these representatives of the Baltimore and Metropolitan District Boy Scouts enjoyed themselves, Saturday at the football game between Morgan and Lincoln. The group had a jamboree on the campus Saturday morning, and cooked their own lunch.

Aggies See Capital Classic as Step to National Title

WASHINGTON

Rolling along in high gear with four straight victories under their belts, the North Carolina A. and T. College Aggies have put their lights on the national title as well as CIAA championship.

Coach Bill Bell would be the last one to admit it, but fond followers of the Aggies already are hinting that the Greensboro gridders look forward to laying claim to the national crown if they are successful in keeping their conference clean and beating Tennessee State College.

The Aggies meet Tennessee in the ninth annual Capital Classic at Griffith Stadium on Nov. 3 and the battle is fast taking on fan interest as the game of the year.

First Time in Classic

The game will mark the first time the Aggies have played in the Capital Classic, but Coach Bell has had previous experience with Capital Classic teams. This experience is expected to aid him considerably in bringing his squad to the nation's capital in tiptop shape.

Of course, the Aggies have a big job ahead of them as they face Shaw and Morgan prior to the classic date on Nov. 3, but the Carolinians, at least their supporters, feel that they are the club to upset the Baltimore club.

Meanwhile, Capital Classic officials have completed arrangements for another high class halftime festival featuring the Booker T. Washington High School Band of Norfolk, Tiny Bradshaw, and a bevy of beautiful classic queens.

Howard-Morgan Game to Be Aired

The Howard-Morgan State Football game to be played in Baltimore's Morgan Stadium Saturday afternoon, Oct. 14, will be broadcast over WOOK-FM, 95.9 on the FM dial.

The final quarter will be carried over WOOK-AM, 1590 on the AM dial. Al Sweeney and Oscar Haynes will handle the broadcast.

Carlins Park Ban Lifted for Derby

For the first time an entertainment at Carlins Park is open to all citizens — thanks to the roller skating derby which is being presented there nightly through Oct. 22.

Insisting on the no discrimination policy for the program being presented by American League of Roller Skating, Nicholar Yanetta, president, said.

"I fought side by side with colored service men in the Navy. We don't discriminate against colored citizens when we're appearing in Jersey and we're not going to do it here.

Furthermore, while we're in Baltimore, I am seeing to it that they get the best seats possible to enjoy the show."

Featuring the New Jersey team which won the world's championship at Madison Square Garden in June, the roller derby is presented at 8:30 p.m. nightly, with a 2:30 p.m. matinee on Sundays, particularly for kiddies. Monday is Ladies' Night.

If support of the skating derby warrants it, a franchise will be offered to Baltimore businessmen for admittance in the league.

The show features professional skaters who appear regularly on television and some of whom are featured in the current movie, "Fireball."
