'Brotherhood Week' Begins Feb. 15, Prepare To Observe It Nationwide

CHICAGO (ANP) — Brotherhood Week, sponsored by the National Conference of Christians and Jews, will be observed this year, Feb. 15-22.

Purposes of the week as stated by the NCCJ are to enlist more people in year-around activities to build brotherhood, rededicate ourselves to the ideals of respect for people and human rights, and to demonstrate practical things people can do to promote these ideals.

President Eisenhower is honorary chairman of the observance, and Roger W. Straus, general chairman.

Observes Anniversary

During the week, the NCCJ will observe its 25th anniversary. More than 18,000 motion picture theatres in the United States will participate in this anniversary of the NCCJ.

Journalists and noted persons throughout the country are supporting Brotherhood Week, many of whom have issued statements on the week. Among them are Branch Rickey, of the Pittsburgh Pirates baseball team; Richard Rodgers, musical comedy playwright, and Carl M. Saunders, editor of a Jackson, Mich. publication.

Rickey said: "The kind of brotherhood I have in mind goes above and beyond the simple duties of one American citizen to another. Our citizens by and large are more interested in the grace of the swing, the speed of the legs, the clever techniques of the slide than they are in the disposition of the other fellow's skin or the last syllable of his name."

Praise For Actors

Rodgers lauded the spirit of actor and actress in practicing the spirit of brotherhood.

"I have never heard of an actor refusing to share a dressing room with another because of color, but I do know that all of the actors refused to play in the National Theatre in Washington until it stopped practicing segregation," he said.

Saunders in his statement cited the scientifically proved fact that there is no racial differences in blood as an example of the brotherhood of man.

"A colored lad, coming home from an Army camp, was carried from the wreckage of the 'sleigh ride' plane in which he was a hitchhiker. At the hospital the doctors ordered immediate blood transfusions. The nurses didn't go to a special refrigerated cabinet marked 'Negro blood.' They just gave that boy type 'O' blee in a big hurry and no questions were asked."

Suggested Books

Several books have been suggested for reading during Brotherhood Week. They include: A Declaration of Faith, by Herbert Agar; Souls of Freedom, by Carl T. Rowan; Beyond the High Himalaya, by William O. Douglas; Changing the Attitude of Christian Toward Jew, by Henry E. Kagan, and Ralph J. Bunche; Fighter for Peace, by J. Alvin Kugelmass.

Among those serving on the Brotherhood Week Newspaper Committee are: Claude A. Barnett, director of the Associated Negro Press; Erwin D. Canham, editor, Christian Science Monitor, and P. B. Young, publisher, Norfolk Journal and Guide.

Ford Sunliner To Pace 500-Mile Classic Race

INDIANAPOLIS — William Clay Ford, a director of Ford Motor company, will drive a 1953 Ford Sunliner convertible to pace the 37th annual 500-mile automobile race at the Indianapolis Motor Speedway, May 30.

Selection of a Ford-build passenger car to lead the field across the starting line, the International Classic for the fifth time was announced by Wilbur Shaw, president and general manager of the Speedway.

Shaw will ride with Ford on the pace car, and the Sunliner, biggest selling convertible in America, will be presented to the winning driver at the annual Victory Dinner the night following the race.

Record Entry Listed

An all-time record total of more than 80 cars probably will be nominated. Only the 33 fastest entries, however, will be permitted to compete for the huge purse which has exceeded $200,000 annually for the past three years.

L. L. D. Crusoe, general manager of Ford Division, which produced the pace car, said, "we appreciated most being asked by chosen, especially in this Ford's 50th anniversary year. We feel the Ford Sunliner is the finest convertible being made in this country—it is by far the most popular in point of sales."

Color of the Ford Sunliner is "Face Car White," a new creamy white exterior paint with special trim features; a V-8 engine, Fordomatic transmission and other standard factory-approved accessories, including the new Coronado Deck rear wheel mount.

Daughter, 27, On Welfare, Dad, 62, Held

DETROIT—Willie Thomas, 62, was hailed before Recorder Judge Paul E. Krause Friday on a charge of nonsupport.

Mrs. Rose Thomas, 53, told the court that she has not received any support from her husband in 28 years. The couple have been separated 15 years.

Thomas was arrested after the Detroit Welfare department discovered that the couple's 27-year-old daughter was receiving $17.65 bi-weekly from the agency.

Judge Krause released Thomas on $500 personal bond until Feb. 13. The case was referred to the probation department for a complete investigation.

Thomas told the court "I'm old and can't work — I need someone to support me. How can I support a wife?"

Knife Victim Dies After Living 14 Days

John E. Pinkney, 24, Charged In Raymond Thompson's Death

A 30-year-old stabbing victim died early Friday in Provident Hospital, two weeks after he had been cut about the stomach, left side and right arm as he started to enter a tavern.

The victim, Raymond Thompson of the 1600 block Delano ct., told police that he was about to enter a bar in the 1600 block of Laurens st. when a man approached him and accused him of "running around" with his wife. The fatal stabbing followed.

John Edward Pinkney, 24, of the 700 block Roundview rd., Cherry Hill, was charged by Northwestern police Saturday in homicide court with causing the death of Thompson.

Fines For Life

The incident occurred about 12:30 a.m. on Jan. 24 as Thompson was entering Scottie's Bar. Thompson told police that after he was accused of keeping company with another man's wife, his assailant then pulled out what appeared to be a long knife and stabbed him.

In an attempt to get away from his attacker, Trompson fled east on Laurens st. to Gilmor st., but was there overtaken and stabbed again.

His attacker then escaped. Thompson said, while he managed to summon a taxicab, and was taken to the hospital. He died there at 12:32 a.m. Friday.

Pinkneys Separated

Pinkney and his wife, Mrs. Hortense Pinkney, are separated the AFRO learned Monday.

Funeral services for Mr. Thompson will be held at 2 p.m. today at the Charles G. Cooper funeral home, 512 Carrollton ave. Burial will be in Arbutus cemetery.

Ike's Address Praised, Hit

NAACP Cites Good, Bad Points In Talk

NEW YORK — Dr. Channing H. Tobias, chairman of the NAACP board of directors, and Walter White, executive secretary, this week issued an appraisal of President Eisenhower's State of the Union address to Congress.

The association, they said is encouraged by President Eisenhower's affirmation that he proposes "to use whatever authority exists in the office of the President to end segregation in the District of Columbia, including the Federal government and the armed forces."

Likewise, the association applauds his recommendation for revision of the discriminatory McCarran - Walter immigration act and his repudiation of "that unreasoned suspicion that accepts rumor and gossip as substitutes for evidence" in the loyalty and security program.

However, they added, the association regrets that the President "did not speak out as it is required to maintain the rights of labor, of industry and of individuals."

Brooklyn District Clicks With N.Y.'s New Police Captain

BROOKLYN (ANP) — Capt. George Redding of the Gates police station spent his first week as commander of Bedford-Stuyvesant district's busy police force with all the efficiency with which he had fitted posts up through the ranks.

The 51-year-old highest colored police officer in New York City's history said he intended to be firm but just. He has been awarded two citations since beginning as a foot patrolman in 1907.

One was for capturing three armed robbers in 1930 and the other for helping to quell the Harlem riot of 1939.

In Army 10 Years, Corporal Yearns To Go Back Overseas

With 10 years of military service to his credit, Cpl. Lloyd W. Cephas, 36, who has seen action in two wars, is now at the Ordnance Replacement Training Center, Aberdeen Proving Grounds, awaiting his next assignment.

Corporal Cephas is on duty at headquarters of the HQ Company, 930ist Technical Service Unit, where between duties he proudly exhibits a protographic album of snapshots taken on his world travels. He is a native of Baltimore.

He first went overseas in Oct., 1943 as a member of the 518th QM Truck Regiment, serving in North Africa, India and the China-Burma-India theatres. Later he served in Okinawa, Japan and more recently in Korea as a member of the 822nd Engineers.

Wounded In Korea

Corporal Cephas has the Presidential Citation in addition to service badges for the various theatres in which he has served. He was wounded in Korea and recuperated in a Tokyo hospital for 110 days prior to his return to the states.

Besides photography Cephas's biggest hobby is leathercraft, and believe it not, his biggest ambition is to get another overseas assignment so "I can go back and see some of the sights I missed."

3 Youths Jailed For Manslaughter In Fatal Beating

Convicted of manslaughter in the "gang attack" on a pedestrian who was passing through a Biddle st. neighborhood on Oct. 27, three teen - age youngsters were sentenced to prison terms of not more than seven-years, Wednesday.

Sentenced by Chief Judge W. Conwell Smith to terms in the Reformatory for Males were:

Louis Mickle, 17, of the 900 block Druid Hill ave.; Alvin Boyer, 19, of the 600 block W. Saratoga st., and Steven Spicer, 17, of the 500 block W. Biddle st.

Wood Plank Weapon

Their victim was Marcus H. Dean who suffered head injuries which caused his death on Oct. 31, four days after he was severely beaten on the head by a heavy plank of wood.

Testimony was that Dean and Miss Cora Smith of the 1800 block N. Pulaski st. were walking through Biddle st. near Tessier when one of the youths and boys standing on the corner made an insulting remark to the girl.

Mr. Mitchell said that the male a flippant remark in return and then four of the youths, including the three on trial attacked her escort and left him lying in the street.

Self Defense Plea

The boys maintained that after Miss Smith called Boyer, Dean swiped at him with a knife. In answer to his c all for help, Mickle went into a neighborhood house and brought out the plank of wood with which Dean was beaten.

Mickle said that after chasing Boyer, Dean later threatened him with the knife and that he fought back in self defense. Boyer and Spicer both denied that they struck Dean at all.

However, the knife which they accredited to Dean was never produced and Miss Smith's story that it was a gang attack was supported by Special Policeman Wendell Miller who said that bricks, bottles and other missiles were thrown at the victim.

All Found Guilty

In finding the youths guilty, Judge Smith said "I conclude that they were acting in concert and were all engaged in the fight. In that case, then, it is immaterial who struck the blow which resulted in Dean's death."

The case was prosecuted by Joseph Koutz, assistant state's attorney.

The boys were defended by Linwood Koger Jr.

Although the sanitary squad of the Police Department took no cases to Housing Court last year in its effort to clean up the city, none of these violators lived in the South, East West or Northeast sections of Baltimore, Officer John McAllister, clerk of the Housing Court, disclosed to the AFRO.

In these areas, the squad, composed of 16 policemen who work out of the Pine st. Each violator was given a 60-day notice to make the necessary improvements. Some were granted extension time but none refused, Officer McAllister reported.

Some of the direct results of the investigations and recommendations pointed out by the officer included: 2,412 garbage or trash containers secured; 134 outside hoppers removed; 71 cases of rat infestation corrected; 196 new toilets installed and 1,173 yards cleaned.
