WAREHOUSE PRICES SAVE MORE THAN DOUBLE COUPONS!

It will cost you less to shop at Pantry Pride . . . or we'll pay you

Double The Difference

If you can find lower overall prices this week at any other supermarket, Pantry Pride will pay you Double The Difference. Just buy 25 different items worth $20 or more at Pantry Pride. Compare prices on the same items at any other supermarket. If their total is lower, bring your itemized Pantry Pride register tape and the other market's prices on the exact same items to Pantry Pride, and we'll pay you Double The Difference In Cash:

Pantry Pride

"Double Coupons" cost most shoppers more than they save because regular prices must be raised to pay the extra costs. That's why Pantry Pride stopped redeeming "double coupons" and went to Warehouse Pricing instead. And that's why you can still buy your *whole* order at Pantry Pride for less than you can at a store with "double coupons". Of course, it's O.K. with us if you want to redeem your coupons for double at another supermarket, as long as you buy the rest of your order at Pantry Pride. Then you'll *really* save. (Naturally, we still redeem all coupons at face value.)
