Tan stars annex 15 gold medals in Pan-Am track

CHICAGO — Colored athletes scored the most amazing in Pan - American Games history in the first six days of track and field competition at Soldier Field.

Through Wednesday night, tan stars had accounted for 15 gold medals, 11 second places, ten third and five fourths in cinder competition alone in this third annual international spectacle.

They also dominated the teams which captured three relay events, only one of the 13 athletic making up these strenuous quarters being white. That was Bill Woodhouse of Mason City, Iowa, who ran the third leg on the winning U.S. 400-meter relay team.

As if this were not sufficient testimony as to their greatness, tan stars from the United States and West Indies included nine record - smashing performances among their achievements, and tied three others.

• • •

AS EXPECTED, Ray Norton of San Jose State College, and Lucinda Williams of Tennessee State University, were the major contributors. Norton opped both the 100 and 200-meter sprints and anchored the men's 400-meter relay foursome. Miss Williams turned the same trick in the women's competitions.

Earlene Brown, the affable Los Angeles housewife, also was a double winner for Uncle Sam. Mrs. Brown won the shot put and discus events, setting a new mark in each. She reached 48 feet, 2 inches with the shot and 161 feet, 9½ inches with the discus, thus erasing the records of Ingleborg Derpeiss of Argentina in both.

OTHER RECORDS were set by the following:

Josh Culbreath of Philadelphia, in the 400 - meter hurdles. His 51.2 clipped three-tenths of a second off his own mark set in 1955 games in Mexico City.

Charley Dumas of Southern California, in the high jump. He cleared 6 feet, 10½ inches to better the 6-7 by Ernie Shelton and Herm Wyatt (both colored) in 1955 at Mexico City.

Hayes Jones of Eastern Michigan, in the 110-meter hurdles. His 13.6 lowered by four tenths of a second Dick Attlesey's best at Buenos Aires in 1951;

• • •

ANNIE SMITH of Tennessee State, in the women's broad jump, leaping 18 feet, 9 3/4 inches to erase the 17-9 3/8 of Beatriz Krechmer of Chile at Buenos Aires in 1951.

Berta Diaz of Cuba, in the women's 80 - meter hurdles. She pared two - tenths of a second from the 11.4 by Barbara Mueller in a trial heat here the previous day.

• • •

THE UNITED STATES 400 - meter relay team of Hayes Jones, Bob Poynter and Ray Norton (with Woodhouse). Their combined 40.4 was two - tenths faster then the USA team registered at Mexico City.

The USA's women's 400 - meter foursome of Barbara Jones, Wilma Rudolph, Lucinda Williams and Isaelle Daniels, all of Tennessee State. Clocked in 46.6, the quartet was four - tenths under the United States team of 1955 at Mexico City.

The West Indian Federation's all - tan 1600-meter quartet of Mal and Mel Spence, Basil Ince and George Kerr, which clicked in the spectacular time of 3:05.3, getting nearly two full seconds under the 3:07.2 of the USA combo of 1955 at Mexico City.

• • •

NORTON'S 10.3 seconds in the 100 meters, and 20.6 seconds in the 200, were recordtying efforts. The first was set by Rod Richard of the U.S., in 1955, and the other is a world mark hung up by Andy stanfield.

Both Richard and Stanfield are colored.

• • •

THE OTHER record - equalling victory was that of Isabelle Daniels, who surprised the favored home-town girl, Barbara Jones, to copp the 60-meter dash for women. Her 7.4 seconds barely nipped Miss Jones and matched the clocking of Carlotta Gooden (also colored) of Panama, earlier in the week.

All three girls were credited with the same time, but Miss Daniels was awarded the gold medal for having broken the tape in the hotly contested race.

First places also were acquired by Irvin (Bo) Roberson of Cornell, in the broad jump, with a leap of 26 feet, 2 inches; George Kerr of the West Indies Federation in the 400, on 46.1 seconds, and by Adhemar daSilva of Haiti, the heavy favorite and world champion in the hop, step and jump.

• • •

GARNERING second places were Dick Howard of New Mexico, in the 400-meter hurdles. Ince in the 400-meter run; Gregory Bell in the broad jump; Charley (Deacon) Jones in the 3,000 meter steeplechase;

Herman Stokes of Los Angeles, in the hop, step; Lee Calhoolin inthe 110-meter hurdles; Wilma Rudolph in the women's 100; Carlotta Gooden in the women's 100 and 200, and Margaret Matthews in the women's broad jump.

• • •

THIRD PLACES went to Mal Spence (400), Tony Seth of British Guiana (800), Elias Gilbert (110 hurdles), Ernie Hasley (high jump), Lester Bird (broad jump), Enrique Figerola (100 meters), Bill Sharpe (hop, step);

Carlotta Gooden, Panama (100 and 200 meters for women); Willie White (broad jump for women) — SAM LACY.

Eleven member clubs are to be represented in the huge entry list for the three - day program. They are registered alphabetically as follows:

Century Gun Club, Detroit, Mich.; Deep Sea Anglers and Hunt Club, Washington, D.C.; Falcon Rod and Gun Club, Baltimore (the host); Green Tower Gun Club, Cincinnati, Ohio; Main Line Gun and Beagle Club, Wayne, Pa.; Patuxent Rod and Gun Club, Sandy Springs, Md.; Pioneer Gun Club, Toledo, Ohio; Prescent Duy Rod and Gun Club, St. Louis, Mo.; Twin Sycamore Rod and Gun Club, Tinton Falls, N.J.; Van Dyke Rod and Gun Club, Princeton, N.J.; and Washington Park Gun Club, Chicago, Ill.

An estimated 500 men and women shooters are registered in the competing clubs, approximately 220 of whom are expected.

• • •

THE AFTERNOON of the opening day (Saturday) will be devoted to skeet shooting for the high gun trophy. The contest will involve 100 targets and is open to the tournament field.

On Sunday, the contestants will vie for winner and runner - up trophy in each of three events: 100 - target singles, 50 - target doubles and 50-target shoot for women.

THE CLOSING day's program is divided into four parts. A 100 - target handicap shoot will get things started at 9:30, followed by a 50-target shoot for juniors (aged 14 and under) will have their innings after the lunch-eon break and the whole affair will be brought to a close with a 25-target team shoot, in which an all - star team from the East will oppose a select group from the West.

Officers of the National Skeet are Leyton Weston of St. Louis, president; Dr. E. B. Wetmore of Morristown, N.J., vice president; Armaray Campbell of Toledo, Ohio, secretary, and Dr. F. A. Saunders of Baltimore, treasurer.

Major league scouts eye Clowns in Eastern finale

Bird dogs from three big league clubs are reported tracking the Indianapolis Clowns as they head into Baltimore for their final 1959 showing tonight (Friday) at Westport Stadium.

Evidence is that memory is still fresh in the minds of major league brass that Dewey Griggs came up with a jewel when he plucked Hank Aaron, from the Clowns' roster in 1953, a move that enabled today's Milwaukee Braves to boast the leading hitter in both leagues.

• • •

THE BRAVES are reported to have their Honey Russell watching the funmakers on this last swing of the East. And with Russell are Dave Sinkoff of the San Francisco Giants, and Bruce Thompson of the Pittsburgh Pirates.

Four top prospects appear to be the main points of interest for the ivory hunters. They are centerfielder Byron Purnell, catcher Lou Clark, pitcher Ross Linthicum and second baseman Joe Sambrana.

Linthicum is a 20-year-old righthander with a big curve.

• • •

IN ALL probability, Linthicum will open tonight's game against the Georgia Flyers at 8:15 o'clock. However, it is definite that Ulysses Grant Greene, the ambidextrous wierdy of the Clowns, will see service in a relief capacity.

Owner Syd Pollack reports that the club has been questioned as to the availability of Greene, but that he has indicated that his two-way hitter is not on the market.

"He is an important part of our fun show," Pollock explains. "and we wouldn't think of parting with him — unless, of course, he indicates that he wants to go. We wouldn't stand in his way, although we believe he can earn as much serving his capacity with us, as he could somewhere else."

• • •

IN ADDITION to his unusual antics on the pitching mound (switching from left to right handed as occasion demands), Greene leads a jitterbug routine in the rock 'n' roll portion of the Clowns' comedy show.

Joining Greene in the extra-curricular activities are Nathrrebey Williams, who plays first base in grass skirt and hula barefooted. Also on the fun list are the veteran Ed Hamman, originator of the "shadowball" routines, and the Great Yogi, who coaches on the baselines while performing the stunts of a master contortionist.

• • •

ON THIS final trip, the Georgia Flyers are making a contribution to the laugh show. Bobo Prieto, alone leaving Westport five weeks ago, has earned a reputation as "the screwball of baseball."

His act will be one of the Friday evening features.

Doby goes under knife at Hopkins

A last - minute attempt to avoid surgery having failed, doctors at Johns Hopkins Hospital operated on the ankle of Larry Doby Wednesday morning.

The delayed operation ruled out a hope the former major league star had expressed earlier in the week, and left him uncomfortable through most of Thursday.

• • •

DOBY WAS in high spirits on Tuesday as he told the AFRO he was expecting to be discharged from the hospital the following (Wednesday) morning.

He said that he and his wife, Helyn, who had spent several days here, would return to their home in Montclair, N.J., "as soon as I get the go sign" from Dr. Edmond J. McDonnell.

However, Tuesday evening Dr. McDonnell studied the X - rays of the injured ankle and said he was not satisfied with its appearance.

• • •

THE SURGEAON explained that he had tried to refrain from cutting into the leg after he and Dr. George Bennett, the noted bone specialist, had examined it. He said they decided to set the injury by a method known as "manipulation, hoping it would heal satisfactorily with the help of nature.

The removal of the cast and the subsequent X-rays, however, indicated that the mem ber had not reacted properly.

Dr. McDonnell stated, and he told Doby he felt the operation would be necessary.

• • •

"HE SAID if I intended to play ball again, I'd better have it cut," Larry told the AFRO early Wednesday before his trip to the operating room.

"While I haven't even thought about baseball — I've had my mind only on getting well — my wife and I decided it probably would be best to have it done."

Doby suffered a fracture of the right ankle in a game at Sa Diego days ago.

He was flown, on orders of Chicago White Sox owner Bill Veeck, to Johns Hopkins to be under the care of Dr. Bennett, to whom scores of big league athletes have turned in such cases.

• • •

THE 34 - YEAR - OLD outfielder started with the Cleveland Indians in two World Series — 1948 and 1954 — and twice won the American League home - run championship. He was selected six times to the top centerfielder in the AL.

In addition to Cleveland and Chicago, he spent brief periods with the Baltimore Orioles and Detroit Tigers — SAM LACY.

Newstip kitty bubbles over, winners get $76

The Newstip Kitty bubbled over to $76 this week but it was okay with the Tip editor. He feels he got more than his money's worth from the flow of calls.

Top cash, $25 of it, went to a photographer who shot a group of pictures on young people. Another photog collected $5 for a scene from the Bentalou St. storm and still another collected $5 for a drawing.

The $5 newstip prize went to the first call on the Bentalou St. whirlwind.

Four callers collected $3 each—for the shot man who died at Provident Hospital, Norman who had two women take out marriage licenses and then named as the bridegroom-to-be, the arrest for Lynn Hope and food stolen from ushers at Church.

• • •

FIVE TIPSTERS put in calls to the AFRO that were worth $2 each to them. They were about injured Larry Doby being at Johns Hopkins, two men shot at Poplar Grove and Pennsylvania Sts. woman pinned between car and truck, death of the Rev. T. N. Hodge and the child pinned beneath the car in the 1000 block Payson St.

A total of 14 tips won their callers $1 checks. They were for:

Boy on bike hit by car at Hamburg and Ridgely Sts., raid in the 2500 block Pace St., man caught baby that fell from window, accident at Druid Hill Ave. and Gold St., baby born with two teeth, fire chief appears happy after having to send four pieces of equipment to house car fire.

Also, 4-car crash at 2900 block Mulberry, Daddy Grace baptizes people in the street, policeman shoots man suspected of homicide, Eli leader returns home to find his home demaged by whirlwind storm;

And, 3-car accident at Longwood St. and Arunah Ave. woman shot in the 800 block Vine St. and an accident at Linden and Long.

• • •

EACH WEEK the AFRO has available $50 for newstips and news photos and sometimes, like this week, when the News Tip Editor is in a good mood, he even gives away more money.

All anyone has to do be in the running is to call and say, "I've got a tip." Pictures must be brought to the City Desk, 628 N. Eutaw St. no 5-0015 is the number to call.

It's easy to collect this money.
