SATURDAY MORNING......AUGUST 16, 1884.

Edesville Items.

A sad accident occurred here on Friday afternoon of last week which seriously shocked the usual quietude of the village. Little Sadie, the four-year-old daughter of Mr. R. Simpers Tarr, was endeavoring, without the knowledge of her parents, to make a fire for tea—having heard her mamma say, "Hannah (the colored woman) must get papa's supper,"—and while doing so, brought into requisition that oft lamented coal oil. The supposition is, when she lighted the match the oil in the can took fire (as the can itself gives evidence) and exploded, saturating the clothing. She ran out into the road in a light blaze. The mother, Mrs. Wheatley and Mr. C. C. Wood, who happened to be at the postoffice, had their hands badly burned while tearing the clothing off. They succeeded, however, but not until she was very seriously burned. Mr. S. Burgess came up in the meantime and administered to her comfort as best he could and carried her into the house. Dr. Fisher being summoned did what he could. The presumption is that she was burned beyond feeling, as she never complained; simply asked her papa if he would get her new clothes and new shoes, and continued rational until a moment or two before she expired—having thus lived four hours.

Another accident on Sunday night, but not quite so serious. Two of our neighbors, with their fast horses, wished to try their speed in the dark—as the moon had not yet risen. The result was one ran over the other, tearing the top off his carriage and otherwise demolishing the vehicle, capsizing himself and turned out on his left bower, but fortunately did not hurt her—got all the hurt himself. A little dram two and a-half miles away and comfortable quarters did the restoring.

Mr. J. Frank Newman, who has been confined to bed for three weeks, is improving.

The "Francis" and "Wheatley" base ball nines are to play a match game here Saturday afternoon. OBSERVER.

Notes from Fairlee.

"*Audi alteam partem.*" Yes, let us hear the other side. The papers have chronicled several extraordinary results of the late wheat harvest. It costs about ninety-four cents to raise a bushel of wheat at the current rate of labor. Wheat has ranged from eighty-five to ninety-nine cents for shipments made in this vicinity. The fortunate ones can readily calculate their gains, the unfortunates need not try. A friend furnishes the facts following:

Mr. Craner, a tenant on Capt. Isaac Rogers' farm, near Fairlee mills, sowed 18¼ bushels of wheat and applied two tons commercial fertilizer, which cost sixty-six dollars. He secured sixty bushels. How much did he get for his labor from one-half the crop?

Charlie Hurd seeded fourteen and one-half bushels on the lot bought of the executor of Elijah Bond, and applied phosphate costing sixty-eight dollars and fifty cents; he harvested seventy-nine bushels wheat. The landlord is of opinion that the phosphate did not make what was made, but the thorough preparation of the seed-bed. What proportion of this crop rightfully belongs to the tenant?

The statements made of large returns from last fall's seeding, tend to excite hopes and encourage expenditure of money, time and labor on the part of many whose expectations can never be realized.

I have counted the product of a single grain of wheat in good soil, and found sixteen hundred and thirty-two grains. Why may not a field of forty acres give one-half this result, or eight hundred and sixteen bushels for one seeded? SIMON SHARP.

HARFORD'S HARVEST HOME.—The ninth annual "harvest home" celebration of Harford county farmers and their families took place at the Rocks of Deer Creek last Thursday week. The gathering exceeded in numbers all previous celebrations of the kind, five thousand persons being on the grounds. Special and regular trains from Baltimore and Delta brought many, but a larger number came in private conveyances, on horseback and on foot. The point of attraction for those who had not seen the rocks were the King's and Queen's seats and the extended view from the summit, which towers 350 feet above Deer creek. Addresses were delivered by Wm. M. Marine, G. W. Richardson and S. G. Boyd. A brass band rendered various popular airs between the speeches, and at night a dance took place in the pavilion. Many remained for it, the last train leaving at 10 o'clock. The prohibition liquor law was observed and good order was maintained.

LOCAL OPTION ELECTIONS IN MARYLAND.—The last Legislature authorized by special acts the holding of elections in various counties to determine whether spirituous liquors shall be sold except for medicinal purposes, and then only on the prescription of a physician. The election in Chapel district of Talbot county was held on the 9th of July, and resulted in the defeat of prohibition. The following elections are yet to occur: 1884, August 16, St. Mary's county; law, if adopted, to take effect May 1, 1885. November 4, Washington county; law, if adopted, to take effect May, 1885; Prince George's county, resubmission of the question; the act to take effect immediately in the event of its adoption by the people; Dublin district, No. 4, of Somerset county; act to take effect immediately in the event of adoption; Garrett county; law, if adopted, to take effect May 1, 1885; Linkwood district, No. 14, of Dorchester county; law, if adopted, to take effect May 1, 1885. 1885, August 4, Charles county; law, if adopted, to take effect May 1, '86.

TRAGEDY AT TOWNSEND.—A tramp, known as George, boarding with Ned Anderson, colored, at Townsend, shot and perhaps fatally wounded two others on Saturday. While in charge of the two tramps, when a quarrel ensued, George catled in two tramps, when a quarrel ensued, George getting the worst of the fight when assistance arrived. The two men then fled, when George procured an old musket, which was heavily charged, and fired at them, horribly mangling the left side of one, while the other received slight injuries. The wounded men were properly cared for, while George was arrested and taken to New Castle jail.

A STRANGE DEATH of a little girl by accidentally swallowing a lightning bug is reported from Concord, Pa. The child was playing in the yard with a number of other children, at her parents' house, near Odell's factory, and, while laughing and romping about, a lightning bug flew into her throat. The little girl became suddenly ill, and though physicians did everything to relieve her sufferings, she died within a few hours afterwards. This is the first death from such a cause on record.

THE elegant dwelling of Mr. Jas. N. Dawson, on Marley Farm, Dorchester county, Md., was destroyed by fire on Sunday night. Besides silver slate, valuable furniture and papers, something over four hundred dollars in cash were lost. The entire loss is estimated at about eight thousand dollars, on which there was twenty-nine hundred dollars insurance.

THE county tax in Queen Anne's has been fixed at 92 cents—State 18¾—total 1.10¾.

"SUNNYSIDE" PURE BONE AND DISSOLVED PHOSPHATE

Price $30.00 per Ton of 2,000 Pounds. New Bags, 167 Pounds Each.

To those desiring a Dissolved Bone Phosphate, without Ammonia, the action of which is superior to most articles sold as Acid Phosphate or South Carolina Bone, we offer our

"SOLUBLE PHOSPHATE & POTASH FERTILIZER."

Price $20.00 per Ton of 2,000 Pounds. New Bags, 167 Pounds Each.

The above brands are sold and delivered, 12 bags to the ton, and in fine and dry condition for drilling. EXTRA MOISTURE IN A FERTILIZER ADDS TO THE COST. You should count the cost of the Fertilizer by the cost per acre. As the soil requires more of a lower grade Fertilizer to the acre than one of a higher grade, the consequence is that the extra quantity required, the extra labor in applying it, and the poor results obtained, make the lower grade of goods more costly.

With perfect confidence we refer buyers to all who have applied our Fertilizers.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from *Kirby, O., July 3, 1882*: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the *McArthur (Ohio) Enquirer*, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from *Boston, Mass., Feb. 6, 1880*: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from *18 Elm St., Charlestown, Mass., April 14, 1882*, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

Indigestion, the chief obstacle to an acquisition of strength by the weak, is an ailment which infallibly succumbs to the action of this peerless corrective. KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla,* with *Yellow Dock, Stillingia,* the *Iodides of Potassium* and *Iron,* and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
