
AFRO General Assembly ANGELA CHATMAN

By Angela Chatman
(AFRO Bureau)

ANNAPOLIS — A hearing was conducted Wednesday on a measure that would give the mayor of Baltimore City the power to appoint the police commissioner for Baltimore city.

House Bill 222, introduced by Del. Kenneth L. Webster, D.-40th), and co-sponsored by Del. Larry Young, (D-38), went before the House Committee on Constitutional and Administrative Law.

It calls for the commissioner to be appointed by the mayor for a term of four years to be concurrent with that of the mayor and for the first term to begin July 1, 1978.

Testifying for the bill, Del. Webster, said, "The Mayor has a degree of dissatisfaction in the fact that the governor had control of the police commissioner."

* * *

Speaking in against the bill was William A. Ganley, director of the public relations for the Fraternal Order of Police, Lodge 3.

"At a recent general membership meeting it was agreed that the police commissioner should be removed as far from political influence as possible. . . . We think the size of the population of Baltimore City and the types of crimes make Baltimore City unique."

* * *

Another measure, considered by the committee, was House Bill 274. Del. Decator Trotter's bill, providing the governor with the power to give rewards for information leading to the arrest of criminals involved in a felony in which a death occurs.

House Bill 274, which has 17 co-sponsors, provides for the issuing of a reward of not more than $5,000 by the governor at the request of the state's attorney of a given subdivision.

The money would be paid upon conviction of the suspect and would be included as an appropriation in the next year's budget.

* * *

Citing the rising rate in the number of murders, on high impact crimes being committed, Trotter said, "Crimes that result in multiple deaths or deaths that have a certain impact on the community would call for this."

Also testifying in favor of the bill were Dels. Nathaniel Exum, (D-25), and Walter R. Dean, D-41) and a member of the Prince Georges Police Department, Joseph Vasco.

* * *

But the most touching witness was Samuel Cooper, Glen Arden, Md., whose daughter had been kidnapped and killed. A reward issued in the city of Glen Arden and the surrounding area for information about the kidnapping, helped solve that crime and another.

"If we don't take action now our society as we know it will go back to the Wild West. This bill would be a step on the long road back to correct some of the heinous crimes that are being committed," said Cooper.

Co-sponsoring of the bill from Baltimore City are Dels. Lena K. Lee, Hattie N. Harrison, Lloyal Randolph, Walter R. Dean, Jr. and Joseph A. Chester.

Co-sponsors from Trotter's home county are Joseph Vallario, Jr. Frank K. Komenda, David Gary Ross, Pauline H. Mennes, Nathaniel Exum, Craig S. Knoll, Andrew O. Mothershead, William R. McCaffrey, Frank P. Pesci, Robert S. Redding, Francis J. Santangelo, and Leo E. Greene.

BILLS INTRODUCED

Sen. Clarence Blount, (D-41) has introduced a bill which would regulate the term of training in a school of beauty culture.

Senate Bill 281, which goes before the Economic Affairs Committee, would require that a School of Cosmetology hire "a consultant, a person licensed to practice medicine and employ and maintain a sufficient number of licensed teachers in order to be certified and registered.

The bill also requires that the school possess "apparatus and equipment sufficient for the proper and full teaching of all subjects of its curriculum."

It also provides for the keeping of daily records of attendance, regular class hours, grades and examinations.

The school terms would be not less than 3 years and 6 months for day school, and not less than 4 years and 6 months for night school. The bill also provides for the changing of the name of the school.

* * *

Sen. Verda F. Welcome, (D-40), has introduced 3 bills.

Senate Bill 296 which has been sent to the Committee on Constitutional and Public Law provides for dividing the working hours of election judges into more than one shift.

It provides for the judges to be paid $30 a shift in Baltimore City; $30 a day in Allegany County; and $20 a shift in the rest of the state.

Sen. Welcome's Senate Bill 326, provides for the licensing and regulation of burglar alarm businesses by the Superintendent of State Police.

Senate Bill No. 328, also by Sen. Welcome, would grant the Human Relations Commission the power to award certain damages it considers necessary upon finding a person, company or group guilty of discrimination.

The bill provides for pay of damages to persons who are victims of sex discrimination; humiliation and mental anguish and provides for the paying of attorney's fees and hearing costs.

* * *

Del. Arthur G. Murphy, Sr., (D-41) introduced two pieces of legislation this week.

The first bill, provides for the return of property that has been seized by police during execution of search and seizure.

He noted that, quite often, property is seized during a search that has nothing to do with a crime. The property doesn't always get returned.

HAND GUN REVIEW

Del. Murphy has also introduced a bill that would make it mandatory that the State Hand Gun Review Board "grant a hearing when requested to review the denial of or restrictions placed upon the issuing of a hand gun permit."

The requests come from persons whose applications for hand gun permits have been denied or from those owning a permit who have it revoked or cancelled by the Superintendent of State Police.

Murphy pointed out that 95 per cent of those requests are denied.

RESOLUTIONS

Del. Larry Young, (D-38), has introduced House Joint Resolution 24 calling for banks to sell food stamps during regular banking hours.

He indicated that, at present, banks only allow food stamp recipients to purchase stamps during two hours on Tuesdays and Thursdays.

"My argument is that this is insufficient," said Del. Young.

Both members of the Baltimore City delegation to the House of Delegates and Sen. Clarence W. Blount (D-41) have introduced resolutions asking that the governor "forestall the sale of the Baltimore Orioles to out-of-state interests" and to work to keep the team in Md.

Black Caucus enters Madison apartments case

(AFRO Bureau)

ANNAPOLIS — Del. Lloyal Randolph (D-40), chairman of the Legislative Black Caucus, sent a telegram to Eugene Henderson, director of the Housing Management Division of the Department of Housing and Urban Development, in concern over the illegal eviction of Mrs. Bertie Montague and her husband from the Madison Park North Apartments, 700 W. North Ave.

Mrs. Montague and her husband, who has a heart condition, have 60 days to leave their low rent home.

Mrs. Montague is outspoken against the management policies of the housing projects and is a member of the Citywide Tenants organization.

She has been accused by the landlord, of encouraging the young people in the building to violate the imposed 6 p.m. curfew.

In the telegram, Randolph noted, "The residents of the Madison Park North suffer from an illegal curfew for the teenagers.

"It is very unfair to Mrs Montague and to the youth," he said.

He also added, "Currently, a curfew bill is being debated in the City Council. Those interested in civil liberties are opposed to the bill because it violates basic civil rights."

He told the AFRO that the Black Caucus will meet to clear up this issue as soon as possible.

Del. Brailey has doubts about public service jobs

(AFRO Bureau)

ANNAPOLIS — Del. Troy Brailey, (D-40) has expressed doubts about the House Emergency Bill No. 296, which would provide 500 new public service positions.

The bill was introduced by Del. John R. Hargreaves (D-36).

On the floor of the house of delegates, Del. Brailey stated, "I am voting for this bill . . . however, I don't think it's going to do what it's supposed to do.

"In my opinion, this bill will not help any of the people who also laid off in the factories of the State of Md."

The bill which was passed by the House by a vote of 132-0, provides for the creation of 500 jobs by the Department of Public Works. It takes advantage of federal funds that have now been made available.

The bill now goes to the senate for consideration.

Volunteer coordinators set meeting

The American Association of Volunteer Coordinators, Region III, will hold an annual meeting and education conference on March 12-13 at the Annapolis Hilton, Annapolis.

The Education Conference is co-sponsored by the University of Maryland.

The purpose of the three day conference is to give participants an opportunity to improve skills in management styles; training methods, and interviewing skills.

Certificates will be presented through the University of Maryland, Department of Continuing Education.

Sen. Mathias urges gas useage cutback

Sen. Charles McC. Mathias Jr. (R-Md.) has urged President Ford to revamp his energy conservation program to aim at sharp cutbacks in gasoline useage without increasing the price of home heating oil, other petroleum products or utility rates.

Mathias said he would support a stiff tax on gasoline if it is coupled with a tax cut for low-and-middle-income taxpayers and an end to excessive withholding of income taxes.

"While I am heartened by the candor and firmness displayed by the Administration in dealing with energy conservation, I am concerned that a number of the President's specific proposals will not accomplish their stated objective and may indeed be antiproductive in the long run." Mathias said in a statement.

He singled out the Administration's proposals for increased import fees on crude oil; deregulation of new natural gas; lifting of price controls on domestic crude oil and enactment of a windfall profits tax.

Mathias said he has asked Treasury Secretary William Simon for his views on an alternative program coupling a higher auto gas tax with income tax cuts and a reduced payroll withholding schedule.

Del. Lloyal Randolph to chair subcommittee

(AFRO Bureau)

ANNAPOLIS — Del. Lloyal Randolph (D-40), has been named chairman of the Subcommittee on Personal Rights of the House Judiciary Committee.

The subcommittee will examine personal rights as they are related to criminal law.

Vice chairman of the committee is Del. Thomas A. Rymer, (D-30) of Anne Arundel County.

Del. Randolph is also a member of the Subcommittee on Criminal Law.

Ash Wednesday opens the 40 days of Lent

Lent, a time of repentance, renewal and rekindling of good faith begins on Ash Wednesday, Feb. 12.

The 40-day period which extends through Good Friday, Mar. 28, culminates the joyous high holy Christian holiday, Easter, on March 30. Palm Sunday is March 23.

Symbolic in its history, Ash Wednesday dates back to the time of the Old Testament and ancient Jewish history.

Ashes and a sack cloth were worn by sinners who wanted to repent when God sent down his prophets.

In ancient history, 40 was a symbolic number signifying the 40 days and nights Noah spent in his Ark while it rained; the 40 years the Jews spent in the desert and the 40 days Jesus Christ prayed and fasted.

Churches of different faiths and denominations hold services highlighting Ash Wednesday. Last year's Palm Sunday palms are burned and the ashes placed on the forehead in the sign of a cross.

DEATH NOTICES are accepted by AFRO Classified up until 10 a.m. on Tuesday and Friday, our days of publication. Make sure your mortician inserts the notice in your community newspaper so your friends and relatives will know when you lose a loved one.
