How an Empire was Ruined by
ITS RICHES.

The Gold and Silver, Guano, Nitrate,
Cinchona Trees, and the Indigo Fields
Ruin the Country.

In a recent letter from Lima, Peru, to the New
York Sun, the writer says: Prescott and Ro-
bertson, other historians tell fabulous stories
of the wealth of the Incas, and we know it was
not so. The Incas were not so rich as the Spaniards,
and gave every cent of their wealth to the church
and the State.
