Teachers' union asks for more sick leave

More sick leave and a revised policy on personal leave were two requests presented to the Board of School Commissioners on Thursday by the Baltimore Teachers Union (AFL-CIO) days for each additional year. The union suggested that the total sick leave allowance shall not exceed "in a period of three consecutive years, the total of 195 days."

The BTU said the Baltimore city teachers' sick leave plan initiated almost 20 years ago, with its provisions for whole pay and half pay days "seems out - dated and inadequate . . . It benefits teachers in their early teaching years, this plan rapidly loses its advantage after five or six years."

* * *

REGARDING PERSONAL leave, the BTU wants this considered separately from sick leave. "We recommend the providing of 2 days a year for personal business," the union council statement continued, "(and) specific reasons for requests in leave should not be required."

The board voted yes on a request by the February 1954 class of Dunbar High School A to present a $150 scholarship to an outstanding graduate to be selected by the faculty.

New library branch opens Tues.; program Mon.

A new enlarged branch of the Enoch Pratt Free Library located at Hollins and Payson Streets and Frederick Avenue will be opened for library service to the public on Tuesday, June 9 at noon.

Open house for inspection of the new branch has been scheduled for Monday, June 8 with children invited from 3-5:30 p.m. and adults from 7:30-9 p.m. Brief exercises with City and State officials present will be held at 8 p.m. on Monday.

The new branch library replaces a building at Hollins and Calhoun Streets which dates back to March 1886 and was built by Enoch Pratt, whose gift of funds and buildings to the City of Baltimore established the City's public library system, now supported chiefly by public funds.

The old branch closed on June 2 for removal of its collection to the new Hollins-Payson Library.

Following the opening, the hours of service for the Hollins - Payson branch will be: Monday through Thursday, 12 noon to 9 p.m., Friday and Saturday, 9 to 5:30.

Cubans attack peace walkers

MIAMI BEACH, (UPI) — Seventeen "Peace Walkers" were sprayed with mercurochrome Friday as they entered the final leg of a Canada-To-Cuba march passing out pacifist leaflets and carrying signs demanding "Freedom to Visit Cuba."

Two men, apparently Cuban exiles in their 30's, were arrested after spraying the group wit a blarge syringe, but they were released when the marchers refused to press charges.

The incident left stains on the clothing of about six of the marchers.

The 17 walkers — who include four women and one colored man — are sponsored by the New York-Based Committee for Non-Violent Action. The peace walk seeks "removal from Cuba of all foreign bases — Chinese, Russian and American."

High Court refuses ruling in rail case

WASHINGTON — The Supreme Court refused Monday to rule on a complaint by railroad carmen helpers that their jobs on the Atlantic Coast Line Railroad were being given to white employes designated as car inspectors.

The complaint named the railroad and the Grand Lodge Brotherhood of Railway Carmen of America. It said the rights of colored people to continue in their jobs of oiling and packing wheel bearings would not be fully adjudicated before the Railroad Adjustment Board.

— ELIZABETH CITY, N. C. — Five students at Elizabeth City State College were among 15,000 North Carolinians attending the state's tribute to President John F. Kennedy at Chapel Hill last Sunday.

There's something in a kindred mind
That always leaves a sense behind.
Of true companionship.
The pain of it was to see you go,
Yet memory softens everything—
The grave its victory — death its sting.
We, who loved you, sadly miss you,
We, who held you very dear,
And in lonely hours of thinking
Often feel your presence near.
Though God has taken you away
You are with us every day.
