# New Hochschild's opens on Security Square

Hochschild/Kohn has set today (Friday) as the opening date of the new store in the Mall on Security Square, Security Blvd. and Rolling Rd.

This milestone in their history is on the eve of the founding of the original store in November, 1897.

The design of the interior and exterior of the store is contemporary and combines the most recent advances in display material and fixtures with pastel colors as the store's theme.

The ready-to-wear departments are on the Mall Level. Departments for men and boys, as well as the "Action Shop" of fashions for young men, are in close proximity.

Departments for women are arranged in the same manner Sportswear and blouses are adjacent with dresses in a close area with lingerie and loungewear.

Also included is a Contemporary Sportswear shop a Regency Room and a Fur Salon nearby.

Two separate Junior areas with the latest fashions are included.

Other accessory departments, as well as cosmetic and shoes are on this level, as is the Budget shop.

The Budget shop will offer quality merchandise for the entire family.

The Seasonal Shop, located at the Budget Shop, will convert from an indoor outdoor and garden center in the spring and summer months to a toylandd during the holiday season.

The Security Square store will employ approximately 300 people and will be open Monday through Saturday from 10 a.m. to 9:30 p.m.

William Reeves is manager. He was the first manager of the Columbia store which opened August, 1971.

# NAACP President on Schoonfield

Enolia P. McMillan, President of the Baltimore Branch of the NAACP, says:

"After a year of study, reports and recommendations by a citizen's committee, federal and state penal experts, a special grand jury and the city solicitor's office, we still have some elected and appointed officials who lack the desire and will to act constructively on the major issue of the dismissal of Warden Hiram Schoonfield.

"This unwillingness is voiced despite evidence provided by the April riots, incidents of drug traffic, of savage and barbaric sexual assaults on weaker inmates and unhealthy as well as filthy conditions.

"Normally, the above revelations would be more than adequate to justify action.

"Howbeit, when the rules of basic integrity of the Civil Service Commission are flagrantly violated as well, and our public servants seek to protect the violators, those of us who believe in democracy and who know that honesty is a basic ingredient of our public servants, are disturbed at their protests.

"The Jail Board had a duty to act and let Mr. Schoonfield explain to the Commission if he so desires.

"The will to act to benefit Baltimore seems to be the only missing ingredient."

# Ashe Canadian win nets 10G

MONTREAL (UPI) — Second-seeded Arthur Ashe of the United States defeated unranked Roy Emerson of Australia, 6-4, 3-6, 6-2, 7-5 Sunday to win the Rothman's Montreal singles championship and take home $10,000 top prize.

Ashe, who last week went into the finals of the U.S. Open at Forest Hills only to lose to Romania's Ilie Natasie, has now boosted his 1972 earnings in the world championship tennis series to $64,725. In 1971 his total earnings were $98,646. Emerson picked up $5,000 for his efforts.

"I got a lot of good shots, but Emerson gave me a real battle," She said after the match. "I came up with my best service and the best backhand I've had all week."

He said that while the heat inside the Maurice Richard Arena was strong "it certainly didn't affect my game."

Emerson, who just joined the tournament trail at the Montreal session, said "I found it real hot out there. My hands were sweating so much that near the end I couldn't get a proper grip on my racket."
