Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

Now this new healing substance is offered in ointment form for hemorrhoids under the name *Preparation H.®* The price is only 98¢ a tube including an applicator. The name to ask for is Preparation H—at all drug stores. And remember—if not entirely satisfied—your money will be refunded promptly. *Trade Mark.

Trudeau calls mixed Army a success

PITTSBURGH, Pa. — The integration of the U.S. Army is "now almost 100 per cent complete," and is an unqualified success, according to Maj. Gen. Ivy Intelligence.

Arthur G. Trudeau, chief of Army Intelligence.

The former commander of the 7th Division in Korea made the statement here last week at the annual conference of the National Urban League.

General Trudeau said that the Army did not take on the integration program from altruistic motives, but did so after recognizing that it was not utilizing "valuable manpower most effectively through the inherited practice of segregation."

Robert Wilson wins Fontainebleau award

....with Lulu Jones Garrett

Robert J. Wilson, Morgan State College student, just back from Europe where he studied at the Fontainebleau School of Music in Paris, this summer, has received the Premier Award at that school, and will return there next May for extended study.

He placed first in the vocal competition in which he participated, in Paris, in August.

Mr. Wilson, who is a graduate of the Douglass High School, and who is being hailed as the possessor of one of the finest voices since Roland Hayes, is the son of Mrs. Margaret Wilson of this city.

ELIZABETH HODGE, who will be off ere long to attend the school of social work at Western Reserve, Cleveland, Ohio, was the inspiration for Harriet Jones's supper party, Saturday night.

Harriet had a dozen of the girls in, not only to fete Elizabeth, but to say "Thank you" to the seven hostesses who entertained for her prior to her marriage.

'Twas a shower for the former, with the guests bringing lovely handkerchiefs for Elizabeth, and Harriett gifting her with a handkerchief case.

In addition the hostess gave Grace Hunt a leather book mark (she'll be attending the school of social work at the University of Pennsylvania, in Philadelphia, this year) and wooden book marks to each of the hostesses.

The hostesses included Vivian Pendleton, Mrs. Hodge, Dukye Woods, Mattie Gardner, Marian Banfield, Mrs. Hunt, and Olivia Dixon.

Other guests were five very good friends of Elizabeth: Ruth Brown, Sallie Fletcher, Alma Gray, Maxine Higginbotham, and Dorothea Merchant.

EMMIE WILKES was "at home" on Sunday, in celebration of her daughter, Mae Yvonne, having reached her 12th birthday.

Calling between the hours of one and three in the afternoon were Jackie Finney and her parents, Dr. and Mrs. Albert LaForest; Louise and Eleanor Jetters and their aunt, Mrs. Virginia Jones; Mae Sue Welcome and her mother, Mrs. Henry Welcome; Sylvia Julian and her mother, Mrs. Betty-Julian, Joy Henson, Ellen Aquilla and Mrs. Lena Dickerson.

The service was a luncheon.

THE PITCH AND PUTTER Golf Club members turned themselves into their smartest cocktail frocks and hosted some 200 guests at the Druid Hill, Sunday night.

Know something else? There's gain can swing something besides clubs. They made those perfectly delectable-to-look-at and delicious-to-taste sandwiches . . . keeping another pretty penny for their treasure.

This Saturday and Sunday they will be hosting Easterners at their golf tournaments. Incidentally, the scores Pitch and Putter members garner in the week-end event will be used as qualifying scores for the club championship.

Ere the cocktailer, the president, Marie Murphy, Johnnie Golston and Alma Arvin along with Chink Stewart, Alonzo Tilghman and Joseph Flowers, went to Washington to play in the tournament there. Alma garnered a trophy. All were back for the evening party.

POT-POURRI: Philathea Carter Hall dashed into the Sheraton-Belevdere Hotel, Wednesday night, looking VUHRY much like a returnee from a Paris salon . . . in deepblue suit . . . silver blue mink. She was attending a session held for city-wide real estate brokers. The day before's luncheon had drawn Ed Shipley, Isaac Bristol, Clarence Parham, Woodley Lawrence and Melvin Callaman. Mr. Bristol and Mrs. Hall will represent the local club at the convention in Philly, next month.

At the same place, Friday, the kick-off luncheon of Hill Top Theatre had drawn Adah Jenkins, Erma Dixon, Theresa Waters, Mae Gelman, Lula Patterson, and Vivian Alleyne (who, incidentally was driving snarky new car).

And speaking of cars, Daniel N. Clark (Pinky) shoved off in a pale blue caddy, Monday, for Fayetteville Teachers College in North Carolina, where he will join that faculty this year.

Morgan State College faculty members (there are 111 of them this year) got acquainted, Monday evening, at a splash party in the Edward Hurt Gymnasium. Had oodles of fun!
