Senator predicts heavy US build-up in Vietnam

WAUKESHA, Wis. (UPI)—Sen. William Proxmire, D-Wis., Monday said the United States must be prepared for the possible commitment of "tens of thousands of additional troops and perhaps much more" in Viet Nam.

He also warned of a possible "sharp acceleration of American casualties."

In a speech before the Waukesha Rotary Club Proxmire said the recent increase in the number of guerrillas fighting in South Viet Nam "indicates that this is gong to be a long, hard war.

• • •

"WE CAN expect far greater air losses in the future than in the past," he said. "To date we have been shooting fish in a barrel' in our air attacks against an inactive or non-existent North Vite Nam air force and relatively feeble anti-aircraft.

"Weapons commitments from China and Russia in planes and anti-aircraft are sure to mean a big increase in American Air Force casualties."

Police seek youth wanted in assault

An Eastern district police officer was assaulted by an unidentified youth about 22 early Wednesday morning while trying to arrest a disorderly man in the 2400 block of East Preston St.

Patrolman Ronald Kapp reported that at about 12:15 a.m. he noticed three men walking east on Preston St., who were making loud noises.

As he approached them, he said one of the men observed, "Watch it. There is a policeman across the street," and another answered, "I will punch that policeman in the nose."

The officer said when he approached the man who made the remark and asked his name and address, he became belligerent.

Patrolman Kapp grabbed the man by his arm as he arrested him, and a struggle ensued during which the officer was knocked to the ground.

The man continued to hold onto the officer and in an effort to free himself, Officer Kapp said he struck him on the head with his expandable.

The subject then broke away from the officer, ran west on Preston St. to Montford Ave., and then into an alley.

OFFICER KAPP said he fired one shot in the air and yelled for the man to halt, but he continued to run. The other two men, who had started running, stopped when the shot was fired. They were taken into custody.

McMullen, 43, of the 3600 block of Raymon Ave. stopped and asked the officer if he needed assistance. Officer Kapp asked him to call for help.

Officer Kapp was taken to Johns Hopkins Hospital, then to Mercy Hospital, where he was treated for abrasions of the left side of the neck, right knee and arm. He was released and relieved from duty.

Dog attacks pupil inside her school

Thirteen - year - old Lynette Easter never thought she would be bitten by a dog on the second floor of the Lemmel Junior High School But it happened that way on Wednesday.

Miss Easter, 453 Cummings Ct., was on her way to her homeroom after placing her coat in a locker when she saw the dog chasing some other children.

"Then he got after me. I fell down in the hallway and that's when he bit him. I wasn't paying attention to the thing, I was just scared," the seventh grade student told the AFRO.

Miss Easter said she ran into the room next to her homeroom and later was taken to a hospital by the school nurse, Mrs. Gladys Artis. She was treated and given a thorough checkup.

THE DOG, described by vice principal William Spencer as a brown mongrel type, was remembered by Miss Easter thusly: "He wasn't real big but he wasn't small either."

Mr. Spencer said it had not been determined how the dog made his way into the school but he assumed the animal was a stray and came in along with a group of students who probably paid him no attention.

He said there was a bit of difficulty in getting the dog out because he was quite frisky.

The student's father, Theodore Easter, told the AFRO "I was more than surprised when she told me it happened in school. I do not know what to think."

Her mother, Mrs. Cynthie Easter, came to the hospital and remained with her.

Lynette's sisters and brothers are, Cynthia, 17, senior at Western; Theodore Joseph Carter, 28, of the 900 block E. Pratt St.

Miss Marian Alston of the 2700 block Fisk Rd., told police the incident followed an argument between the two men.

She said that after the shooting the injured man walked to the hospital.

WASHINGTON — (NNPA)— Dr. Albert W. Dent, president of Dillard University, New Orleans, opened the local United Negro College Fund Drive here last Saturday with an address before sponsors and campaign workers at the National Press Club. The local drive seeks to raise $90,000 in the Washington area.

Investigation continues in Murder case

"I don't know how long it will take but you can rest assured that every effort is being made to bring to justice the persons or person responsible for the death of Mrs. Reynolds."

Speaking in reference to the April 11 murder of Mrs. Emma Reynolds, an 81 - year - old invalid of 1707 Harlem Ave., was Captain Wade H. Polle, commander Western Police District.

Captain Poole told the AFRO that nearly a dozen persons have been questioned in connection with the investigation of the case.

Mrs. Reynolds was found by her son-in-law Alfred Dyson, lying on floor of the dining room.

The medical examiner's office reported she had been stabbed in the back 11 times.

THE ELDERLY woman suffered a stroke a year ago, and for the past six months had been confined to her second floor bedroom, relatives said.

The only clue was the report of a neighbor who said she saw a man, about 20 years of age, run from the rear of the house after being attracted by strange noises.
