Rec Bureau to field 80 softball leagues

The Division of Amateur Sports of the Bureau of Recreation will have 89 baseball leagues in operation when the Monumental Club and Westport Optimist Cub circuits open on Tuesday, May 29.

Nine Sunday Leagues have been playing since April 29 and 23. Saturday loops opened in early May.

During the past two weeks, the Twilight circuits which number 58, have been getting underway.

Nineteen of the weekday loops will be playing on Mondays with the rest going Tuesday, Wednesday, Thursday and Friday evenings.

* * *

THE UNLIMITED Baseball Leagues that once led the number of circuits on local sandlot roster has fallen to last place. Six are now in operation during the recreation banner. Seven intermediate loops are in operation with 16 juniors playing everyday but Saturdays.

The midget circuits number 26 with the rest of the leagues in the Cub and Little League classification.

On Wednesday, the Monumental Unlimited League will open its season. This is one of the oldest Twilight circuits playing in the city. Some of the top sandlot stars are performing for franchise holders of this loop.

This year ten teams will fight for the championship of the Monumental League.

* * *

THE SEASON opens with Martin Bombers playing the U.S. Coast Guard at Middle River; Marty Welsh battles the Rockets at Clifton No. 1; Union Printers and United Iron and Metal will meet at Herring Run No. 2; Seager's Grill will entertain Glen Burnie at the Spring Grove Oval, and Hampden and the Buffaloes will clash at Druid Hill Park.

Sunday, the Tomahawks will meet the Red Wings and the White Sox will play the Robins at Carroll Park at 3 p.m.

On Monday, May 28, six games will be played in Bureau of Recreation Leagues. All games will get underway at 6 p.m.

The Robins will meet Swindell at Carroll Park; Wildwood will play Our Lady of Victory at Slents; and the Southern Police Boys Club will take on Moose B.C. at Swann Park.

At Hanlon Park, St. Jerome will meet Monastery; Immaculate Heights of Maryland will go against St. Patrick at Herring Run; and St. Anthony will play St. Peter Claver at Radecke.

City's 8 swimming pools open June 23

Eight city owned swimming pools will open on June 23 for the first time on a nonsegregated basis.

An earlier opening date was postponed Friday when the Department of Recreation and Parks voted to hold orientation classes for swimming pool personnel.

The eight pools opening in the city are located in the following parks:

Carroll, Clifton, Gwynns Falls, Patterson, Riverside, Roosevelt, Cherry Hill and Druid Hill Park where there are two pools.

* * *

In November that recreation facilities would be open to all this summer, no reason has been given as to why there was a delay in starting orientation classes.

Recreation department personnel have not been told where the classes will start or where they will be held.

William Schmidt, park board administrative assistant, stated Wednesday that an announcement would be made early next week.

The board opened the city parks 12 days after the U.S. Supreme Court approved a Fourth U.S. Circuit Court of Appeals decision opening swimming facilities to all Maryland citizens.

* * *

FIFTY YEARS ago in Maryland, recreation facilities were opened to everyone. Gradually separate softball diamonds, pools and tennis courts were set up.

In 1952 the NAACP filed a suit against the city claiming their constitutional rights were being violated by the board's segregation policy.

In 1952 the Federal District Court in Baltimore was asked to render a decision in the case.

In July of 1954 the court ruled that segregation in public recreation facilities did not violate the Constitution, providing equal facilities were maintained.

That decision was reversed by the Court of Appeals.

Bonus card at Westport Saturday

Stock car racing patrons are destined for one of the season's biggest programs Saturday night at Westport Stadium when two 25-lap feature races, plus eight other supporting dashes, will be offered starting at 8:30 p.m.

The bonus is a result of last week's rain - abbreviated card which was halted after the first 12-lap semifinal spin, by a heavy weekly races downpour.

This left one semifinal, a consolation and the regular 25-lap completed show and these three events will be run off tomorrow night along with the seven regular

Carver tops D.C. Dunbar

Carver Vocational High School of this city, made good use of their six hits to register a revenge, 5-7, win over D.C. Dunbar here Tuesday at Druid Hill Park.

A triple by Reginald Morant with two mates aboard in the sixth gave the Trainers a 3-5 edge, but Dunbar rallied in her half of the seventh to tie the score.

The victory was sealed when Jim Harvin walked to open the final frame, stole second and went to third on a fielder's choice. He tallied moments later on an error by Dunbar catcher Dan Smith.

In an earlier meeting between the two in Washington, Dunbar was the winner of a 10-7 decision.

Sprint star may miss Olympics

NEW YORK—George Sydnor, sprint sensation of the Villanova track team, may be lost to the U.S. Olympic squad, it was revealed here this week by Villie coach Jumbo Jim Elliott.

Sydnor pulled the hamstring muscle in his right leg during a strenuous workout in preparation for the IC4-A championships, held Saturday at Randalls Island.

Elliott expressed a fear that his fleet sophomore will be forced out of action for several weeks, and that he may not recover in time for the Olympic trials scheduled for Los Angeles, June 29-30.
