(Continued from Page 1)

55, 500 block 24th St., NW. Washington, who took refuge behind the First and Fifth Amendments a total of 21 times in refusing to answer queries concerning Red activities.

"Are you presently the leader of the Communist party in the District of Columbia?" Mr. Johnson was asked.

The handsome, copper-colored Washingonian, who described himself as a cook, invoked the Fifth Amendment in refusing to answer this question before the subcommittee, Wednesday.

• • •

HOWEVER, he invoked no privileges when Richard Arens, subcommittee counsel, wanted to know whether he was a member of the National Association for the Advancement of Colored People.

"I don't see where a question like this is pertinent to the hearing," said Mr. Johnson, who later admitted his NAACP membership.

"Have you ever held an office or post of responsibility in the NAACP?" the subcommittee counsel wanted to know.

"No," retorted Mr. Johnson in a loud voice.

Mr. Johnson was the 12th witness called before the subcommittee investigating alleged Communist infiltration in Baltimore industry and civic and social groups.

• • •

ON THE first day of the lively revised hearing two colored Baltimoreans identified by an undercover agent as Communists were called to the witness stand.

They were Levi Williamson, 2700 block Mura Ave., and Joseph Henderson, 700 block Avondale Rd.

The pair hid behind the Fifth Amendment a total of 8 times when questioned about Communist activities at the Bethlehem Steel Corp., where both were employed.

Prior witnesses at this week's hearing had not convicted Mr. Johnson with Red activities before he was called to the stand.

Unlike a number of the witnesses Mr. Johnson displayed no signs of being intimidated and remained calm throughout the interrogation.

He told committee members he was presently employed as a cook in a Silver Springs, Md., restaurant.

• • •

MR. JOHNSON also testified that from 1939 to 1949 he was business manager of a hotel and restaurant employees local in Washington, where he has resided for 30 years.

Shortly before Mr. Johnson was excused the subcommittee counsel asked him if he was willing to immediately work to provide the group with information concerning Communist activities.

"I do not consider this committee a duly constituted committee under the Constitution, and I will not cooperate," retorted Mr. Johnson.

Earlier, Mr. Johnson related that he moved to Washington in 1926 and for a short time attended Howard University.

• • •

THE FIRST member before the committee was Clifford C. Miller, 2443 McCulloh St., a heavy-set man who sported dark glasses for his apparent blindness.

A shipyard carpenter, he requested that the television cameras not be focused on him during his testimony.

Mr. Yerrell, who invoked the Fifth Amendment 22 times, refused to say whether he was a co-chairman of the Maryland Progressive Party or if he ever served as president of the Baltimore Negro Labor Council.

• • •

AT ONE point in his testimony, Mr. Yerrell said, "I've been subpoenaed before this committee and I don't want to be antagonistic, yet I want to be protected under the Constitution."

Showing the witness a photostatic copy of a letter calling for repeal of the McCarran-Walter Act, the subcommittee counsel told Mr. Yerrell:

"I want you to swell up in justifiable pride and tell this committee whether or not you are accurately described as one of the sponsors of this appeal."

Again, Mr. Yerrell invoked the Fifth Amendment.

Harold Buchman, attorney, 4578 Derby Manor Dr., was the last witness to testify at the hearing. He admitted that he was executive secretary of the Progressive party in 1948.

"Did you serve as co-chairman (of the Maryland Progressive party) with Otto Yerrell?" Mr. Arens demanded of the attorney.

"Apparently so," replied Mr. Buchman, "but I have no recollection."

In closing the hearing, Representative Willis said the inquiry in Baltimore has uncovered new fronts and new techniques of the Communist party.

The panel discussion on the topic "Are congressional investigations and the social security program a safeguard or a threat to democracy?" has been postponed. The AFRO was told late Thursday.

The announcement of the postponement was made by Robert Kaufman, chairman of the discussion, who said the sponsoring committee could find no speakers to champion the cause of the security program and there before in the interest of fairness, the needed program would be offered.

The meeting was to have been held at the Mt. Lebanon Baptist Church, 2239 Reisterstown Rd., Friday evening.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids to relieve the pain—without surgery.

In one hospital case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, healing took place, or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this was made possible by new ingredients, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research laboratory. Now ready, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called *Preparation H.** Ask for individually sealed units of Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
