Masons banquet March 19

Masons from eight Eastern Seaboard States of Ancient Free and Accepted Masons will join the Hiram Grand day, March 19, 9 p.m. for the Lodge in Baltimore on Friday, March 19, 9 p.m. forthe Achievement Awards Banquet at the Famous Ballroom, 1717 North Charles St.

In addition to presentations to distinguished Masons for meritorious service in Masonry, there will be a substantial sum presented to Provident Hospital.

The River Chambers Orchestra will provide the social hour entertainment.

The affair is sponsored by the Hiram Grand Lodge, Clarence Wycoff, grand master, and John J. Thornton chairman of the Master Masons Committee.

Clarence Mitchell, member of the Maryland House of Delegates will be banquet guest speaker.

Reservations for the banquet can be secured at the Masonic Temple, 1203 - 05 Eutaw Place or call NO. 9-9846 and LA. 3-7559.

"BIGGEST YET"—A. D. Anderson, (second from left) auto dealer and head of the A. D. Anderson Foundation, presented the "biggest single contribution" to the Provident Hospital Development Fund to George L. Russell Jr., co-chairman of the fund-raising project. Looking on are Bud Hosford, president of A. D. Anderson Chevrolet; Samuel H. Hecht, co-chairman; and Louis J. Grasmick, chairman of Phase III of the drive which has raised more than one and a half million dollars.

MANS 'Y' BOARD—Miss L. Maurice Cole mans the gigantic totals board as reports are made in the annual Druid Hill 'Y' membership campaign. The final report night will be Monday, Charles P. Howard Jr., campaign chairman, announced.

'Y' campaign set to close Monday night

The annual membership drive of the Druid Hill YMCA closes Monday night when campaign chairman Charles P. Howard Jr. hopes final reports will bring the enrollment above the 1500 -member mark.

In its closing days, the drive appeared to be picking up late momentum after getting off to a slow start. Many workers revealed they had a number of prospects to canvass.

The Rev. Marion Bascom's Pennsylvania Railroad team maintained its lead at last Monday's report session, followed closely by Frank Veney's Southern Pacific, Richard Cummings' New York Central and Cliff Mackay's Atlantic Coast Line.

* * *

BOARD CHAIRMAN, Harold Jennifer Jr., moved up to the "500" Club Monday, joining Edward Z. Watson Jr., James R. Hite, Leroy O. Dyett and the Rev. Marion C. Bascom. Members of this club have raised $500 or more in the campaign.

A $40 family membership was purchased by the Past Exalted Rulers' Council No. 27, Elks.

Introduced by the Rev. Mr. Bascom, the Rev. Robert Newbold, vice chairman of the CANDO (anti - poverty) program outlined the history, programs, plan of action and concerns of the effort.

He said he was greatly impressed with the flexability of the program, pointing out that as next set - up it could move in any direction.

* * *

"OUR WHOLE PLAN," he said, "is people - centered, not program centered, which gives us room for credibility, boldness and imagination."

The major concern, he disclosed, is the need to make sure that the maximum benefits will be achieved for the people for which it is intended.

"We must make sure that they get the full benefit, not someone who is trying to feather his own nest. We must get people who want to do a job, not just people who want a job.

He said one other concern is that the program not be used to "get people in the area to accommodate themselves to ghettoism.

* * *

HE WARNED that "none of us will allow ourselves to feel that this program will be the panacea for all of our problems. It is not a cure - all," he said, "and certainly is no substitute for the kind of thing you're doing here."

NAACP tiles final Veney trial briefs

The NAACP filed its final brief arguing the illegality of the Veney raids in Federal Court last Friday.

Chief Judge Rozsel C. Thomsen, who is hearing the petition for injuctive relief from warrantless "flying raids' makes a decision, two other briefs must be filed.

These written arguments will be filed by the Attorney General, defending the police commissioner's position in the controversial raids, and the three lawyers appointed by Judge Thomsen to study legal questions pertaining to the "novel" case.

THE CIVIL action was taken by the NAACP on Jan. 14 after several persons had complained that their homes had been entered by heavily armed police searching for the Veney Brothers wanted for a hold-up, and the shooting of two police officers, one fatally.

The NAACP maintained that the searches, admittedly conducted without search warrants, violated sections of the Constitution and denied citizens equal protection of the law.

Police Commissioner Bernard J. Schmidt named as defendant in the case, contends that raids were conducted on the grounds of probable cause with the consent of the home owners.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment forms* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

RIGHTS DEMONSTRATION—More than 100 civic and religious leaders journeyed to Annapolis Wednesday, to urge passage of bills to end discrimination in housing, employment and public accommodations. Demonstrators are shown here parading outside the State House, during, the public hearing. Panel 2 shows Sen. Verda F. Welcome talking to the group over a loudspeaker. Standing by is Del. Clarence M. Mitchell 3rd. Both represent Baltimore's 4th District.

Episcopal Diocese of Maryland.

* * *

THE HEARING of the bills was held in the morning before the House's Judiciary Committee. Thomas H. Lowe (D. Talbot) chairman, said afterwards his committee would vote on the measures next week.

A hearing of identical bills before the Senate was held last week by the body's Judicial Proceedings Committee. No committee decision has yet been made.

Senator Verda F. Welcome and Del. Clarence M. Mitchell 3rd (both D. 4th D. Balte.) are leading sponsors of the bills in their respective chambers.

While pledging his full support for all three bills, Gov. Tawes stated he was of the opinion that the measure to ban discrimination in employment stood the better chance of passage at this Assembly session.

Representatives of the Maryland Petition Committee, an organization which fosters racial segregation, also sought an audience with the governor in opposition to the bills Wednesday afternoon, but were not admitted.

Many organizations were represented at both hearings on behalf of the bills, including CORE, the Interdenominational Ministerial Alliance of Baltimore, Greater Citizens for Fair Housing League of Human Rights and Baltimore's Chamber of Commerce.

MARCH 8

The PTA of Mary E. Rodman Elementary School will meet at 7:30 p.m. Mrs. Edith Stidman, president Baltimore City Council of Parents and Teachers, will present the charter. Arthur Scribner is president.

Charge at rights bill hearing branded false

"The statement is untrue. There is no foundation for that statement at all."

A spokesman for the Gas and Electric Company was speaking Thursday, disputing an allegation of racial distrust by the head of the Maryland Petition Committee.

Samuel J. Setta, head of this organization which fosters racial segregation, charged in Annapolis Wednesday that complaints of white women in Luthervile, who expressed fear of the man, forced the removal from that area of a colored meter reader for the Gas and Electric Co.

* * *

THE OCCASION was a public hearing on three civil rights bills before the House's Judiciary Committee, where he appeared in opposition.

The company spokesman told the AFRO there was no official recollection of concentrated complaints against colored meter readers in the Luthervile area, or any other sector.

"We have never reassigned any colored meter readers because of any complaints," he said.

The spokesman stated five colored are among a force of 138 meter readers, all of whom are bonded and wear uniforms.

As a team, he said they work together on assigned sectors of the metropolitan area every working day, without regard to race on the matter of entry to homes.
