HENRYTON NOTES

## Whites celebrate 25th anniversary

By J. C. BURTON

Mrs. Ella White of Henryton and her husband, the Rev. Arthur White were feted by their congregation at Ellicott City Methodist Church on their 25th wedding anniversary.

**The celebration was held with all the pomp and joy of a new June wedding even to a double ring ceremony performed by the Rev. C. E. Johnson.**

The wedding party consisted of the following persons: Mrs. Emily Matthews, matron of honor; Winfield Chase, best man; Bessie Hicks and Carol Gaither, bridesmaids and John W. Johnson and Henry Coleman. The latter is the bride's brother.

The couple's son, Robert White, was ring bearer and the flower girl was Andrea Ball.

The bride wore an ankle length gown of chiffon trimmed with white rose lace with sweetheart neckline and matching full length gloves.

Her veil was of transparent chiffon capped with a Nile princess crown of pearl. Her pumps were white and trimmed with silver.

A reception was held in the church hall. Among the guests were the following: Mary, Meredith and Jean White and Mrs. Lillian W. Thaniel, daughters, and John and Robert White, sons.

These were Mr. and Mrs. William Wright, Mr. and Mrs. James Coleman, Mr. and Mrs. Henry Coleman, with their sons Ronald and Henry.

**HERE AT HENRYTON,** the employees gave a farewell party for Mrs. Mary Bozman, who retired last week after 20 years service at the hospital.

**Jo'in Ward, the vocational therapist, exhibited numerous items made in the shop by ambulatory patients.**

Featured items were lamps and chests made from those ice cream sticks you have been hearing about in radio appeals.

Henryton recently received over 10,000 of the sticks, and in behalf of the patients, Mr. Ward thanks everyone who contributed and collected them.

Mrs. Lilia is very happy about her rennovated classroom. She has begun her 15th year as school teacher to Henryton patients.

Patients attending her classes are afforded the opportunity to keep up with their regular classes. And frequently she receives notes from former patients thanking her for her guidance.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.** Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.
