LEGAL NOTICES

STATE AVIATION ADMINISTRATION
MARYLAND DEPARTMENT OF TRANSPORTATION
NOTICE OF CONTRACTORS
CONTRACT NO. 179
PAVING AIRCRAFT TIE DOWNS AT NORTH RAMP
BALTIMORE-WASHINGTON INTERNATIONAL AIRPORT
MARYLAND 21240

Sealed bids or proposals for the State Aviation Administration and marked "Paving Aircraft Tie Downs at North Ramp, Baltimore-Washington International Airport" as embraced in Contract No. 179 will be received at the Office of Engineering of the State Aviation Administration, Air Cargo Complex, Second Floor, Building "B", No. 22, Baltimore-Washington International Airport, Maryland 21240, until 11:00 A.M., E.D.T., October 26, 1977, and at 11:30 A.M. on this date and place they will be publicly opened and read aloud. Positively no bids will be received after 11:00 A.M.

The work to be done under this Contract embraces the furnishing of all labor, materials, equipment, tools and all associated work necessary for the complete construction of approximately 5,800 square yards, 1½" thick bituminous concrete pavement in the North Ramp area of Baltimore-Washington International Airport as shown on the Contract Drawings and in accordance with the Specifications.

Plans, Specifications and other Contract Documents may be examined without charge at the Office of the Director of Engineering at the State Aviation Administration Office at the Air Cargo Complex of the Baltimore-Washington International Airport, and copies thereof may be obtained at the Director's office upon payment of the sum of Ten Dollars ($10.00) in the form of a check made payable to the "State Aviation Administration." This payment will not be refunded.

Each bid must be accompanied by a Bid Letter (Section L), Bidder's Affidavit and Affidavit of Contractor or Vendor (Section M), a Proposal Guarantee in the amount of five per cent (5%) of the Contract Price in the name of the "State of Maryland," and Affirmative Action Plan, a Performance Bond in the amount of the Contract Price will be required of the successful bidder. A Payment Bond in the amount of the Contract Price is required in addition to the Performance Bond.

Bidders on this work will be required to comply with the President's Executive Order No. 11246 and No. 11375. As a part of the procedure for assisting contractors to comply with the Equal Opportunity Clause, the State Aviation Administration will hold a meeting prior to the opening of bids where instructions will be given in the Equal Opportunity Requirements of the Administration.

No bid may be withdrawn after the scheduled closing time for the receipt of bids for a period of sixty (60) calendar days. The bidder must supply all the information required by the Bid or Proposal Form.

Attention is called to the recent enactment of Chapter 381, Laws of Maryland, 1977, which permits Contractors and Subcontractors to refuse to employ students of the Commissioner of Labor and Industry finds enforces laws that prohibit Maryland residents from employment as workmen on public works in that State.

Attention of bidders is called to Chapter 902, Laws of Maryland, 1977, which places a requirement for disclosure of certain beneficial ownership interests to the Secretary of State of Maryland. It is the bidder's responsibility to familiarize himself with the requirements of this new law.

It is the policy of the Administration that small business enterprises shall have have the maximum practicable opportunity to participate in the project. Further, the successful Contractor agrees to use his best efforts to carry out this policy consistent with efficient performance.

The State Aviation Administration reserves the right to reject any and all bids and or waive technical defects if, in its judgment, the interests of the Administration may so require.

Howard W. Durham, P.E.,
Director of Engineering
State Aviation Administration

Notice of Public Hearing
Maryland Department of Transportation

RE: Purchase and Rehabilitation of Railroad Cars and Locomotives and Improvement of Railroad Station Facilities.

Notice is hereby given that public hearings will be held by the Maryland Department of Transportation at the following times and locations:

7:30 P.M. — Wednesday, November 9, 1977
Main Floor Conference Room
Humanities Building
Montgomery College
North Campus Drive
Rockville, Maryland

7:30 P.M. — Thursday, November 10, 1977
City Council Chamber
Municipal Building
350 Municipal Square
Laurel, Maryland

for the purpose of considering a project by the Maryland Department of Transportation for which financial assistance is being sought from the U.S. Department of Transportation under the Urban Mass Transportation Act of 1964, as amended, providing for improvement of the commuter rail service operated in the state of Maryland by the Baltimore and Ohio Railroad Company, generally described as follows:

1. Purchase and rehabilitation of ten (10) Budd Rail Diesel Cars (RDC).
2. Purchase and rehabilitation of five (5) used passenger diesel locomotives.
3. Purchase and rehabilitation of twenty-five (25) used air-conditioned high capacity coaches.
4. Purchase and installation of push-pull cab equipment in four (4) standard coaches.
5. Minor capital improvements to station on Brunswick to Washington, D.C. line, generally including structure improvements or new waiting structures, parking lot improvements, lighting and signing, and bike facilities. Stations to be improved are Dickerson, Barnesville, Germantown, Gaithersburg, Garrett Park, and Kensington.

Land acquisition is necessary at the Jessup Station and the Germantown Station.

6. Engineering funds for Improvement to the following stations on the Baltimore-Washington line: Beltsville, Berwyn, and College Park. On the Brunswick line: Brunswick, Metropolitan Grove, Kensington, Forest Glen, and Silver Spring. No capital funds are being requested for these stations in the initial grant request.

The project facilities to be acquired are for use in the commuter rail service operated by the Baltimore and Ohio Railroad between Baltimore, Maryland and Washington, D.C. and between Brunswick, Maryland and Washington, D.C.

The project is estimated to cost $16,962,867. A federal grant for 80% of the project cost ($13,570,291.) is being requested. The 20% local share ($3,392,573) will be financed by the Maryland Department of Transportation and the respective counties in which the station facilities to be improved are located.

No families or businesses will be displaced as a result of this project. The facilities to be acquired and the service improvements to be achieved will forward the National Transportation Policy and Maryland transportation and development program for the State and the service benefits will be available to all residents of the areas served by the B&O commuter rail service.

The Department's declaration of environmental impact has been requested and accompanied the application for this project and is available upon request.

This project is in conformance with comprehensive land use and transportation planning for the Baltimore and Washington metropolitan areas. The project is currently under review by the A-95 Clearinghouse agencies for the State.

Consideration of the needs of the elderly and handicapped will be given in the rehabilitation design for cars, locomotives and station facilities. All rolling stock will be rehabilitated to allow for accessibility by the elderly and handicapped. Parking facilities and station structures which are physically altered will be made accessible to the elderly and handicapped. With certain minor exceptions, all station platforms at ground level with immediate access for vehicular traffic, thus affording barrier-free movement to trainside. No changes in platform level are proposed. Railroad personnel are on duty at all stops to offer assistance to the hearing and slightly passengers.

At the hearing, which is being held in accordance with the requirements of the Urban Mass Transportation Act of 1964, as amended, the Maryland Department of Transportation shall afford an opportunity for all persons or agencies interested to be heard with respect to the social, economic and
