VAUGHN GETS AN EYEFUL—Willie Vaughn, of Los Angeles, saw a lot of the fists of unbeaten Rory Calhoun in their Madison Square Garden fight last week. He got some pretty good close-ups, too. Calhoun won via a technical knockout in the 8th round. It was the Brooklyn middleweight's 22nd straight.

## Hurdles record holder stunned by Calhoun win

BAKERSFIELD, Calif. — "Boy, I didn't know you were that good," exclaimed Jack Davis to Lee Calhoun after the North Carolina College hurdler defeated the West Coast luminary for the National AAU 110-meter-hurdles championship at Memorial Stadium here Friday night.

Calhoun finished in his best official time, 13.6 seconds.

The AAU championship was Calhoun's third in as many weeks of California competition. At San Diego on June 9, he won NAIA diadem 14, flat to edge out Elias Gilbert of Winston-Salem, clocked at 14.1

The following week, he made history for NCC at Berkeley in the NCAA finals by speeding to a 13.7 finish ahead of a star-studded field, paced by UCLA's Rafer Johnson.

It was the first time the Eagles of North Carolina had scored points in NCAA competition and the first time the school had won a championship.

In racking up his National AAU championship at Bakersfield Friday night, Calhoun finished ahead of Jack Davis, who broke the world record by flying a 12.4 in the trials, and third place finisher Joel Shankle of Duke.

• • •

IN A telephone conversation from Bakersfield, L. T. Walker, NCC track coach, told the NCC News Bureau in Durham that Calhoun finished "a good three yards ahead of Davis" in the finals.

The victory was a sweet one for Calhoun. Davis had beaten the NCC hurdler in their earlier meetings at Quantico Marines pre-Olympic carnival, at the Compton Relays, and at the Pacific AAU in Stockton.

Moreover, Davis had repeatedly said he didn't think the fleet Gary, Ind., junior, had the stuff to keep it up outdoors. Calhoun, co-holder of world's indoor records, in the 50, 60 and 70 yard high stick event, whipped Davis handily in the short indoor competition in the East last winter.

## White AMOCO-GAS Guarantees

# no lead fouling

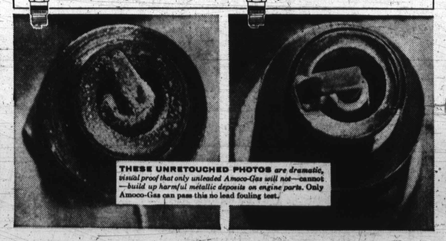
Lead fouling is a power-robber caused by lead that's used in all gasolines but *one*—and that one is clear-white Amoco-Gas. Lead in a gasoline doesn't all burn. Crusty lead deposits form and foul up engine operation—*and that's true of any leaded gasoline regardless of fancy color, fancy pump or fancy name.* These deposits waste octane power. And no *additive* in the world can remove them, once they form.

Amoco-Gas alone can guarantee *no lead fouling* . . . it contains no lead, it can never leave a single lead deposit. Amoco is *100% POWER*—with all the high octane that *any* car can use. *You'll see the difference when you buy it*—only Amoco-Gas is clear white. *And you'll see the difference when you use it*—watch that mileage record improve!

LOOK WHAT HAPPENS TO SPARK PLUGS:

LEAD FOULING — Firing tips "smothered" by lead deposits after 8733 miles of engine operation with a well-known brand of premium gasoline containing lead.

NO LEAD FOULING — Plug firing tips completely free from smothering lead deposits after 8764 miles of operation with white unleaded Amoco-Gas.



THESE UNRETOUCHED PHOTOS *are dramatic, visual proof that only unleaded Amoco-Gas will not—cannot—build up harmful metallic deposits on engine parts. Only Amoco-Gas can pass this no lead fouling test.*

## ALTHEA!

WIMBLEDON, Eng.—Althea Gibson won her way into the quarter-finals in the biggest tennis tournament of them all, the All-England Championship, here Thursday.

Miss Gibson, fourth seeded and the winner of 18 pre-Wimbledon tournaments, defeated Ann Shilock of Great Britain, in a come-from-behind victory.

After losing the first set, the hard-striking Harlem Miss ran out the match. The scores were 4-6, 6-2, 6-1.

Althea began her quest of the coveted women's crown on Tuesday, with a 6-4, 6-2 triumph over 19-year-old Edda Budding, of Germany.

Some nervousness was reported in Miss Gibson's play on opening day and on Thursday, when for the first time she was assigned Wimbledon's famed center court.

In both instances, however, she pulled herself together and overpowered the opposition thereafter.

## Baltimore Cross City meet July 8

What promises to be one of the biggest local-sponsored track and field meets of the season, and certainly the most elaborate the Cross City Club has undertaken, is scheduled for Druid Hill Park next Sunday afternoon (July 8).

Aside from the usual area entries, C. C. Jackson Jr., a member of the CCC board of directors, says that a number of outstanding athletes from other sections is expected.

Morgan State College coach Eddie Hurt and South Atlantic AAU representative J. Marshall Boone have been lining up contestants at the California track meets this week and last, according to Jackson.

The program of events calls for nine competitions in the male division and three for women.

Entries close at midnight Thursday, July 5, with Edward Richardson, 2226 Koko Lane, this city.

BALTIMORE — The annual CIAA football coaches and officials clinic will be held here at Morgan State College on Saturday, August 25.

## 52 tan athletes await weekend Olympic trials

LOS ANGELES — A total of 52 colored candidates for the 1956 American Olympic team are poised here awaiting the final tryouts of the squad that will represent this country in Melbourne, Australia, in November.

The tryouts will take place at the Coliseum Friday and Saturday, with several championship events slated to be shown on television from 5 to 7 p.m., on Saturday.

Heading the list are three record-holders: Ken Bantum, who hung up new marks in the shotput on successive Saturdays at Berkeley and Bakersfield; Arnie Sowell, who also smashed marks in the 800 meters at both the NCAA (Berkeley) and AAU (Bakersfield) events, and Lee Calhoun who, after lowering the high hurdles standard at the NCAA affairs on June 16, went on to beat the fellow (Jack Davis) who had just cracked the world record in the AAU on June 23.

• • •

BANTUM is one of three tan-double qualifiers. In addition to the shotput, the 6-foot-6 Manhattan-College junior is eligible to seek a berth on the discus unit.

Morgan State College's Ken Kave and UCLA's Rafer Johnson also are eligible for two events. The former can hope to make the Olympic squad in the 100-meter dash and in the 200 meters.

Johnson, who is a highly competent decathlon man, is seeking berths in the high hurdles and broad jump.

• • •
