Those at Amoy, Canton, Chin-Kiang, Callao, Foo-Chow, Hankow, Ning-po and Tien-Tsin receive $3,500; those at Aspinwall, Apia, Buenos Ayres, Belfast, Bradford, Demerara, Glasgow, Havre, Hiogo, Manchester, Matanzas, Nagasaki, Vera Cruz, Valparaiso and Panama, $3,000, and those at Antwerp, Brussels, Bordeaux, Bremen, Birmingham, Cienfuegos, Dresden, Dundee, Hamburg, Lyons, Leith, Marseilles, St. Thomas, Sheffield, Singapore, Santiago de Cuba, Smyrna and Tunstall, $2,500 each.

A Girl Metamorphosed Into a Boy.

A subject, apparently a young girl of 15, appeared for clinical operations at Jefferson Medical College a short time ago. The patient wore short dresses, looked like a young school miss, and had the manners of a girl. The trouble with the patient was an inability to retain secretions of the kidneys. Dr. W. H. Pancoast made an examination, and discovered two exceedingly interesting facts: First, that his subject was not, as his parents had always supposed, a girl, but a boy, and that he had been born minus a bladder. Dr. Pancoast explained all this to the class before which the operation was performed, and then proceeded to supply an artificial bladder, a surgical feat first accomplished by Dr. Pancoast a father many years ago, and now not an uncommon operation. The parents of the supposed girl, now transformed into a handsome boy, at first refused to credit the facts related by the doctor, and would not keep the subject in boy's attire, dressed in which the Professor had returned him to them. A further operation was made at the request of the parents. This was done last week, and so fully developed other organs that doubt was no longer possible. Now in addition to this metamorphosis, the lad has been given a boy's name in exchange for the female one with which he was christened. The Prof. has recently also had another case of somewhat the same nature, although not quite so interesting, the subject being a boy of four years, who had always been supposed to be a girl. The operation in each case was about the same, and both patients have recovered.—*Phila. Rec.*

An Auger to Bore a Square Hole.

The Cleveland *Herald* says the first and only auger ever manufactured that will bore a square hole is now in the shops of the Cleveland Machine Company. This auger bores a two-inch square hole, the size used in ordinary frame buildings and barns, but they can be made on the same principle to bore square holes of any size. Its application is ordinary and works on the same principle as round-hole augers. Its end, instead of having a screw or bit, has a cam motion which oscillates a cutter mounted on a steel rocking knife which cuts on both sides. In order to prevent the splitting of the wood the ends of the cutters are provided with small semi-circle-shaped saws, which help in cutting out perfectly square corners. It is estimated that this new process will save the labor of three men who work with chisels, as one man can conveniently cut a two-inch mortice in the same length of time he can bore a round hole.

Household Hints.

A tablespoonful of turpentine boiled with your white clothes will aid the whitening process.

Kerosene will soften boots or shoes that have been hardened by water and render them as pliable as new.

Boiled starch is much improved by the addition of a little sperm or salt, or both, or a little gum arabic dissolved.

Kerosene will make your teakettle as bright as new. Saturate a woollen rag and rub with it. It will also remove stains from varnished furniture.

Miller's Mysterious Hole in the Ground.

A peculiar phenomenon is reported to have manifested itself recently upon the farm of Jackson Miller, who lives upon the Williston road, four miles from Burlington, Pa. A portion of his farm to the extent of an acre has sunk over thirty feet. The surface is depressed, but retains nearly its normal appearance. The earth upon all sides of the depression is almost perpendicular, and the tops of trees that went down can be reached by persons standing upon the brink.—*Rutland Herald.*

TRUE DIPLOMACY is the art of hiding your money where your wife cannot find it, and then to lie in bed pretending to be asleep as you watch her go through your clothes in an unproductive hunt.

In describing a new organ, a rural musical critic says: "The swell died away in a delicious suffocation, like one singing a sweet song under the bedclothes."

Czerny compels an Icelander in his native island to kiss every woman he meets. Now we understand why the men of Iceland never emigrate.

LIFE'S real heroes are those who bear their own burdens quite bravely and lend a helping hand to those around them.

POSTMASTER-GENERAL VILAS is said to be worth from $200,000 to $300,000. He owns two hotels and other real estate.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are **Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Persistent Ulcers, Nervous and Physical Collapse,** etc. If allowed to continue, **Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption,** and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system **Hereditary Scrofula,** and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla,* with *Yellow Dock, Stillingia,* the *Iodides of Potassium* and *Iron,* and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
