Ex-White House press aide raps 'bad' cops

WASHINGTON (UPI) — Former White House Press Secretary James C. Hagerty said Wednesday a policeman who takes sides in the civil rights battle is helping his enemies and "betraying his oath of office."

Hagerty warned that a good policeman has to be nonpartisan. If he tries to block a citizen from a constitutional right, Hagerty added, he destroys his usefulness.

"To me it is as simple as that," Hagerty told the graduating class of the FBI National Academy.

As President Eisenhower's Press Secretary, Hagerty said he learned to admire the FBI. But he couldn't give a blanket endorsement to all police departments.

"You know as well as I do that there are outstanding and flagr t examples of police mismanagement, of police brutality," Hagerty said.

But he said he was "getting fed up with attempts to discredit Mr. Hoover and the FBI" and all police departments.

Hagerty, now a vice president of the American Broadcasting Co., said the smear attacks on the police were being led by extremists from both t> extreme right and left.

But they are getting help, he said, from "too many innocents or some well meaning citizens" who do not recognize that the attacks are part of a planned campaign.

KING OF PRUSSIA, Pa. — The Pennsylvania State Conference of NAACP Branches concluded its 31st annual convention Sunday afternoon, Oct. 24, with the installation of Henry R. Austin, Sharon, assistant secretary and Dr. P. Curtis Howard, Coatesville, treasurer.

Mitchell says more federal registrars

BRIDGEPORT, Conn. — Members of the Federal Government to enroll colored citizens as voters were born for the instruction, Clarence Mitchell, director of the Washington Bureau of the NAACP, declared here last week.

Mitchell told the Justice Department had failed to take proper steps to enroll on voter lists the large number of people in the South who are denied the right to vote.

HOWEVER, MR. MITCHELL told the audience of 1,000 that there has been a resurgence of the colored citizen in politics in the South.

He spoke at the Fall Festival of the Bridgeport - Stratford Branch NAACP in the Shakespeare Festival Theater. He pointed out that federal registrars are active in only 20 counties.

Many Southern communities are electing colored people to municipal positions, and it is not just colored peoples votes, but the votes of white people, also, that put them in office," he said.

Mr. Mitchell urged that Northern communities must show their good faith and support of the U.S. Constitution by electing qualified colored people.

The event was conducted to spark membership in the local NAACP branch, and to increase the number of life memberships.

A&P

What Quality Beef Does A&P Sell?

That's a fair question. But not an easy one to answer because we have our own quality standards, different from any other meat merchant.

These standards don't fit exactly the familiar terms you know for grades of meat. As an example, did you know that some beef, graded U.S. Choice, just doesn't meet our "Super-Right" specifications? It's true! You see . . . we don't buy by grade. We use our own high standards to bring you the best values.

That doesn't mean we don't approve of such grading—not at all. It just means we're very fussy about the beef we label "Super-Right." It stands to reason we have to be or A&P wouldn't be America's number one meat merchant.

Are "Super-Right" Meats a good reason for shopping A&P?

They're one of many!
