Constant Care Halloween Party

On Friday evening, October 30th Constant Care Community Health Center and the Baltimore Vulcan Blazers hosted their second annual Halloween Party for 200 West Baltimore children.

The purpose of the Halloween Party was to provide children with a safe, enjoyable alternative to door - to - door trick - or - treating which is dangerous, especially after dark.

Approximately 200 children in costume, ranging from ages three to six, attended the Halloween Party, which was held at the Constant Care Professional Building, corner of Division and Mosher Sts.

Entertainment at the party featured a magician act by John Carrington, a cartoon showing, and a performance by the "Twirling All Stars," a drum and majorette group of young people from East Baltimore.

Dr. Harvey Webb Jr., Executive Director of Constant Care and Arnold Reynolds of the Vulcan Blazers were pleased about the large turnout and the fact that all of the children had a good, safe time.

Dr. Webb added that Constant Care is currently conducting a fundraising campaign to finance more of this type of community activity in the future.

All business, community groups, social clubs and individuals are urged to send in their contributions to "The Constant Care Unrestricted Fund" Post Office Box 16439, Baltimore, Maryland 21217.
