List okayed as Jail food chief

In a typically uneventful session Wednesday, the Board of Estimates approved the interim appointment of Louis A. List as acting food manager at the City Jail for a period not to exceed six months.

The board also authorized Thomas Coulson to act as a consultant for the same period.

For the six months, Mr. List will receive $7,500 and Mr. Coulson $1,500.

Several months ago (January), the board appointed a 3-member committee to consider and recommend an appropriate management consultant firm in order to establish effective management over food service operation in the City Jail.

• • •

In other action, the board approved a $4,200 Department of Education request for a workshop for intergroup relations in a 'retreat type' conference for the School Community Council of the Urban/Rural School Development Program.

Approximately 60 persons are expected to attend the workshop to be held at the Baltimore Hilton Hotel, April 27-29.

A move to create 16 new positions within the Court Referral Addict Treatment Unit was deferred until later by the board.

The Governor's Commission on Law Enforcement and Administration of Justice had previously approved a budget in the amount of $327,488, effective March 12, 1973, for the program.

The unit will provide medical support in matters of drug abuse for the courts and jail.

• • •

Perhaps succumbing to a 'mild' case of Spring fever, the board appropriated $10,000 to the Department of Recreation and Parks for maintenance work on the Druid Hill Park Conservatory.

The funds requested will be used for the purchase of material such as window sash, paint, putty, trim lumber and metal mullians.

Labor for the project will come from the department's Construction Forces.

Jury tampering denied in murder case inquiry

Annapolis — Following a closed investigation Tuesday of the jury that convicted Michael L. Thomas of the double slaying of two Eastern Shore sisters, trial Judge Matthews S. Evans disclosed that no evidence of irregularities warranting a mistrial was uncovered.

Amid rumors of alleged jury tampering the Anne Arundel County Circuit Court Judge ordered the jury returned to the courtroom for a bench inquiry.

Judge Evans stated that the investigation grew out of charges that one of the jurors had been approached by someone during he trial, though no details of the approach were known.

The jury of nine women and three men had convicted Mr. Thomas nearly a month ago on two counts of first degree murder in connection with the shooting deaths of Patricia Lee Dean, 18, and her sister, Cynthia Marie Dean, 14, at a small laundromat in Hillsboro (Md.).

Sentencing in the case has been postponed pending the outcome of a motion for a new trial. A hearing on the motion was to be held last Thursday, but was layed-over indefinitely.
