Virginia Group Backs Protest

To Join Pickets At Murphy's Sat.

RICHMOND

Guest pickets in the demonstration against Jim crow at Murphy's lunch-counter this Saturday will be a delegation of Virginians, a spokesman for the D.C. Co-ordinating Committee announced this week.

Led by representatives of the Virginia State Conference of the NAACP, residents of Richmond and other points will picket Murphy's from 3 to 5 p.m. They are joining the picket line to dramatize their conviction that the Nation's Capital should set an example to other cities by ending discrimination.

W. Lester Banks Expected

W. Lester Banks, executive secretary of the Virginia State Conference of the NAACP, will be in the visiting group, along with David Simms, president of the youth council.

Dr. J. M. Tinnely, president of the conference, has sent his regret that he cannot attend.

The visitors from Virginia will be welcomed at 1215 U St., NW, Saturday at 1:30 p.m. by Mrs. Mary Church Terrell and others of the co-ordinating committee, as well as representatives of the Washington NAACP. They will be entertained at a buffet supper when the picketing ends at 5 p.m.

A revised summer schedule was also announced this week by the D.C. Co-ordinating Committee.

According to this schedule, there will be picketing at Murphy's from to 9 each Thursday night and from 11 a.m. to 5 p.m. each Saturday.

Wife Takes Iodine After Marital Rift

WASHINGTON

A 27-year-old wife, whose husband recently sued her for divorce because, he said, she would not go to church with him, was recovering at Gallinger Hospital, Wednesday, from a dose of iodine.

Police said that Mrs. Beatrice Williams was taken to Gallinger from her home at 326 34th Pl., NW, Tuesday night, in a Health Department ambulance.

Lt. John K. Baker of homicide declared that she had taken some iodine while depressed over the fact that her husband was about to leave her.

Suit Filed June 17

The husband, Leonidas J. Williams, filed suit in District Court on June 17, asking for a divorce on the grounds of cruelty.

He charged that Mrs. Williams failed to "conduct herself as a lawful and dutiful wife" and that she was "quarrelsome and abusive in both private and public," besides drinking "excessively" and keeping late hours.

In addition, Mr. Williams accused his wife of refusing to accompany him to places of public worship and on visits to friends and relatives.

According to the divorce papers, the couple was married in Richmond on Dec. 20, 1947, but have resided in Washington ever since. They are joint owners of the property on 34th Place and have no children.

'Sleve' Brown In Car Crash

Steven Brown, 32 well - known local sportsman, and a woman companion were treated at University Hospital, early Sunday morning, after his 1951 Chrysler sedan went off the road and struck a pole.

Towson police said the car was traveling toward Baltimore around 7:15 a.m., when the accident occurred on Main St. in Reisterstown near the intersection of Cockeysville Rd. This is near the Westminster Pike leading from Scarlett's Country Club where Brown was said to have been.

Both Injured

Brown was driving, and his companion, identified as Ruth Hitchcock, was in the right front seat when the accident occurred. He was treated for face, chest and elbow injuries, and the woman was treated for cuts of the face and leg. Brown who lives in the 1800 block McCulloh St., also was cited for reckless driving.

Devers For FEPC Backed By Law

CHICAGO (NNPA)—Delivering the keynote address last Monday night, Gov. Paul A. Dever of Massachusetts, temporary chairman of the Democratic national convention, declared that the Democratic party must move forward on the civil rights front.

The remarks of Governor Devers were construed by Roy Wilkins, administrator of the NAACP, as strengthening the hands of liberal Democrats who are fighting for a strong civil rights plank in the 1952 platform.

Governor Devers said, "To contain it abroad, we must be strong and we must have strong and friendly allies," he said.

"My basic philosophy, my experience in life, and my social background impel without hesitation an unalloyed belief in the legal implementation of full civil rights and full economic opportunity for all Americans, regardless of color, creed, age, or racial origin.

"On this issue as in all others the Democratic party must forever move forward."
