"You know, Joe, I always believe in giving others a chance to use the telephone!"

Things may change from time to time, but courtesy and consideration for others are just as important as ever. Especially on the party line. Most party-line users keep their calls spaced out so that others can use the line, and so they won't miss important incoming calls. And they give up the line quickly in an emergency. Because they are courteous and considerate of their neighbors, everyone on the line gets better telephone service. The Chesapeake & Potomac Telephone Company of Baltimore City.

Archway exhibits $40,000 Ford display at show

The $40,000 unique displays at the AFRO AMERICAN'S Cooking school and Home Service Exposition will more than prove why Ford is leading in sales for the first part of 1954.

There will be on display a yellow Ford continental custom made originally in Baltimore by the Archway Motor Company.

You will also see a complete Ford chassis, which allows a complete view of what makes everyone want to go Ford in '54.

Free Prizes Await You

Valuable free prizes await you at the Archway Motor display, just after you enter the center door at the AFRO's show.

One prize is a bonus for those interested in purchasing an Archway Motors new or used car.

A gift certificate given to persons at the Archway display can be redeemed for a complete set of William Rogers and Sons Silverware; service for eight containing 52 pieces, chest included at a $54.75 value.

The second set of prizes will be given the holders of the door stubs given out at the show. This entitles the winners to a complete set of seat covers for their car.

Continental has 16,000 customers

"Reliable Home Repairs Since 1920" has been the slogan identified with Continental Home Improvement Company by Baltimoreans for nearly a quarter of a century.

Since its founding, Continental has grown to be one of the largest companies in this field in the Eastern part of the country, maintaining its office at 217 N. Calvert St.

Continental's displays will be in booths Nos. 22 and 23 at the AFRO Cooking School.

Some of the many services offered include Apartment Conversions, Club-Rooms, Bathrooms, Kitchens and Carpentry.

Other types of work also regularly done are papering, painting, roofing, tiling, porches, fire-escapes, storm windows, etc.

Foremen - Direct

All work is under the direction of the Company's superintendent and the respective foremen in each of the above departments.

A permanent staff of workmen perform the work without the use of sub-contractors, in order to give better quality workmanship.

Several workmen have been with the company almost since its inception in 1930. There are several family groups and second generation employees in every department.

This means that the homeowner is assured of competent well trained workmanship and service.

25 Ways To Pay

The major part of the work done by Continental is on a cash basis, but the Company maintains one than 25 different methods of convenient monthly payment plans.

Some of these plans reflect the lowest interest rates offered in the home improvement industry. Homeowners can get as long as 15 years to pay for their improvements.

A new method of saving a customer's money was initiated last year.

Homeowners frequently take care of the easy part of the job and the contractor does the difficult or more hazardous stages. Such work hand in hand to provide economy for the homeowner and a satisfied customer for Continental Home Improvement Company.

The more frequently used plan is in the third department. Continental burns and sands all the areas to be painted. The homeowner takes care of the lower part of the building with material supplied by the company. The upper part of the home and complicated areas are painted by the contractor.

Similar plans are used in constructing additions, club cellars and kitchens.

14,000 Customers

An indication of the reliability and responsibility is found in that more than half of the company's annual sales are derived from its more than 16,000 satisfied customers.

Presently there are several hundred customers who have purchased 10 or more jobs through the years.

In addition to residential contracting, Continental has remodeled or redecorated or enlarged churches.

No job is ever too small or too large to be competently handled.

Estimates are furnished without charge, as well as plans, suggestions and designing. Monthly payment plans are always available to suit the pocketbook of the homeowner.

American Kitchens cabinet sinks popular

One of the grand prizes at the cooking school will be the American Kitchens cabinet sink which will be used on the stage.

It will be awarded at the Thursday night closing session to the holder of the lucky ticket. American Kitchens is represented in Baltimore by Southcomb - Mapp kitchen supply house at 2023 Frederick Ave.

This model, No. LSS400 has a roomy 54 - inch double drain board. It's an excellent choice for all but very small kitchens.

It features three large storage compartments and four drawers.

For smaller kitchens, the 42-inch space - saver sink is recommended. Drain board is available on either right or left bowl, as preferred. It features two storage compartments, three drawers.

Another favorite among homemakers is the double - duty 48-inch kitchen . . . Laundry model which is actually two sinks in one.

This model has a standard kitchen bowl on right side, and 12-inch deep laundry bowl on left. It is ideal for use where laundry facilities are limited. The drainboard slides to make either bowl instantly available, or may be lifted off entirely.

In Memoriams

ADDISON—In loving memory of our dear brother, CHARLES H. ADDISON on this date, May, 12th.

We do not need a special day
To bring you to our minds.
The days we do not think of you
Are very hard to find.
If all the world were given to give
We'd give it, yes, and more.
To see the face of our loved one
On this, his Birthday Morn.

SISTERS AND BROTHER

DEANE—In loving memory of my dear private bath and dressing room, Apt. 1, Rear. Phone Mr. Shed.

That cell of a heart has stopped
But the lonely tears of the after year
And remembrances silently borne.
My—lips—cannot tell how I miss you.
My heart cannot tell what to say
God alone knows how I miss you.
In a home that is empty and lone.

Loving Daughter,
HATTIE GARDNER

JOHNSON — In loving remembrance of my dear husband, who departed this life three years ago, May 15, 1951—

Short and severe was his death
Of the one I loved so well;
The blow was hard, the shock severe.
But I loved so dear.

Loving Wife,
AMANDA

JOHNSON—In loving memory of my dear wife and our mother, SADIE M. JOHNSON, who departed this life, May 16 1950.

Loving and kind in all her ways.
Upright and just to the end of her days.
Sincere and true, in her heart and mind.
Beautiful memories she left behind.

Loving Husband
THOMAS H. JOHNSON
Daughter
EVA QUEEN

SIMPSON—In loving memory of our dear son and brother, LeROY, who departed this life, May 15 1953.

It's awfully sad and lonely here.
You have lost one very dear;
It matters not his loved one's
wrong
It was his time, he had to go.
They say when one is called away
That they are facing Judgment Day.
This is true we can not fear.
Where you find God you'll find your dear.
He followed Him all through his life
And He helped to ease his strife.
You see, there's a lot that God can do
If you open your heart and let Him through.
Even though we miss him so
We feel at ease, because we know
He left this earth for a better land.
And his soul now rests in the good Lord's hands.
