Kent News.

SATURDAY MORNING..........SEPT. 6, 1884.

The Long, Long, Long Ago.

Faint from afar comes the echoes,
Of the long, long, long ago;
They whisper in the foliage
As it trembles to and fro,
Or swoon on the heart of midnight
As the wild winds come and go;
All, all the tender fancies
Of the long, long, long ago.

Alas, that we cannot recall them
In their early youthful glow!
Nor the faces of those who loved us
In the happy long ago!
They dwindle to the shadows—
We know them, yet fail to know;
Fading, vanishing, dying
In the midst of the long ago.
—*Charles Mackey.*

A SEVERE ARRAIGNMENT.

laine Repudiated by a Leading Wisconsin Republican.

letter has been published from the Hon. d. C. Pound, of Wisconsin, in which he an- ces his purpose to oppose Mr. Blaine and ort Gov. Cleveland for the presidency. Mr. d is perhaps the most distinguished repub- in Wisconsin, and his opposition to Mr. e will cause a profound sensation through- the Northwest. He has for years been an avering leader in the republican party, ays supporting the entire ticket, and has a very prominent in its councils for twenty rs. He was a leading member of the State egislature in 1864, 1866, 1867 and 1869. He was elected Lieutenant-Governor in 1869, and was in 1876 elected to Congress from the eighth district, then embracing more than half the area of Wisconsin. He served three terms in Congress, taking a prominent part. He was chairman of the committee on public lands in the Forty-seventh Congress. At the end of his third term he voluntarily retired from public life to devote himself to private enterprise. His repudiation of Mr. Blaine proceeds from no personal grievance or disappointment, but from a firm conviction that the republican nominee is not the man for the place. Mr. Pound has thousands of friends in Wisconsin. He was a close friend of Garfield, and was strongly urged for a cabinet position. The following are extracts from Mr. Pound's letter:

"Mr. Blaine, in my opinion, embodies most in American politics that is menacing to public morals and integrity in government. With a long public career, mainly distinguished for a sort of declamatory and pugilistic statecraft, he is not the inspiration of a single valuable policy or the author of an important statute, but, on the contrary, has often suggested and supported unwise and bad and opposed good legislation. With a record clouded by suspicion and accusation of jobbery and corruption undefended, he brings to us personal antagonisms which have torn and weakened our party in the past, invading the administration of the lamented Garfield with demands of personal vengeance so virulent as to inflame the spirit of assassination and culminating in the defeat of Judge Folger and consequent election of Grover Cleveland Governor of the Empire State. Mr. Blaine's friends justified their defection, which defeated a most excellent man, by the plea of fraud in one proxy at the State convention.

"But returning to the candidate. Himself a speculator, enjoying a fortune too great to have been acquired by honest industry, legitimate business enterprise, or his country's service at $5,000 a year, he sympathizes with and profits by speculative stock-jobbing and gambling methods of acquiring wealth—methods which have wrought ruin, disgrace and business disaster beyond computation, schooled youth and persuaded middle age to avoid honest and useful industry, made suicide and insanity commonplace, unsettled values, placed the fruits of honest toil in the power of the Goulds and Armours to bear down or bull up in the markets as whim or interest may dictate; methods which recently gave us but an exaggerated illustration of their iniquitous consequences in the Grant & Ward fifteen-million-dollar failure and robbery.

"Reference to Blaine's congressional record relating to subsidies, class legislation, corporative exactions, &c., will readily satisfy the honest inquirer of his uniform support of monopolies and indifference to the common weal.

"The disingenuousness of his letter of acceptance is of further betrayal by its significant silence touching the events of the past three years. Bringing down his historic figures to the present would have revealed the fiction involved in his statements; would have shown a marvelous shrinkage in nominal values; would have noted the downfall of business prosperity and business morals, and would have pictured as few can do so graphically as he the furnace fires dying out, the wheels of factories standing still, wages reduced, beggary usurping the place of labor, bank and business failures, creditors and depositors wantonly defrauded, homes lost, and crookedness in public affairs. Mr. Blaine is objectionable furthermore for the company he keeps, for the friends he has made.

"With no pronounced issues between the two great parties we can safely afford to yield temporary executive control at this time to an honest man, though he be a democrat. And if grave questions of public policy were at issue they cannot be determined by the Executive. This is the prerogative of Congress, the law-making branch, heretofore for a time and now under democratic control. It is vastly more important to good government that the republican party be restored to supremacy in Congress than the administration of law be entrusted to an unworthy partisan surrounded by bad counsel. While Mr. Blaine is known to be unworthy, Governor Cleveland has demonstrated his fitness and worthiness for the position by his fidelity, ability and integrity in the discharge of his executive duties as mayor of Buffalo and Governor of the great State of New York, and in my opinion a very large majority of intelligent and unprejudiced voters believe he should be elected. If one-half of the republican voters who agree in this opinion have the courage of their convictions and vote conscientiously he will be triumphantly elected. The scandals affecting the domestic lives of all candidates should be committed to the political ghouls and enas. While it is my fixed purpose to support Cleveland and Hendricks, it is no less my ermination to support all fit and worthy nomies of the republican party."

A DEMOCRATIC ORGANIZATION has been formed one of the districts of New York to be known s the "Cleaver Guards," and they will be active workers in the cause of electing our standard-bearer to the Presidency. The symbol of the organization is a large wooden cleaver with which they propose to create havoc and distress in the Republican ranks. The following motto has been adopted by the organization:

"We Polk'd them,
We Pierce'd them,
We Buch'd them,
And by the help of God
We'll 'Cleve' them."

If you desire a lower-price manure, which is the cheapest and best for the money, purchase our

"SUNNYSIDE" PURE BONE & DISSOLVED PHOSPHATE

Price $30.00 per Ton of 2,000 Pounds. New Bags, 167 Pounds Each.

To those desiring a Dissolved Bone Phosphate, without Ammonia, the action of which is superior to most articles sold as Acid Phosphate or South Carolina Bone, we offer our

"SOLUBLE PHOSPHATE & POTASH FERTILIZER."

Price $20.00 per Ton of 2,000 Pounds. New Bags, 167 Pounds Each.

The above brands are sold and delivered, 12 bags to the ton, and in fine and dry condition for drilling. EXTRA MOISTURE IN A FERTILIZER ADDS TO THE COST.

You should count the cost of the Fertilizer by the cost per acre. As the soil requires more of a lower grade Fertilizer to the acre than one of a higher grade, the consequence is that the extra quantity required, the extra labor in applying it, and the poor results obtained, make the lower grade of goods more costly.

With perfect confidence we refer buyers to all who have applied our Fertilizers.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are **Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc.** If allowed to continue, **Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption**, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system **Hereditary Scrofula**, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla*, with *Yellow Dock, Stillingia*, the *Iodides of Potassium* and *Iron*, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.

Indigestion, the chief obstacle to an acquisition of strength by the weak, is an ailment which infallibly succumbs to the action of this peerless corrective. Loss of flesh and appetite, failure to sleep, and growing evidence of premature decay, are speedily counteracted by the great invigorant, which braces up the physical energies and fortifies the constitution against disease. For sale by all Druggists and Dealers generally.

AYER'S
Ague Cure

contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no Quinine, nor any mineral nor deleterious substance whatever, and consequently produces no injurious effect upon the constitution, but leaves the system as healthy as it was before the attack.

WE WARRANT AYER'S AGUE CURE

to cure every case of Fever and Ague, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Bilious Fever, and Liver Complaint caused by malaria. In case of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.
