(LEGAL NOTICE) PUBLIC SERVICE COMMISSION OF MARYLAND ORDER NO. 65425

IN THE MATTER OF THE APPLICATION OF THE CHESAPEAKE AND POTOMAC TELEPHONE COMPANY OF MARYLAND FOR AUTHORITY TO INCREASE AND RESTRUCTURE ITS SCHEDULE OF RATES AND CHARGES.

BEFORE THE PUBLIC SERVICE COMMISSION OF MARYLAND

CASE NO. 7591

On August 27, 1981, The Chesapeake and Potomac Telephone Company of Maryland filed with the Commission an application requesting authority to increase and restructure its schedule of rates and charges together with revised schedules of rates and charges designed to produce approximately $202,000,000 in additional gross annual revenues, to become effective September 26, 1981.

Pursuant to Section 70 of The Public Service Commission Law, the Commission after consideration and upon its own motion determines and concludes that the aforesaid revised schedules of rates and charges should be suspended in order to provide opportunity for the Commission to determine the justice and reasonableness thereof.

IT IS, THEREFORE, this 4th day of September, the year Nineteen Hundred and Eighty - one, by the Public Service Commission of Maryland.

ORDERED: (1) That the revised schedules of rates and charges filed with the Commission on August 27, 1981, by The Chesapeake and Potomac Telephone Company of Maryland be and the same are hereby, suspended for a period of not more than 150 days from September 26, 1981.

(2) That proceedings as to the justice and reasonableness of the revised schedules of rates and charges hereinbefore suspended be, and the same are hereby, instituted by the Commission.

(3) That parties, who can demonstrate sufficient interest and desire to produce direct evidence and who believe they cannot adequately be represented by the Office of People's Counsel, may request leave to intervene through their own counsel in this proceeding by filing with the Commission twelve (12) copies of a petition seeking intervention, such petition to be addressed to the Commission, American Building, 231 E. Baltimore Street, Fourteenth Floor, Baltimore, Maryland 21202, by no later than the close of business on Thursday, October 1, 1981.

(4) That a Prehearing Conference be, and it is hereby set on Friday, October 2, 1981, at 9.00 a.m., in the Fourteenth Floor Hearing Room, American Building, 231 E. Baltimore Street, Baltimore, Maryland, at which time petitions seeking intervention will be considered and the evidentiary hearing dates set.

(5) That additional hearing sessions, in the service area of the Company, providing opportunity for the general public to present comments to the Commission on the Application of the Company for increased rate and charges, will be specified in an insert to be included with customer bills mailed prior to such additional hearing sessions.

(5) That persons desiring to submit written comments regarding this proposal may forward such comments to the Public Service Commission, American Building, Fourteenth Floor, 231 E. Baltimore Street, Baltimore, Maryland 21202.

PROVIDED, The Chesapeake and Potomac Telephone Company of Maryland shall cause a copy of this Order to be published in four newspapers in general circulation in the Baltimore City Metropolitan Area, in one newspaper in general circulation in the Maryland portion of the Washington, D.C. Metropolitan Area, and in one daily or weekly newspaper in general circulation published in each of the twenty - three counties of the State of Maryland at least one time in each newspaper during the week beginning September 14, 1981, and at least one time in each newspaper during the week beginning September 21, 1981. Certificates of publication shall be filed with the Commission thereafter as promptly as possible.

CITY OF BALTIMORE CONSULTANTS EVALUATION BOARD PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Interstate Division for Baltimore City to certify the qualifications of firms to perform professional services for:

PROJECT NO. 238 — "FEASIBILITY STUDY FOR RECYCLING, REUSING AND - OR REHANDLING MATERIALS DREDGED OUT OF THE BALTIMORE HARBOR"

The Interstate Division for Baltimore City is responsible for the design and construction of the I - 95 - Fort McHenry Tunnel under the Baltimore Harbor. A Corps of Engineers 404 Permit and a State Wetlands License were required before construction could begin. One of the permit conditions require the Interstate Division to undertake a study of the feasibility of recycling, reusing and - or rehandling materials dredged out of the Baltimore Harbor. This study will be accomplished in two phases. The first phase will deal with the feasibility of recycling, reusing or rehandling dredge materials. The second phase will deal with the feasibility of establishing a permanent dredge spoil reuse - rehandling facility in the Baltimore Harbor including a conceptual site plan for the operation of a complete facility. While the emphasis of the study will be engineering feasibility, the environmental and economic impacts are to be developed in sufficient detail to enable a determination of which alternatives may be acceptable in all respects to the various responsible agencies and the public. A detailed Technical Report will be prepared to document the work performed and to address the relevant issues.

It is the goal of Baltimore City that 10 percent of the work will be performed by a certified minority business enterprise and the 2 percent of the work will be performed by a female owned consultant or sub - consultant firm. For information regarding these requirements, please contact Mr. Gerald L. Kreiner, Interstate Division for Baltimore City, 2225 N. Charles Street, Baltimore, Maryland 21218; (301) 396 6299.

Baltimore City hereby certifies that it will affirmatively insure that in the evaluation of application questionnaires, any contract ultimately entered into pursuant to this advertisement, minority business will not be discriminated against on the grounds of race, color, or national origin.

Copies of the draft consultant agreement and scope of work can be obtained from Mr. George G. Perdikakis, Executive Secretary, Consultants Evaluation Board, (301) 396 3350.

Firms desiring to be considered for such professional services should address a brief "letter of interest" to:

Executive Secretary
Consultants Evaluation Board
300 Municipal Building
Baltimore, Maryland 21202
(301) 396 3350

Upon receipt of this "letter of interest" each respondent will be sent an application questionnaire to be completed and submitted alont qith seven copies for consideration. The completed applications and questionnaires will be accepted by the Consultants Evaluation Board until the close of business on October 9, 1981. It should be noted that the completed questionnaire must include all sub - consultant's and - or consultants who will work on the project. These firms must be prequalified to work in Baltimore City.

GEORGE G. PERDIKAKIS,
EXECUTIVE SECRETARY

CITY OF BALTIMORE CONSULTANTS EVALUATION BOARD PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of Public Works to certify the qualifications of firms to perform professional services for the following project:

PROJECT No. 239 — "INSTITUTIONAL BARRIERS TO METHANOL USE IN VEHICLE FLEET OPERATIONS"

The Department of Public Works, the Department of Public Works, Technical Services Division, requires the services of a qualified engineering firm who will be required to do the following for this project:

¼. Develop data collection and analysis procedures, evaluate vehicle performance and prepare final documentation on the technical reliability and economic feasibility of 100 percent methanol fuel in a six vehicle fleet demonstration program. Also, to provide other needed technical advice during the project's duration.

Funds for these services will be paid by the Federal Grant.

Firms desiring to be considered for such professional services should address a "letter of interest" to:

Executive Secretary
Consultants Evaluation Board
Room 300 Municipal Building
Baltimore, Maryland 21202
(301) 396 - 3350

Upon receipt of this "letter of interest", each respondent will be sent an application questionnaire to be completed and submitted along with SEVEN copies for consideration. Out of State Corporations must submit the name of your Resident Corporate Agent with the application. Completed applications will be accepted by the Consultants Evaluation Board until the close of business on October 13, 1981.
