FOUND DEAD IN HIS CAR

Wendell Carter, Southern High engineer and church organist

As was his custom, Wendell Carter, 47, 111 Elizabeth Ave., Patapsco Park, left home early Saturday to pick up his children who worked the night shift at a restaurant.

'One of the girls called to say he hadn't shown up and my son went to look for him. He found him dead in his car on the side of the road with his lights out and the motor still running,' said his wife, Mrs. Grace Carter.

Death was due to a heart attack.

Funeral services were held Tuesday at Andover Methodist Church, where he was organist, a member of the trustee board and the Methodist Men.

Burial was in Arbutus Memorial Park.

Mr. Carter was employed as an engineer at Southern High School in Baltimore.

In addition to his wife, he is survived by his parents, Mrs. Addie Carter and the Rev. William Carter, assistant pastor of Andover Church, both of Anne Arundel County.

Three sons, Wendell, Cherry Hill; Pfc. Jerome, with the army in Korea; and Wayne Carter, all of Anne Arundel. Mrs. Maxine Clar, Miss Arlene Carter and Miss Erin Carter, all off Anne Arundel County, also survive.

Other immediate relatives are three foster daughters, three brothers, and three sisters.

They are, Misses Rosetta Houston, Hilda Hawkins, Martha Simpson, all of Anne Arundel County; Eugene, Theodore and Sanley Carter, all of Anne Arundel County; and Mrs. Thelma Booth, Anne Arundel County; Mrs. Doretha Boyd, Cherry Hill and Mrs. Eleanor Hammond, Anne Arundel County. There are also four grandchildren.

13 survive Colt cuts, face Cards

NEW ORLEANS, La.—Thirteen colored players arrived here late Friday with the vanguard of Baltimore Colts scheduled to do battle in a pre-season game with the St. Louis Cardinals of the National Football League.

The exhibition game, pitting the Western Division champion Colts against the Runner-up Bowl winners of last January, will not be televised but will be broadcast by radio in Baltimore.

* * *

THE 13 tan athletes are among those who have survived the various cuts by coach Don Shula, and the contingent is made up of five rookie hopefuls along with eight veterans of the Steed organization.

Halfbacks Lenny Moore, Willie Richardson, Al Hammond, Neal Petties and Lenie Lyles; fullback Tony Lorig, guard Jim Parker and end John Mackey comprise the older heads. They are joined by five youngsters who have hung on as nine others of their kind were let out.

This quintet is made up of ends Roosevelt Davis, defensive back George Harold, halfback Bobby Felts of Florida A and M, and flanker Lamar Richardson of Fisk.

Of the lot, Davis, and Harold appear to have solid chances of sticking.

* * *

DAVIS, a 6-5 260-pound eighth round selection from Tennessee State has flashed promise as a defensive end and drew these remarks from defensive line coach Bill Arnsparger:

"The 'Truck' moves well and has shown good pursuit on ground plays.

"Naturally, he's got a lot to learn yet, particularly where getting to the pro quarterback is concerned, but he's willing and has the physical equipment to get the job done."

* * *

IN REGARD to Harold, defensive backfield coach Charlie Winner says "No one can say that boy hasn't had both barrels fired at him. At 6-3, 205-pounds, he has the kind of size you're always looking for to play at halfback.

"That first week in camp must have been a continuous nightmare for him as he chased some of our best receivers, including Raymond Berry, all over the field. His efforts were usually in vain but he was acquiring valuable experience.

"Last Saturday night he battled the receivers all the way and contributed a couple of tackles that shut off possible long gains. If he keeps improving he could cause crowded conditions in the defensive backfield."

* * *

THE NINE who were released from the original tan colony of 22 at the Westminster (Md.) training camp are:

Halfbacks Jim Martin of Fisk, John Bines of Benedict, tackle Jim Gray of Toledo, end Bonnie Shelton of Southern Illinois, John Singleton of Allen and Lemmon Williams of California Western; linebacker Joe Williams of Maryland State, fullback Ray Jackson of Texas Western, and defensive back Jim Strong of Delaware State.

New format announced for Nat'l golf tourney

DETROIT, Mich. — For the first time in the 38 - year history of the tournament, all divisions of the United Golf Association National championship will be stroke play.

Tournament director Paris Brown, of Washington, D.C., announced that the tournament will use the same format as adopted by the United States Golf Association, when it is held here at Rackman Golf Course, Aug. 23-27.

* * *

THE PROFESSIONAL division will consist of 72 holes, with play betinning on Tuesday, August 24 and continuing with 18 holes each day. After 36 holes, the field will be cut to the low 36 and ties for the final 36 holes. The pro purse will be $3,000.

All amateurs will play qualifying round on Monday, August 23, except winners of 1965 UGA-sanctioned tournaments both male and female.

These players will be exempted from qualifying and will automatically be placed in the Championship Flight.

* * *

LEE ELDER of Nashville, Tennessee, is the defending champion in the professional division and Forrest Jones, of Indianapolis, Ind., the defending men's amateur champion.

Other 1964 winners were Renee Powell, of East Canton, Ohio, womens division; Anne M. Robinson, of Chicago, Ill., senior women's division; Ralph Pretlow, of Norfolk, Va., senior men's division 50 57); and LaJoie Cooper of Hampton, Va., senior men's division (58 and over).

Here's how you can use Sunoco's Custom-Blending pump to get top performance and save money, too!

Regular Buyers — Start with Sunoco 190 priced below Sunoco's regular grade, Blend 200. Many cars built to run on regular will get perfect performance with new 190. You save!

Premium Buyers — Start with the Custom-Blend priced just under what you've been paying—Blend 230 in most cases. As long as your car runs perfectly try dropping to still lower-priced blends.

Luxury Buyers — Only a few high performance engines need the tremendous octane power of these two great gasolines. But you'll find that they're great fun to drive with!

REGULAR BUYERS: 190 200

PREMIUM BUYERS: 210 220 230 240

LUXURY BUYERS: 250 260

8 Custom-Blended gasolines at 8 different prices mean top performance for all car owners, lower gasoline bills for most! Whether you use premium or regular, ask your Sunoco Dealer for the one priced just under what you've been paying. All 8 Sunoco gasolines are new!...All improved three ways!

New Higher Octane — provides smoothest, knock-free power in even the most critical engines — new or old. This increased octane means full-powered burning with every drop of Sunoco gasoline. It means more complete burning for cleaner combustion chambers.

New Carburetor Cleaner — cleans carburetor as you drive and keeps it clean! Cleaning action removes deposits from throttle plate and carburetor walls...can save up to a gallon of gasoline each tankful. Clean throttle plate can help eliminate stalling, too.

New Clean-Fuel Filter — filters Sunoco's new gasolines clean as the water you drink! This super-filtering action means cleaner fuel lines and carburetors...actually keeps gasoline up to three times cleaner than the filter on your car's engine.

SUNOCO

to make your car run best while you pay less!
