Pace Rams

LOS ANGELES (ANP)—Fullback Dan (Deacon) Towler and end Bob Boyd scored two touchdowns apiece Sunday as the Los Angeles Rams squelched a fourth period rally to defeat the Chicago Bears 38 to 24.

Towler and Paul (Tank) Younger did much of the running, and Boyd was a hot pass receiver as the Rams, temporarily jolted by a 14-point Bear rally that tied the score in the final period, pounded their way to victory.

With the Rams trailing 7-3 in the second period Towler put his team ahead by scoring on a trap play with a 39 - yard jaunt. Boyd then caught two touchdown passes, one good for 43 yards and the other for 70 yards, to give the Rams a 24-10 half-time lead.

Towler scored the clincher in the final quarter on a 23-yard dash.

Boyd and Towler were in the Los Angeles starting lineup as so playing for the Rams were guard Harry Thompson and halfback Woodley Lewis. Jr. Dick (Night Train) Lane did not play.

For the Bears Eddie Macon and Billy Wilson were both halfbacks, played, mainly on defense.

CHILDREN SLEEP AWAY CONSTIPATION WORRY!
When constipation occasionally sours little stomachs, children often act up, are nuisances, cannot eat or sleep well. Mothers, don't let your little ones suffer constipation! Then prolonged, stubborn, but gentle, yet thoroughly effective laxative action may help sweeten such sour stomachs, cool fever, lose objectionable pounds.
Laxative-Stomach Sweetener Works Overnight! Syrup of Black-Draught, a time-tested sweet no children take it eagerly. Made of nature's pure vegetable ingredients. Thoroughly, but gently. Given at bedtime, it works overnight, usually next morning. Thus helps sweeten sour stomachs, cool. Youngsters virtually sleep away these constipation worries. Next day feel good, cheerful, and play! No wonder Syrup of Black-Draught is the most popular of Black-Draught's family of laxatives.
ADULTS: For occasional, but very stubborn, constipation, use extra-strong Black-Draught. Tasteless, easy-to-take TABLETS, too!

Happy Is The Day When Backache Goes Away

Nagging backache, loss of pep and vigor, headaches and dizziness may be due to slowdown of kidney function. Doctors say poor kidney function is very important to good health. When some everyday conditions such as stress and strain, cause this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations, too, may result from this cause giving rise to nights of frequent scanty, smarting urination.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Chicards suffer their worst loss

CHICAGO (ANP) — With 22,064 unhappy fans looking on, the Chicago Cardinals suffered one of the worst defeats in their history, Sunday, as they lost 56 to 17 to the Philadelphia Eagles.

In the midst of the debacle, defensive tackle, George Gilchrist was one of the hardest working Cardinals. Making his first appearance for the Cardinals was Willie Carter, a halfback refugee from the Cleveland Browns.

Hepatitis germs termed infectious trouble-makers

One of the busiest workers in the human factory is the liver. It has about 200 different jobs to do. Usually it is cooperative and well-behaved- but it can go on strike. Two hepatitis germs are frequent troublemakers.

The hepatitis twins behave in about the same way, but have different methods of invading the body. The virus of infectious hepatitis travels in the intestinal tract and is spread by contaminated substances, including drinking water, and possibly also by sneezing- or coughing. Serum hepatitis is transmitted by blood or plasma from infected donors.

The first signs that one of them has started trouble are loss of appetite, tiredness, headache, and a sort of general discomfort like the onset of the flu. Other symptoms range from sore throat and aching joints to extreme weakness and severe mental depression.

Within a few days, jaundice usually appears. The skin turns yellowish and the whites of the eyes are mustard color. However, jaundice does not always appear with hepatitis, and, of course, can result from other causes.

Hard To Diagnose

Unless jaundice occurs early, along with the other symptoms, hepatitis may be hard to diagnose. Sufferers have sometimes been accused of "goldbricking" or psychoneurosis because the disease was not recognized. Yet unless the patient is treated promptly, the disease may become chronic.

The essential feature of the disease is damage to the liver cells ranging from a mild inflammation to widespread disintegration. Fortunately, the liver has remarkable capacity for rebuilding itself. Treatment consists of bed rest, plenty of fluid, and special diet.

Gamma globulin has been successfully used for immunization in outbreaks of infectious hepatitis. Spread of the blood-borne type is now largely avoided by taking blood from persons who have a history of jaundice. To guard against its twin wash the hands before eating and make sure the source of your drinking water is safe from contamination.

2 judges free man of assault

A worried look spread across the face of Northwestern police officers Thursday as Judges Joseph L. Carter and Michael J. Manly acquitted James Booker, 30, of the 900 block Little Pine st., of criminal assault on a 59-year-old woman of the 600 block Bradley st.

"This means the right man is still at large," one of the officers told the AFRO.

In contradicting statements, the woman accused Booker as being the man who forced her to submit to his advances, Feb. 27, and then tortured her with two nail-pointed curtain stretchers.

Remove Internal Organs

The physical attack was so vicious that the woman's internal organs had to be removed by surgeons at University hospital.

On the witness stand the woman testified Booker was her assailant, but signed statements introduced by the assistant state's attorney, Edwin Gehring, showed that she claimed she did not know her attacker at the time she was questioned by police.

Booker was arrested after the woman had picked him out of a line-up police conducted in her hospital room, three days following the assault.

Further testimony revealed that she had known Booker for over a year and had had some dispute with him a few weeks before concerning payment for a paint job he did in her home.

Robert Watts and Milton Allen, attorneys, represented Booker at the request of the state.

CLAUDE BAXTER

On July 27, 1953, I came to see "Doc" R. C. Anderson at 302 Bel Gordon Avenue, Rosaville Georgia, for a catalogue free advice. I needed financial help much.

The following day I received a large lump sum of money. Since that time almost every week I have continued to succeed. I now have money in the bank a nice home, everything that a man would wish for on this earth.

The good things that have happened to me since seeing "Doc" R. C. Anderson one would not believe until they had the same things happen to them. I'm well known in Chattanooga, Tenn. and everyone knows that this statement is true.

I'm only passing this on to help others that need help as I did. He charges a small fee, compared to the results that you receive. He has helped not only me but many of my friends as well, financially as well as many other ways.

This fortune-teller can do any kind of work that you want done. I'm sure that you will never regret if you'll call Rossville, Ga., 81-9719 and make an appointment to see this wonderful man or you can write to him at the address given below. His address Rossville, Georgia is a suburb of Chattanooga Tenn.

Through his Solid Gold Dream Book with lucky days that he sells for $2.00 cash and 6c in stamps or $2.00 C.O.D. plus postage and C.O.D. charges, I have been very successful every week. You can get this book by writing to "Doc" R. C. Anderson 302 W. Gordon Avenue, Rossville, Ga.
