SATURDAY MORNING.....Nov. 15, 1884.

A GALA DAY FOR PRESBYTERIANS.

Editors News :—A most beautiful day, a large and expectant congregation, and attractive edifice, all contributed to make the dedicatory service of the Worton Presbyterian Church on Sunday last deeply interesting. Arriving on the ground at the appointed hour for morning service your reporter found the new and beautiful church edifice filled to overflowing with people from far and near. Representatives from Westminster and Grace Presbyterian churches, (Kent county,) were of course on hand having deeply at heart the interests of this their sister church. The dedication services were held in the afternoon, but the usual Sabbath services were observed in the morning and a clear and excellent sermon delivered by the pastor of this people, Rev. Mr. Dewing, who preached from Psalms xx. 5, "in the name of our God we will set up our banners." The morning worship ended the friends from a distance were invited to a sumptuous collation prepared by their warm-hearted Worton brethren.

At the 3 o'clock P. M. service an able sermon from the lips of Rev. W. W. Reese was read with evident interest, after which Mr. Dewing made an earnest appeal to the people for aid in extinguishing the remaining debt upon the church. In a peculiarly happy manner he was instrumental in securing pledges and cash to the amount of $260. Alluding to what had been done by his congregation in its few months past, during which the building of the church was inaugurated, he stated that no less than the astonishing amount of $1,366 had been raised to further the purchases of this good gospel work. Scarcely 2 year since, from a handful of S. S. workers who held regular sessions in the agricultural building, there had been organized a church of 30 members with a thriving Sunday School and a good congregation, to hear the word of God from Sabbath to Sabbath. Truly, "the hand of the Lord" has been displayed in his matter.

It is scarcely necessary to add that the music upon this pleasant occasion was most excellent. To once know who composed the choir would only be to anticipate just such results in sacred song as we were pleased to listen to on that occasion. We predict for this people a glorious work. With an energetic pastor, a charming church edifice, and God-fearing and zealous membership, why not look for results? That pastor and people lose sight of their true mission as Christ's beloved, who do not look for a steady growth in grace, and the constant awakening and accessions of those once unbelievers. God bless the Worton church.

OBSERVER.

HOG CHOLERA is prevalent in Wicomico county and, in the lower districts along the rivers, several farmers have lost all their fattening hogs, and now that killing time is near, are left without any meat to serve them next year. Reports also reach Salisbury that the disease has broken out in a violent form on Deal's Island and Dame's Quarter, in Somerset. Many farmers who are afraid the disease will attack their swine will slaughter them as soon as the weather becomes cool enough.

SOME favorable event raises your spirits, and you think good days are preparing for you. Do not believe it. Nothing can bring you peace but yourself. Nothing can bring you peace but the triumph of principles.

HONEST or courageous people have very little to say about either their courage or their honesty. The sun has no need to boast of brightness, nor the moon of effulgence.

HE seldom lives frugally who lives by chance. Hope is always liberal, and they that trust her promises make little scruple of reveling today on the promises of tomorrow.

THE action of man is a representative type of his thought and will; and a work of charity is a representative type of the charity within, in the soul and mind.

FREEDOM from low necessities can only come by reaching after higher satisfaction.

NOTICE TO TAX-PAYERS.

THE undersigned, having been appointed collector for the 4th Election District, would inform tax-payers that their accounts are made out and he is ready to receipt them.

Remember the discount to early payers.

He will be at the Court House every Tuesday and Saturday afternoon until further notice.

GEORGE S. BIDDLE,

Notice to Tax-Payers of 3d District.

THE tax books for the Third District are now in my hands and the bill of each individual tax-payer is ready for settlement. I hope that payment will be made promptly, thereby saving me the disagreeable duty of resorting to legal measures.

The law explicitly requires that I shall proceed WITHIN THIRTY DAYS from the date of receiving the books to collect, so that I have no option in the matter.

I may be found at Worton Station every Tuesday afternoon and at the court-house in Chestertown on Saturdays.

SEC. 2. *Be it enacted by the General Assembly of Maryland*, That the several justices of the peace of Montgomery, Prince George's, Harford, Calvert, Anne Arundel, Wicomico, Caroline, Talbot, St. Mary's, Garrett, Howard, Dorchester, Somerset, Washington, Kent, Charles and Allegany counties, shall have, in addition to the jurisdiction which they now possess, and which may be conferred upon them by or under the laws of this State, jurisdiction concurrent with that exercised by the circuit courts for said counties in all cases of assault and battery, and in all cases of petit larceny, when the value of the property stolen does not exceed the sum of five dollars, and in all misdemeanors not punishable by confinement in the penitentiary, which may be committed within their respective jurisdiction in all prosecutions or proceedings for the recovery of any penalty for doing or omitting to do any act, the doing of which or the omission to do which is made punishable under the laws of this State within their said jurisdiction by any pecuniary fine or penalty or penalty or by imprisonment in jail or in the Maryland House of Correction; all of which acts or commissions are thereby declared to be criminal offenses, and said justices shall have power to issue all process and do all acts which may be necessary to the exercise of their said jurisdiction, and may try and determine all cases whereof they may have jurisdiction, and may pronounce judgment sentence therein in the same manner and to the same extent as the circuit court for said counties could in such cases as if such cases were tried before them without the intervention of a jury; provided, however, that if any person, when brought before any justice having jurisdiction of the case, shall before trial of the alleged offense pray a jury trial, or if the State's attorney for said county shall before the trial of such alleged offender pray a jury trial on the part of the State, it shall be the duty of any such justice to commit such alleged offender for trial in the circuit court for the county in which the offense was committed at its next session, if it be then in session, or at its next session, if it not be then in session, and to return said commitment or recognizance with the names and residence of the witnesses for the prosecution endorsed thereon forthwith to the clerk of said court; provided the justice before whom the case is tried shall inform the person charged of his right to a jury trial.

SEC. 2. *Be it enacted*, That constables in the said counties shall be entitled to the fees prescribed by law for the particular services rendered by them under the provisions of this act; and the said justices shall be entitled to charge for their respective services in said criminal cases the following fees: for issuing each State writ, twenty-five cents; for summoning all the witnesses on both sides in any case, fifty cents; for each trial one dollar; for every commitment, twenty-five cents; for every release, twenty-five cents; for taking recognizances in each case reported to the circuit court, twenty-five cents each; for each attachment for contempt, twenty-five cents.

WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to refer all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.
