Councilman Dixon urges drive for clean alleys

Walter T. Dixon, chairman of the City Council's Health Committee, issued the following statement on Wednesday, in connection with the Police Department's current city - wide crackdown on sanitary law violations:

"It is a well established fact that dirty alleys in which can be found garbage and refuse which provides luscious meals for the RAT POPULATION of our city, could be cleaned and kept in a sanitary condition if we only had the complete cooperation of all of the people.

"We are fully aware of the existing law requiring all containers for garbage to be completely covered when placed out for the sanitation collectors. We also know that there is a penalty attached for failure to abide by the law.

"We wish to make a double-barrel appeal first to our neighbors to refrain from dumping garbage in our alleys, and secondly to our law-enforcing officers, to perform their duty each time a violation is brought to their attention.

"It is the hope of the writer that when the next AFRO Clean Block Campaign gets under way, that the emphasis be placed on our alleys as well as the front steps and yards of the community.

"Cleanliness can really be taught and we should begin at the pre-school child level. Let's teach our children not to throw paper and other debris on the streets. Let's make them acquainted with the trash cans which are provided and placed at convenient places on the streets of our City."

FUTILE EFFORTS — This was the scene on Eastern Ave., Thursday afternoon when two construction workers were buried for 75 minutes in a ten-foot ditch. Although Rescue workers fed oxygen to James Womack and Calvin Joy, both men were dead when they were brought to the surface.

Soldier and bride-to-be die in highwayaccident

"They were going to be married . . .

"He was supposed to be discharged Friday (today).

"This officer came and told me they both had been killed."

Mrs. Beatrice Kendall, of Duckett Lane, Elkridge, was talking about the plans of her daughter and a young soldier who died early Thursday morning when their car veered off a highway and struck a tree, a half mile from her home.

Dead are:

Miss Theresa Cager, 27, of Duckett Lane and Sgt. Hobart Banks, 25, of the 19th Engineer Battalion at Ft. Meade.

* * *

TROOPER JOSEPH Grazesiah, who investigated the accident reported the car, traveling east on Montgomery Rd. in Elkridge, veered left across the highway to strike the tree.

The accident happened about 12:36 a.m. and the couple was pronounced dead on arrival at St. Agnes Hospital in Baltimore.

Troopers reported they had a difficult time freeing the couple from the wrecked 1954 car because the front seat slid forward when the vehicle crashed into the tree.

Reason for the accident and extent of damage to the car was not immediately available.

* * *

MRS. KENDALL said her daughter, a divorced mother of two children, had known Sgt. Banks for about eight months.

"They left the house about 7:30 yesterday evening. I do not know where they were going but Theresa wore street clothes and her friend was in civilian clothes.

"I heard about the accident when my two brothers came home from work and said they had seen the wrecked car.

"I was getting ready to go to the hospital and had reached the kitchen when this officer came in. I was expecting to hear him say they had been hurt, but he told me they both had been killed."

* * *

THE FT. MEADE Public Relations office said Sgt. Banks listed his next of kin as Mrs. Iretta Regina Banks, his mother, of Alpoca, W. Va.

He was completing a tour of four years and nine months in service. This included a stint in Japan. He entered the army in Ft. Bragg, N.C. and did not have a combat record.

In addition to her mother and step father, Mr. and Mrs. George Kendall, Miss Cager is survived by her two children, Michael, 7 and Rita, 5.

Funeral services were incomplete at press time.

DIES IN CRASH — Miss Theresa Cager, of Elkridge, who was killed along with her soldier fiance Thursday.

—Queen

(Continued from Page 1)

stood at rigid attention as the 100 piece Marine band played the National Anthems of both countries.

Most colorful of the diplomatic corps who greeted the queen was the representative of the newly liberated state of Malaya, Ismail Bin Dato Abdul Rahman, who was resplendent in native costume of orchid and gold with an official dagger dangling at his side.

Representing Ghana were charge de Affairs, Seth Thomas and Mrs. Anthony.

He is the ranking official of that country in the states until an ambassador is assigned.

All of the military units participating in the ceremonies were on an integrated basis.

Representatives of all of the darker nations were included on the official reception list at the British Embassy Thursday evening.

—Sees Faubus

(Continued from Page 1)

Faubus was decent about the whole thing." Mr. Robinson said with the explanation that the executive had acted solely as a "host" who realized his guests had not come to discuss a problem.

Mr. Robinson also denied that the Faubus visit was in any way designed to embarrass Maryland's Governor McKeldin who has been a constant critic of the Arkansas governor's actions.

Others at the breakfast meeting were State Sen. John Grason Turnbull (D. Baltimore County), Sherman Flanagan (R. Carroll), and Edward S. Northrop (D. Montgomery) and Delegates Lloyd L. Simpkins (D. Somerset), and A. Gordon Boone (D. Baltimore County.)

said this in a letter this week to Orbal Faubus, governor of Arkansas.

Senator Goodman urged the governor to "eliminate the present situation in Little Rock." He pointed out that Faubus had "the means, power and ability to do so."

* * *

THE MARYLAND State senator told Faubus that "The Little Rock incident encourages anarchy, mob rule and the complete breakdown of our way of life.

"All good Americans know that in order to keep the basic principles of Democracy strong, we must abide by and obey the law of the land." Mr. Goodman told Faubus.

Sen. Goodman writes Faubus

"Regardless of your personal feeling, you, as governor of the great state of Arkansas, should take a lead in preserving law and order."

Senator Philip H. Goodman,

Four face jury on robbery charge

A woman and three men arrested in connection with the armed robbery of a liquor store last Tuesday night were held on $5,000 bail each Monday for grand jury action by Magistrate Linwood G. Koger Sr. in Northwestern Police Court.

Held were James E. Goodrich, Mrs. Dorothy Goodrich and Frederick D. Corbin, all of the 1300 block of N. Carey St., and Joseph E. Lampkins, of the 500 block of Pressman St.

They are charged with assault and robbing at pistol point Harry's Liquor Store, 1154 N. Stricker St., and night clerk William Levi, of $80.82 plus liquor that brought the total involved to $93.62.

Each entered not guilty pleas.

* * *

INVESTIGATING OFFICERS were Sgt. George Andrews, Sgt. Joseph Schramel and Officers Eugene Price, James Gilbert, Robert Holland and Stephen Tabeling.

Officers Price and Gilbert answered the robbery call about 9:38 p.m. Oct. 8.

Mr. Levi told them a man with a Hitler-type mustache who had entered a few minutes earlier asking about a telephone, had returned with a pistol and an "abrupt-talking" woman companion who kept her hand in her pockets, and robbed him.

"Keep your hands on the counter or I'll blow your head off," he said the woman ordered him.

He said they escaped in a car which had been double-parked outside his place. He said he fired three shots at the car before calling police but did not know if he hit the automobile.

Lampkins, in whose name the car is registered, was arrested less than an hour later when he called to report his auto had been stolen while he was in a bar, police said.

Investigating officers said he still had the car keys in his pocket but the car had not been short-wired for use.

The others were arrested later at the Carey St. address.

146 treated for home accidents

WASHINGTON

The District Red Cross Safety Services reports 146 residents treated at local hospitals last week because of home accidents.

In addition 10 deaths were reported.

The breakdown of injuries lists 63 falls, 6 burns, 15 poisons, 9 foreign bodies in the ear, nose, throat and stomach, 20 cuts and 33 unclassified.

Science Shrinks Piles
New Way Without Surgery
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.
In one hemorrhoid case after another, startling improvement was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H.* Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
