Councilmen deny charges in letter

Defeat of City Councilmen who voted for Ordinance 1602 permitting rezoning of a Walbrook neighborhood from residential to commercial is urged in an open letter distributed this week.

The same councilmen are hurling counter - charges at Earl Kogar, who circulated the petition.

Mr. Koger, president of the New Area Neighborhood association, listed the names of seven councilmen in the Fourth and Fifth districts as supporting the ordinance which permitted the Diamond Cab co. to open a base in the 2600 block W. North ave.

The councilmen listed are:

FOURTH DISTRICT

Leon Abramson
Maxwell Alpert
Jacob Edelman

FIFTH DISTRICT

Frank J. Flynn
Philip H. Goodman
Henry Miller
John H. Reed

All are expected to seek re-election in the spring of 1955.

Miller, Goodman, Charged

The open letter entitled, "The Rape of Negro Neighborhoods," also points out that the ordinance was introduced by both Miller and Goodman. Goodman is a candidate from the Fifth District for the State Senate.

The letter, bearing Mr. Koger's name, said in part:

"These men are our City Councilmen. Are they our friends? Do they represent our best interest?

"When they voted for (or did not vote against) Ordinance 1602, rezoning that Walbrook area from residential to commercial, these men proved their worthlessness to a progressive city fighting the blight of slums.

"Several Waverly groups had fought off this cab base. They did not want it near their homes. They knew what hundreds of taxis and drivers, in and out, night and day, would mean to their community.

Flight From Slums

"Neither did residents of the New Area want this cab base. Thousands of families have migrated to this area, fleeing the long burdened years of slums.

Thousands of families who have toiled and saved, fought off the "isms" and crime, and in search of a little of America and "pursuit of happiness" have bought and are buying millions of dollars in real property in this area.

"When the hearing on Ordinance 1602 was held, opposers overflowed the Council chambers, hundreds signed petitions against it.

"Various groups, such as NAACP, Inc., the Pan Way clubs, the Urban League, the Citizens' Planning and Housing association, the Walbrook Protective association, the Frontiers Club, the Green Lawn, North Hill and Braddish ave. neighborhood clubs sent representatives to voice and record their opposition.

"Not only did these councilmen NOT oppose it, but it was introduced by Miller and Goodman. (The same Goodman now running to represent you in the State Senate.)

Cites Potential Blight

"Instead of a site for a modern apartment house, a playground for children, a swimming pool, an addition to Coppin College, nearby, we are getting potential blight, spot zoning, the creation of a festering slum; the forerunner of chicanery, corruption and economic, and political gangsterism.

"To true Americans everywhere, there should be no place in city or state government, for those who would not fight to guarantee the rights of citizens to live decently.

Is there anyone so low and mean, anywhere in the City of Baltimore, who would say that the Christian and American doctrine is false; who would deny that all men are created equal —that equality of opportunity in schools, jobs and home ownership is the inherent right of every citizen?"

Councilmen Hit Back

When notified of the charges contained in Mr. Koger's letter, the councilmen hit back.

Philip Goodman said: "Mr. Koger was most unfair and unkind. The letter was similar to what McCarthy has been spewing out of Washington.

"Out of the seven councilmen named in Mr. Koger's letter, all of them were committed to vote for an equal opportunities bill. Now many of the councilmen are saying 'go ahead, give them equal rights, they'll cut your heart out.'

"I may have made an error in judgment, but that doesn't make me a bigot, or unchristian," Mr. Goodman concluded.

Councilman Abramson

Leon Abramson said: "If Mr. Koger or anyone else wants to attack my vote on any piece of legislation, they certainly have a right to do it.

"But when he reflects on a group of people in his circular he's dead wrong. When he speaks of bawdy houses, rape and crime, he's reflecting on a group of fine citizens whom I represent, and I resent it.

"The Fair Employment bill is pending in the City Council, and I intend to back it 100 per cent. I wouldn't think of letting Mr. Koger's action impair that.

"Mr. Koger also injected a personal note by claiming we are un-Christian and racial bigots. I have always tried to deal with all the problems in a fair way," Mr. Abramson concluded.

Councilman Alpert

Maxwell Alpert said: "I never got one of Koger's circulars, but someone showed me a copy.

"I am very much disappointed. I think it was un-American and underhanded.

"It created an antagonistic attitude that was without justification. Why drag in the Fourth district delegation?

"The Fifth district, where the re-zoned land is located, was for it, so we usually go along with the councilmen in the district affected." Mr. Alpert declared.

Councilman Edelman

Jacob Edelman said: "It was the shabbiest, the commonest thing that any person would do. I am amazed at him.

"I hadn't received such a letter but it was shown me.

"The case was originally referred to the zoning committee of the City Council. When the committee returned it with a favorable recommendation, we voted for it.

"I think Mr. Koger did all of us who favor certain issues a terrible disservice. I am not going to count him as any spokesman for the group, however," Mr. Edelman promised.

Councilman Miller

Henry Miller said: "I didn't see the letter, but someone told me about it. Before even reading it, however, I would say Mr. Koger was wrong.

"Everybody in the council voted for the ordinance. I wasn't in favor of the original ordinance, but when it was amended to include just half the amount of land, I voted for it."

Councilmen Frank Flynn and John H. Reed could not be contacted for their comment.

According to Mr. Koger, 7,000 copies of the circular letter have been distributed in and around Baltimore.

Dr. Harris Jr. performs rare tumor surgery

Dr. (Capt.) Bernard Harris Jr., stationed at Forbes Air Force base hospital, Topeka, Kans., is receiving praises for the rare tumor surgery he performed recently.

In an operation which took nearly 5½ hours, Dr. Harris removed a rare and serious blood tumor from an airman, who is now on the road to complete recovery.

The patient, A/2C Thomas L. Wicks, 321st Strategic Reconnaissance Wing, stationed at the base, is reportedly one of the few who have survived this type of surgery.

The tumor had spread by eating through the muscle of the chest and part of the arm. As a result of the operation, the airman will have a scar extending around his left chest and halfway down the inside of his arm.

10 Blood Transfusions

Ten blood transfusions were required during and after the operation. Several stitches were taken outside.

In commenting on the operation, the patient said:

"All others had given up hope on me. I can't thank Dr. Harris and all the wonderful people here enough for giving me a new lease on life."

The young physician is the son of Dr. Bernard Harris Sr., 1202 N. Carlaine st.
