Morgan Basketball Team Preps For J. C. Smith

The Morgan State Bears with a seven and two conference record and a nine-two overall record spent the week preparing for the crucial games which come up in rapid succession the coming week.

The Bears will play host to the Johnson C. Smith Golden Bulls on Tuesday.

Smith defeated Morgan in the first round of the conference tournament last year, and went on to win runner-up honors in the tournament.

Loyola Vs. Morgan

On Feb. 12, the annual Loyola-Morgan game will be played. Last year's game proved to be a thriller and was decided in the final five seconds by Joel Hittleman's winning loss.

On Feb. 14, the high flying Virginia State Trojans, who administered a 83-77 defeat to the Bears early in January, will be here hoping to enhance their 9-2 conference record.

The Virginia Union Panthers, 1952 tournament champions, will play here Feb. 16. The two teams met recently at the home of the Panthers in Richmond, with the Bears eking out a 66-65 victory.

With such a hectic schedule confronting them, the Bears have been working overtime to smooth out the rough spots of their high scoring offense which averages 82.4 for 11 games.

Their defense which fell off from early season form is now receiving a great deal of Coach Hill's attention. His only comment however, is that the Bears' defense in every area will show marked improvement.

If the Bears are victorious in the coming crucial games, they will no doubt be crowned the visitation champions of the CIAA.

Bears Cop SAA Track Meet

Athletes from Morgan State College broke one record and tied another as six marks fell in the annual South Atlantic Association track and field meet at 5th Regiment Armory Saturday night.

The meet, a tuneup to tomorrow (Wednesday) night's South Atlantic AAU tests at the Armory, went to the Golden Bears, despite the absence of their sensational sprint star, Art Bragg.

Bragg, in New York for the New York A.C. games, took the 60-yard dash title at Madison Square Garden, then learned that his mates had captured the local meet by a margin of 43½ points to 23 for their nearest rival, Baltimore Olympic Club.

Setting one of the new meet standards was the Morgan mile relay quartet of Josh Culbreath, Louis Goden, Otis Johnson and Herman Wade. They were caught in 3:2.6, as they whipped the Naval Academy four and a Morgan "B" squad in that order.

Johnson copped the 60-yard dash and equalled his own mark of 6.4 seconds in the doing. Second was Ira Kane, Navy, and third, Robert Robinson, Johnson's teammate at Morgan Park.

James Rogers won the 600-yard run for the Bears in 1:14.4. Bert Breedlove, another ex-Morganite, grabbed top honors in the high hurdles, for the Olympic Club.

Other records that went by the board were the mile run and two-mile run, both taken by Jim Brown, of Naval Service; the 1,000-yard run, won by Don Manger, BOC; two-mile relay by Naval Service, and Breedlove's hurdles triumph.

Lincoln Maimen To Defend Title

LINCOLN UNIVERSITY, Pa.—The Lincoln University wrestling team will face a tough grind in defending its championship at the CIAA boxing and Wrestling Tournament here on Feb. 27 and 28.

Although the Lions will enter three of their four individual titleholders, Coach Bob Gardner expects considerable trouble from at least three schools known to be putting together strong contending teams.

Lincoln shared the grappling crown with Morgan State in 1951 and took over complete ownership of the title last year by beating out Virginia State, Morgan and Howard will prove formidable foes.

There will be ten division titles at stake. The Lions' 123-pound champ, Herman Graham, will move up to the 130-pound division this year. The other defending titlists are Clayton Cotrathers, 147, and Charles Sexton, 177-pound king.

Six Employees Contribute Over 150 Years Service To Black & Decker's Growth

Reading from left to right: Russell Ross, Oscar Davenport, Nathaniel Davis, Henry Holmes, Rogers Nolan, Walter Woods.

One of the important factors in the rise of The Black & Decker Mfg. Co. to its position as the world's largest builder of portable electric tools has been the long, faithful service records of many of the Black & Decker family. The men pictured here—with service records ranging from 17 to 32 years for a combined total of 159 years service—are typical of these Black & Decker veterans.

Walter Woods heads this unique old-timers' group with 32 consecutive years at Black & Decker. He was originally employed Feb. 23, 1920, and for many years he was chauffeur of the company's mail truck—posting a very satisfactory service and safety record. Now he heads up the Parcel Post section of the company's Mail Department.

Also with 32 years to his credit, Oscar Davenport runs Woods a close second in point of service at B & D. As groundskeeper, he has done an outstanding job of keeping the shrubs, trees and grounds around the beautifully landscaped Administration Building in "apple pie" order.

Nathaniel (Slim) Davis is lead man in the janitor corps at the Towson plant, with 27 years of service. Rogers S. Nolan, with 26 years service, is a steel stock selector in B & D's huge storage department. Russell W. Ross, a 26-year veteran, is maintenance man at the Administration Building. And 17-year veteran William Henry Holmes is also a lead man in the janitor crew.

Each of these men wear a handsome Company Service Pin with stars denoting his length service. And Black & Decker is so proud of their fine service records as these men are of the years in which they have played a part in the company's growth.

In addition to these old-timers, many other Negroes are on the payroll at Black & Decker's Towson plant. Each is playing an important part in the intricate pattern of producing the world's most complete line of portable electric tools—in operations such as chip man, part washer, store room man, stock selector, matron, counter and bus girl, machine maintenance man, janitor, etc. Each is a member of the world-wide Black & Decker family that extends to England, Australia, Canada, Brazil, Mexico—as "Electric Tool Headquarters" for the world!

Giant Star Gets Wifely Comfort

Morgan Cagers Set To Play Loyola Quintette

The Morgan State College Bears, with a crucial conference series before them, will take time out this week for their biggest non-conference game of the season, when they meet Loyola Thursday, at 8 p.m. in the Hurt Gymnasium.

Last year, the Loyola Greyhounds beat the Bears 65-63, scoring the winning basket in the last eight seconds of play.

Big Turnout Expected

The game was a thriller that packed the new million dollar Edward P. Hurt Gymnasium on the day of its dedication and the birthday of Morgan's athletic director, Eddie Hurt.

A jammed house is expected for this year's tilt as Morgan hoping to stop the Greyhounds from a repeat performance of last year's thriller.

Head Coach Talmadge L. Hill, who's paced the Bears to a seven to two conference record this season, announced his lineup Monday. Every man scheduled to open the Morgan battle faced the Greyhounds last year. The part of the strategy Coach Hill is banking on to whip Loyola.

Included on the Bear line-up are the team's high scorers—Lester Gardner, a ranking NCAA small - college individual high scorer, who amassed 218 points as of January 1 and a 19.8 average in 11 games; Earl Garrett, guard, who holds 205 points for an 18.6 average in 11 games; guard George Williams, co-captain who's tallied 100 points for a 9.9 average in six games; and Raymond (Spider) Murphy, forward, who's tallied 108 points for an 18.0 average in six games.

Facing Loyola also will be co-captain Robert Thweatt, guard; Charles McMillan, center; Carl Whitted, forward; Lester Wells, forward; Robert Colbert and Lehman Spry.

Nap Doherty, guard, will captain the Greyhounds against Morgan. His team will include in addition to Hittleman: Kowalewski, forward; Ahearn, guard; Wheatley, forward; Chadwick, center; Lacy, guard; and Plaisoria, guard.

N.Y. Giants Star Hank Thompson Returns Home

NEW YORK — Infielder Henry (Hank) Thompson, of the New York Giants, was released from University Hospital Friday morning following his recovery from serious head and face injuries sustained during a pre-dawn altercation with a taxicab driver early last week.

Thompson was beaten about the head with a sawed off baseball bat during an altercation with a taxicab driver, William Winfrey. The latter is awaiting trial in connection with the assault.

"For a while," said Mrs. Thompson, "Tommy complained of pains around the area of his left eye, and it was feared that he might suffer injury to his vision, but doctors now feel that the condition is clearing up."

Winfrey, arraigned Tuesday, entered a plea of not guilty. The scheduled hearing was then postponed to await the recovery of Thompson, for his appearance as prosecution witness.

With the Giant infielder outfielder at the time of the incident were his wife and three friends, Milton Irvin, brother of Hank's teammate, Monte Irvin; his wife, Mrs. Dorothy Irvin, and Mrs. Alma Ortiz.

According to the story given the AFRO, the Thompson car and the cab were in a near collision at the intersection of Pennsylvania ave., and St. Nicholas ave., as the Thompson party was enroute home from a dance.

An argument ensued and the 6-foot, 3-inch, 190-pound Winfrey took the bat from his auto and struck Thompson several times about the head and face. Fourteen stitches were required to close the wounds.

New York Giant infielder Hank Thompson is comforted by his wife, Maria, after he had been assaulted by a New York cab driver in a pre-dawn altercation last week. Fifteen stitches had to be taken in Thompson's head and face after his assailant, William Winfrey, beat him with a sawed-off baseball bat. Fight followed argument over a near collision between the Thompson's car and the taxicab.

Hidden Talent Exposed At Webb Center

The Chick Webb staff members will step out of character as leaders and present their hidden talents when they entertain the membership at the center, Feb. 12, at 7:30 p.m.

Mrs. Clarice Patterson, director of women's activities, and Miss Laura Lipscomb, director of children's activities, are singing a duet, it was reported.

Mrs. Mable Denkins, assistant swimming instructor and Clement Nixon, director of the center, are dancing "Slaughter on the Avenue." Francel Booker, swimming instructor, is singing, "I Surrender Dear," and T. Maddison Garrison, swimming instructor, will tap dance.

Mae West Too!

Miles Harrison, former staff member will play and sing popular tunes while Mrs. Naomi Evans, another former staff member, will give a pantomime of Mae West.

In the Charleston line will be Paul Bond, Roy W. Clark, directors of boys and men activities; Thomas Briscoe, gymnasium director; Ernest Gambrill and James Taylor, engineers; Arthur Hill, swimming assistant; Lawrence Smith and Basil Grey, custodians.

For the finale the entire staff will take part in "Daffydill School," a humorous one act play. Following the show everyone will dance to the music of Smith's Swingsters from 9 to 11 p.m.

Admission to this affair is some useful article for the center.

Tennessee Takes 14th Of 16 Starts

George Altman, forward, chalked up 17 points. Willis Thomas swished through 16 to lead the Tiger attack. Lorenzo Harbin tallied 14 from the forward spot while Clark Roberts, a substitute, racked up 11 to lead Kentucky.
