South Baltimore Notes

By WALTER W. E. HILL

Bethany Baptist Church, Mt. Winans held their Annual Men's Day, Sun. Oct. 22.

The Rev. Calvin Thomas of Mt. Winans First Baptist Church and his male choir presented the message and music for the morning service.

Faith Baptist rendered the evening services.

The day was most successful, both spiritually and financially.

Ralph Scott was chairman; Theodore Brown, co-chairman and Walter W.E. Hill, Jr., secretary.

They raised the amount of $2618.82.

* * *

A group of Mt. Winans and city residents joined with yours truly (Mr. Hill) in fellowship with the Berea Temple's Roller Skating Party held at the Reitzrens Skating Rink Monday night.

A joyous evening was had by all.

* * *

The past meeting of the Mt Winans C.I.G. was a very informative one in that the group was brought up to date on the circumstances confronting the delay in the building of phase 1 of the New Homes in the area.

Mrs. Sadie Blocker, vice president, was given a standing ovation for the wonderful and successful manner in which as chairman of the Steering Committee she handled the Mt. Winans-Westport Booths at the Baltimore City Fair.

Mr. Mays of the Baltimore Chemical and Point Company, Mt. Winans was the sponsor to which we all expressed our deepest thanks.

Annual Men's Day at Star of Bethlehem A.M.E. Church will be held Sun., Nov. 19.

Robert Jackson is chairman of the day and his co-chairman, Donald Price.

The Rev. Roland Howard is Pastor.

Mrs. Rachel Wicks Saulsberry, former resident will be guest speaker Sun. choir and congregation 4 Nov. 26, along with her p.m.

I was sick and he visited me; remember the sick and shut-ins.

The state Mass Transit Administration announced Tuesday the receipt of a $22.5 million federal grant to be used over the next 12 months to finalized the design work, buy needed land and move utilities in preparation for building the area's first mass transit line.

* * *

Commuter trains of the area's mass transit system are scheduled to operate first along an 8.5 mile section from the Reisterstown Shopping Plaza to the Inner Harbor.

This first section is part of a $656 million line stretching from Owings Mill to Friendship Airport and Marley in Anne Arundel County that is expected to be operative by 1978.

The funds were granted by the Urban Mass Transit Administration of the U.S. Department of Transportation.

The state agency has an additional $250 million in grant requests with the federal Administration for construction of the first 8.5 mile section.

The initial section will be elevated until just east of the Reisterstown Shopping Center, run at ground level until just west of Mondawmin and underground the rest of the way east.

We teamed up with black brainpower to put this shopping center on the map.

Progress Plaza in Harrisburg, Pa., was planned by blacks, to be owned and operated by blacks, in the black community. It's a dream come true for the Reverend Leon Sullivan, founder of Opportunities Industrialization Centers of America. And Frank Smith, Jim Brier, Jim Swann and Nick Prim above are some of the people who made it happen.

Our contribution was Frank Smith, who set up an intensive course in all facets of shopping center development. We've also teamed up with IBM and OIC to set up a training center in Harlem. There, young minority people can acquire skills in the computer field. With staff and equipment provided by IBM, a $25,000 grant from the S&H Foundation and the self-help approach of the OIC, the quest for equal opportunity goes on. Our involvement with minorities is a continuing thing, ranging all the way from giving money to helping people help each other.

Homemaking Tips

Lightly brown fresh mushrooms in butter or margarine before using them in combination with almost all foods.

* * *

Basting meat? Try something different — during the last 30 minutes of roasting, try basting with grape juice, apple cider, cranberry sauce, or sweet-sour sauce, you can even use maple sirup for a different taste treat.

* * *

Ever try "fermented" okra. Partially fermented in a salt brine, it has an acid, kraut-like flavor and may be served as a vegetable, but it is usually used in soups or other foods.

* * *

Did you know that most cheeses are made from whole cow's milk? Of course, some are made from skim milk, whey, or mixtures of all three.

* * *

Brown rice has more nutrients than white rice — but not the sales appeal. Brown rice does not cook up as fluffy as white rice, so does not have its eye-appeal. But converted rice or par-boiled rice ranks next to brown rice in nutritive value, according to USDA home economists.

What do doctors recommend for patients in pain?
Doctors all over the country dispense over 50,000,000 of these tablets to their patients each year.
There are many medications a physician or dentist can prescribe for pain. Some are narcotic, many are available only on prescription. But there is one pain reliever, available without prescription, doctors dispense again and again...Anacin.
Each year, doctors give over 50,000,000 Anacin tablets to their patients in pain. If doctors think enough about Anacin to dispense all these tablets, what better recommendation can you ask when you are in pain?
You see, Anacin contains more of the pain reliever doctors recommend most than any other leading tablet.
Headache and dental pain is relieved incredibly fast; minor pains of arthritis are dependably eased for hours; even the aches and pains of colds and flu respond to Anacin. So the tension and depression that can be caused by such pain will be relieved too. And millions take Anacin without stomach upset.
When you're in pain, why don't you follow the practice of so many doctors and take the tablet a doctor might give you in his own office. Take Anacin.
