Club Dejouir, Inc. installs Columbia Chapter

By Pattie Hodges
AFRO Women's Editor

Columbia fun was the beautiful scene just recently when sixty-four lovely ladies representing seven Dejouir Chapters arrived in Columbia, Md. to install the new Columbia Chapter.

This special occasion was attended by representatives from Richmond, VA, (who sponsored the Columbia Chapter), Petersburg and Norfolk, VA., Washington, DC, Philadelphia, PA and Baltimore.

The Columbia Chapter greeted their special guests before and after the ceremony in white attire, and carried long stemmed yellow roses during the ceremony.

The secret impressive, installation ceremony was conducted by the lovely Dejouir Joyce Melton, National President. Each visiting Chapter was dressed in Black.

Prior to the ceremony all visiting chapter members were invited into a beautifully decorated room for a sherry hour provided by the Columbia Chapter. The newly installed Chapter was excluded.

White and gold was the color scheme used during the installation and luncheon. The round tables were garnished with white linen table cloths, with yellow carnations in the center of each table and gold linen napkins at each place setting.

Just before the luncheon there were lovely gifts presented by each Chapter's president to the Columbia Chapter.

The Richmond Chapter, Columbia's sponsoring Chapter, presented two boxes of engraved stationery with the Club's logo, colors and name; Norfolk Chapter presented an engraved financial Secretary Book; Washington Chapter presented a lovely engraved leather photo album; The Petersburg Chapter presented an engraved gavel; The Baltimore Chapter presented engraved stationery; The Philadelphia Chapter presented an original Gold File Book designed by a member of their Chapter, with the letter "D" and a long stemmed rose on the front cover.

Following the presentations by the Chapters, Mrs. Pinnie L. Ross, original founder of the Columbia Chapter thanked the visiting chapters for their support, with emphasis on the Richmond Chapter, especially to Mrs. Joyce Melton, National President for her concern and counseling during the two years in preparation for this special occasion.

The Columbia Chapter presented each Chapter with a special gift — a white engraved leather guest book. Each member of each Chapter received a long stemmed silk gold tearose. The rose was placed on the left side of each table setting.

In addition, the Columbia Chapter presented a donation to the National Negro College Fund in honor of the Richmond Chapter. Mrs. Ethel Loving, president of the Richmond Chapter, accepted the framed letter.

A personal gift was given to Mrs. Joyce Melton, National President from Mrs. Pinnie L. Ross. In Mrs. Ross's presentation, she became very emotional and tears streamed down her cheeks as they embraced each other. It was a very quiet moment, there were other members of the Columbia Chapter crying, as well as other visiting Chapter members.

Members engaged in a champagne toast just before the buffet luncheon, which consisted of cold cut platters of turkey, chicken, ham and beef, international cheese platter, petite quiche and mini danishes.

While the festivities were taking place, the Diques (husbands of the ladies) were in a hospitality suite — having cocktails and enjoying the football game, playing cards, etc. The out of town Diques were entertained by the Columbia Diques.

At 6 p.m. all Chapter members and their husbands were invited to an Installation Celebration at the newly-built Hawthorne Center in Columbia.

There was food (home-cooked style) prepared by members of the Columbia Chapter.

The menu included fried chicken, roast beef, Smithfield ham, candied sweets, potato salad, jelled salads, hot rolls and butter.
