Penn Dol Pharmacy serves 7 days a week

DOCTOR OF MEDICINE — Dr. Donald A. Schumer, 39, and owner of the Penn-Dol Medical Center, at Pennsylvania Ave., and Dolphin St., waits on a customer, Mrs. Alice Hannah, 1300 Argyle Ave., at his pharmcy where Dr. Schumer is proud he cares more about "quality" of his drugs. By Roman Hankewycz

"We chose to stay because the area needed us."

That's the statement of Dr. Donald A. Schumer, 39, owner of Penn-Dol Medical Center, and operator of Penn-Dol pharmacy located in the Medical Center at Pennsylvania Ave. and Dolphin St.

Dr. Schumer continued, "And we are rewarded by customers staying with us through the years."

Dr. Schumer has been a pharmacist for some 23 years, "seven days a week," with the last three years spent at the present address. The rest were spent across the street "catty-corner," where Dr. Schumer spent earlier years helping his father Jack Schumer who also was a pharmacist.

* * *

Though his father never received a pharmacist's degree, Dr. Schumer obtained his B.S. from Howard University, where he graduated in 1962. Not only did Dr. Schumer receive his degree in pharmacy, but he was first in his class, and the recipient of 26 other awards.

Keeping pharmacy in the family, he is a man who likes to be classified as a doctor of medicine, Dr. Schumer's wife Bernice is the daughter of a pharmacist, whose location was Edmondson Ave., and Calhoun St.

* * *

Dr. Schumer decided to move from his family's location of 40 years after Provident Hospital moved to its present location on Liberty Heights. At that time, the efforts of the Upton Planning Committee brought to the City's attention the need for an area medical facility where "people can go for most of their medical needs."

"We now only lack the services of a pediatrician," Dr. Schumer said, "but we can and have provided some emergency services." The Center present hours

* * *

are from 9 a.m. to 11 p.m.

In an AFRO article written on the center when it was first started in 1971, a member of the Upton Planning Committee commented that the center would help make Upton "a decent place to live."

Dr. Schumer confirmed this statment, putting it as: "Pennsylvania Ave. is changing for the better. There are a lot more stable families in this area now, Pennsylvania Ave. no longer is as it's reputation would have it."

Dr. Schumer predicts the Upton area of days to come as being "a more settled, and responsible community in the future."

* * *

With only two or three other similar centers in the Baltimore area, Dr. Schumer seemed to speak proudly when he described the Penn-Dol Medical Center as a place where patients can have "all of their medical needs satisfied in one place."

Dr. Schumer noted other pharmacies selling items other than medical needs, and commented, "We sell only pharmaceutical supplies. We believe in quality rather than price."

Noting most highly that he doesn't sell "cheaply made drugs," he says his reward is customers staying with us through the years."

Panel asks pay increase for lawmakers

By Claudette Newson (AFRO Bureau)

ANNAPOLIS — Legislators will make $12,500 a year, The Speaker of the House and President of the Senate, $17,500, the governor, $50,000 and legislators holding other state jobs will not be getting two full pay checks beginning next year if a controversial commission report is accepted by the General Assembly.

So far legislators have called their salary increase from $11,000 per year inadequate.

* * *

However, figures given by the General Assembly Compensation Commission reveal that Maryland lawmakers will become the 7th highest paid state legislature in the nation.

In a separate report, the commission recommends a constitutional amendment raising the governor's salary from $25,000 to $50,00 annually

The report provided the governor will still get approximately $36-29,000 a year as an expense account, but the report did recommend that the monies be accounted for as other state expenditures are.

Presently the governor is not required to detail how the expense funds are spent.

Legislators holding other state jobs, including school teachers, will have a $3,500 limit on their salaries.

This section of the report, which will take effect in 30 days, if legislators fail to act at that time, also drew criticism here in the State House as soon as the report was handed to Gov. Mandel.

Leaders of both houses will be getting a $4,500 salary increment. The report also recommended continuation of the pension plan but provides and gives longtime legislators credit for years of service.

* * *

Expense accounts for legislators will go up from $25 to $35 a day and they will get 12 cents a mile for travel at the same time that the state makes the expected increase for other employees.

Legislators can not increase the recommended pay raises, but can reject the report or reduce the proposed increase.

If they fail to do so in 30 days, the $12,500 pay for members of General Assembly and $17,500 for the presiding officers become effective next year.

Lawmakers' pay hike is meager—Mrs. Moss

Several members of the Legislative Black Caucus and at least one member of the General Assembly Compensation Commission have voiced concern over the proposed $1,500 a year pay hike for legislators.

The commission proposal of a 1975 increase to $12,500 per year from $11,000 was received by Gov. Mandel Thursday.

"I'm kind of speechless," said Del. Hattie Harrison, D-2nd, "I've got to let it sink in." Her only other comment was that she did not think the increase is enough.

Del. Calvin Douglass, D-4th, said that he did not know if the committee had consulted legislators, but other delegates who said their opinions had been polled were still unhappy.

"The increase isn't adequate," said Del. Isaiah Dixon, D-4th.

* * *

In an addendum to the long, detailed report, presented to Gov. Mandel Thursday, one of the commissioners, Mrs. Elizabeth Murphy Moss offered "strenuous objection" to the proposed $1,500 increase for General Assembly members for the next four years.

She disagreed with other members who termed it 'modest,' stating it was 'unrealistic . . . meager . . . and unfair . . .'

"A $2,000 increase (18 per cent) or $2,500 (20 per cent) would have been more reasonable, realistic and just as modest," she said.

"During their deliberations, my fellow commissioners took note of the fact that the cost of living is likely to increase significantly in the next four years, and, in fact, used inflationary factors and increased workload as justification for their $1,500 recommendation," she added.

Calling the increase "meager," Commissioner Moss, in a written statement, filed what she described as a "strenuous objection" to the proposal.

Compensation Commission members, in addition to Mrs. Moss, are Williford Gragg, chairman; Joseph P. Brennen, Edward J. Courtney, William B. Delaney, H. Vernon Eney, Edward G. Uhl, George S. Wills and N. Page Worthington.

This is the second time the commission has set compensation since its creation in the 1970 General Election. In 1971, it set the $11,000 annual rate for General Assembly and $13,000 for the leaders of both houses.

Tormenting Rectal Itch Of Hemorrhoidal Tissues Promptly Relieved

Gives Prompt, Temporary Relief from Such Burning Itch and Pain in Many Cases.

The burning itch and pain caused by infection and inflammation in hemorrhoidal tissues can cause much suffering. But there is an exclusive formulation that in many cases gives prompt relief for hours from this itch and pain so that the sufferer is more comfortable again. It also actually helps shrink swelling of hemorrhoidal tissues caused by inflammation and infection.

Tests by doctors on hundreds of patients in New York City, Washington, D.C. and at a Midwest Medical Center reported similar successful results in many cases. This is the same medication you can buy at any drug counter under the name *Preparation H®*.

Preparation H also lubricates to protect the inflamed surface area and it doesn't sting or smart. In fact, it has very soothing qualities which make it especially helpful during the night when itching becomes more intense.

There's no other formula like Preparation H. In ointment or suppository form.

—Dobson verdict

(FROM PAGE ONE)

the crowded courtroom were Mrs. Leona Carpenter, counselor, Lemmel Junior High School and the Rev. Harold Dobson, uncle of the accused youth.

Before pronouncing sentence, Judge Watts noted that while the Probation Department praised Dobson's background and role as a school leader, it did not recommend lenience.

He said, "There was violence in this case. I will have to give Mr. Dobson a jail sentence."

Before pronouncing sentence, the jurist asked Dobson if he had anything to say. The youth merely shook his head.

He was immobile and stared, as though in a daze, as the judge gave the sentence. There were no outcries in the courtroom crowded with delatives and friends.
