Project ADAPT prepares for Christmas giving

Provident Hospital's Anti-Drug Abuse facility, Project ADAPT, is once again preparing for its annual Christmas time activity of providing food baskets for needy persons that live in and around the Project ADAPT area. The project is located at 550 W. Mosher Street.

Last year, Project ADAPT was able to provide food baskets for only 50 families. This year, Project ADAPT would like to double, even triple the amount of families receiving food baskets.

According to Mrs. Valerie Bell, the Project Coordinator for the food basket drive, "last year's success makes us very optimistic about the possibilities for this year.

• • •

Last year's contributions came largely from members of the program here at Project ADAPT. This year we are appealing to the general public for help in order to realize our goal of at least tripling the number of baskets given out."

Persons interested in helping Project ADAPT reach its ambitious goal are asked to please contact the project at 550 W. Mosher Street. The telephone numbers are 523-4421 and 523-0264. The ADAPT offices are open seven days a week from 8:00 a.m. to 11:45 p.m.

All gifts and contributions will be greatly appreciated and put to good use. Things like canned goods, fresh meat and vegetables, fruit, etc. will make up the composition of the food parcels. Bushel baskets are needed to pack the articles in for distribution.

Perishables should be delivered on the 24th of December; Non perishables no later than December 20.

In cases where a person or organization does not have a way to deliver their contribution, the project will provide a pick up service.

Until it grows on Christmas trees...

join our Christmas Club for the money you want!

Money for gifts. Money for entertaining. Money for end-of-year expenses. You'll have it when you need it, to make next year's Christmas merrier... if you make sure now. Our 1971 Christmas Club is open. To join, stop at any of Provident's 22 convenient offices.

Morgan alumnus

Melbourne C. Langford, Class of 1916, was given a testimonial banquet a few evenings ago at the Eastern Shore Branch of the University of Maryland, Princess Anne.

The sponsoring organizations were the Somerset County Branch of the NAACP and the Somerset County Men for Progress, He is Executive Secretary of the County NAACP and is President of the Men for Progress.

One of the worthwhile contributions Mr. Langford has rendered in his work with the youth, especially with Troop No. 822 Boy Scouts. Another worthwhile contribution is as Director of the Eastern Shore Morgan State College Alumni. He serves on the executive Committee of the General Alumni Association.

Following his graduation from Morgan, Mr. Langford pursued graduate study at Columbia University, where he earned the Master of Arts degree. His teaching experience was obtained at Wilberforce University, Ohio; Southern University, Louisiana; and Lincoln University, Missouri, where he retired about ten years ago after teaching there for twenty-eight years.

Upon his retirement, he returned to his birthplace, Marion Station, Somerset County, and began his meritorious services to his people and to his Alma Mater.

BE KIND to somebody else this Christmas. Call AFRO's Mrs. Santa and make an appointment to come in and have your picture made with her as you present her your contribution. Call TODAY, 728-6200.

Strauss gift to Provident

Charles Tildon, associate director of Provident Hospital, was present at the 19th Annual Donor Luncheon at Martins West on December 2 along with representatives from other hospitals to receive a $500 contribution from the Edith Rosen Strauss Organization.

This organization, consisting of 115 women, was formed in 1952 to devote itself to helping children who are ill with cancer. They have earned the respect and admiration of the entire Baltimore community, as well as communities throughout the country, through their dedication and devotion to this cause.

Upon receiving this contribution for Provident Hospital, Mr. Tildon commended the organization for its fine work and took the opportunity to announce Open House at the new Provident Hospital on December 11 and 12. Mr. Tildon left the group with words from Laotse, "The way to do is to be."

Other hospitals receiving donations were Kernan, Johns Hopkins, Baltimore County General, Kaplan and University.

The Most Exciting Headache News in Years!

Doctors' Tests In Treating Nervous Tension Headaches Now Made Public

Non-Narcotic Tablet That Needs No Prescription Proves Just As Effective As The Expensive, Leading Pain-Relief Prescription Of Doctors.

If you're one of the many who get tense, nervous headaches, these latest tests by doctors should be of the greatest importance.

In recent medical tests doctors proved a famous tablet that needs no prescription gives the *same complete headache relief* as the expensive, leading prescription of doctors.

These doctors' tests proved, beyond a doubt, that Anacin is *just as effective* to relieve tension headaches, yet Anacin needs no prescription and is far more economical.

With Anacin, headache pain and its nervous tension vanish in minutes. Despite its strength, Anacin is not narcotic. You can take it without getting dizzy or an upset stomach.

Next time take powerful, fast-acting *Anacin*®. Anacin Tablets give the same complete headache pain relief as the leading prescription product for which doctors wrote 21 million prescriptions last year.
