SELF-SERVICE, PRE-PACKAGED MEATS CAN BE A PROBLEM!

You can see the top side of the meat but not the bottom.
So you wonder.
The steak looks good, but is the bottom all bone and fat?
It's a problem...a problem we've given a lot of thought.
We think we have the answer.
We have a policy.
We put the best side down.
The side you don't see is guaranteed to be equal to or better than the side you can see.
Simple? as ABC.
Effective? No more gamble.
Fair and square? Sure because "We Care."
Is this a good reason for shopping A&P? It's one of many.
