MR. HENDRICKS FOR IRELAND.

The Vice-President Makes a Speech of Sympathy for Erin.

Vice-President Hendricks made a speech for Ireland at a large meeting in Indianapolis Tuesday night. He said: "Always, whatever may be her condition, Ireland will find devoted and steadfast friends in the United States. Some years ago I was called upon to attend a meeting of another nationality. When the war was pending between France and Prussia the Germans of this city held a very large and interesting meeting to express their sympathy in the course of Germany in that controversy. I felt it right thus to participate in that meeting because the sons of Germany were deeply interested in that contest. This is no contest between navies or between armies for the establishment of good government in Ireland, and very specially do I enjoy participating and joining with you Irishmen and Irishwomen in expressing the sentiments you express on this occasion. What shall be the government of Ireland? For many years it has not been a controverted question that Ireland has been dealt hardly by. It is known the world over that Ireland from the days of Henry I. until this hour has not had fair play from Great Britain. On the contrary, she has been denied the rights of equal citizenship, and has been despoiled of her lands. Every Irishman here tonight, every Irishman in America, is a protest against the bad governing of England towards Ireland. How is it that you are here, having left almost the most beautiful land in the world? Perhaps no part of this globe is more attractive than Ireland. You are here because you could not get good government in Ireland. Forty-five years ago the population of the "Green Isle" was nine millions of people—a large population for a region of country only the size of Indiana. To-day, after the lapse of forty-five years, that population is only five millions—a loss in less than half a century of four millions of people.

"It cannot remain always this way. The landlord who draws the rent cannot always enjoy it in Paris and London. He must have part in the fortunes of the people of the country or quit. It cannot always be that the people of Ireland are to be oppressed. I think the day of tyranny, in every form, is to pass away, and that the day is soon to come when all men will be blest with good government and just laws."

MR. HATTON'S SYMPATHY.—Hon. Frank Hatton, late First Assistant Postmaster-General, says through his paper, the Chicago *Daily Mail*: "However much, politically, the *Mail* may differ with the members of President Cleveland's cabinet, it does not believe that one of them would favor the appointment of a horse thief or a convict. Such appointments are mistakes which no doubt can be explained. It is impossible for any administration to dispense the vast patronage of this country without occasionally appointing men who, if they have not been in the penitentiary, ought to be. This was so under republican administrations; it will be so under this administration, and will be so under all coming administrations. It is better to be fair."

A FORTUNE FOR A SEMINARY.—Miss Anne Upshur Jones, the daughter of the Rev. Clave Jones, died at her residence, in New York, in the ninetieth year of her age. Her father had been rector of Trinity church many years ago, and after his death his daughter published a history of his life. Her mother was a Southern lady, and related to Commodore Upshur. Miss Jones took a great interest in the Virginia Seminary for the Education of Young Men to the Ministry, and left her entire fortune to that institution.

THE *Midland Journal*, published at Rising Sun, Cecil county, says: Immense quantities of baled hay are being hauled to our warehouses and shipped. Hay commands a good price, and Cecil county timothy heads the list in quality of all hay received in the Baltimore market. The shippers from this point have shipped of new hay to date nearly 1,000 tons, and if cars could have been obtained would have shipped a much larger quantity.

OSCAR PARRY, 11 years old, committed suicide, Sunday, by shooting himself at his home, Sixth and Greene streets, Philadelphia. The boy stood in front of a looking-glass, and guiding his aim by the reflection in the glass, shot himself in the head. He had just finished reading a sensational story, and it is believed the story had affected his mind.

THE Maryland State Agricultural and Mechanical Association will unite this year in holding a fair with the Agricultural Association of Washington County at Hagerstown, beginning on the 21st of October. According to an act of the Legislature, the State association is obliged to hold a fair once in every three years at Pimlico.

DEVOE, the Hackensack weather prophet, who foretold the weather of August so well, says: "People need not look for a warm, dry Fall, such as we had last year, for we will have plenty of rain and decidedly cooler weather than last year."

NATHAN MILLS, colored, who is said to have been 107 years old, died in Oxford Neck, Talbot county, last week. His two sons, Levin and Nero, are both stated to be great grandfathers.

IT is estimated that 25,000 barrels of sweet potatoes are shipped weekly from the Eastern Shore counties of Virginia.

$25 REWARD:

For information of the mean, dirty, scape-gallows villain, who maliciously reported the sinking of the steamer Fairchild, on her way to Baltimore on Wednesday night, the 2d of September, of which I am part owner.

a5-3t. JAS. H. THOMPSON.

COAL WANTED.

Proposals will be received by the commissioners of Kent county, until 11 o'clock A. M., TUESDAY, Sept. 15th 1885, for 80 Tons of Coal—quality, size and price be given with each proposal. Address

T. W. RUSSELL,
sept5-2t. Clerk to Co. Commissioners.

NOTICE.

The NOTES taken at my sale were due Sept. 4, 1885, and prompt payment of same at Chestertown National Bank will save trouble and expense.

FRANKLIN RASH,
sept5-3t. Smyrna, Del.

THE anti-bribery committee in Caroline county has decided to wait upon each individual candidate, of both parties, after the republican nominations have been made, and ask his signature to a public pledge of honor neither to use, nor to allow to be used in his behalf, any money to buy votes at the election. This course, the committee thinks, will fulfill both the letter and spirit of the resolutions of the anti-bribery convention by which they were appointed, and afford an opportunity for mutual pledges by opposing candidates.—*Democrat.*

EX-SENATOR ALCORN, of Mississippi, one of the ablest and best of the Southern republican politicians, says if he were a democrat he would answer Senator Sherman's recent tirade against the South in about ten minutes. He would "content himself with simply reading the noble utterances of General Grant on his death-bed." Mr. Alcorn expresses the hope that the process of reconciliation has gone too far to be reversed by bloody-shirt harangues.

DAN RICE'S LARGE CLAIM.—Dan Rice, the old circus clown, has set up a claim to the whole island on which stands the city of Galveston, Texas. He has in his possession an old Mexican land grant obtained from Daniel McLeren, an emigrant settler, which covers the claim, and if he wins he thinks it will be the best joke of his life.

AND now it turns out after all the eulogies of John Roach as the typical protector of American labor, whom a vindictive administration crushed for partisan reasons, is vigorously denounced by the Labor papers as the steady employer of "scab labor." So another idol tips over, and a campaign issue is spoiled.

MR. BLAINE says that the fate of the Republican party rests on the result of the election in New York this fall. Mr. Blaine no doubt recollects that New York played an important part in the election last fall. It settled the fate of James G. Blaine as a presidential candidate for all time.

THE *Globe* is the name of a small four-page semi-weekly paper which made its appearance at Cambridge last week. Messrs. Thompson, Phillips and Flint are the publishers. The paper is independent in politics.

BALTIMORE MARKET.—The Baltimore papers of yesterday quote as follows: WHEAT—Longberry $92@$96.; Fultz, $.88 @89 for fair to good. CORN—White, prime, 54@55; yellow, 52@53. OATS—36.

Office of the Continental Agency.

TO THE BUSINESS MEN OF KENT CO.

CONTINENTAL Assets, $4,938,501 92. ROYAL Assets, $36,713,767 61.

OWING to the rapidly increasing volume of Insurance business at this office I have felt the necessity of accepting the Agency for another large and thoroughly reliable company in order to meet the demands of the business community for Fire Insurance, consequently on and after September 1st, 1885, I will be able to offer the residents of Chestertown, and the farmers of Kent county, increased facilities for holding their insurance, for which I can give the best policies in the world at the lowest rates to be obtained on GOOD PROPERTY, in this country.

The Royal Insurance Company, which I shall represent together with that well-tried company, the Continental, of New York, has the largest cash surplus of any company in the world, and its assets, amounting to $36,711,767 61, are more than all the fire insurance companies in Maryland combined, and its record as known all over the world is one of unstained integrity and honor. All claims for loss on this company are paid without delay and without any discount at the Baltimore office, No. 15 South street. Since 1851, when first established in this country, it has met every bona fide obligation incurred. Confident of its merits it courts investigation.

JOHN D. URIE, AGENT,
a29-3t. for Continental & Royal Cos.

FIFTH DISTRICT, ATTENTION!

'Come, let us Reason Together!'

AS citizens we desire to have good roads—we wish to attract visitors and strangers; as good and charitable people we want to make the poor comfortable; to secure peace and order it is needful to have efficient officers. Your boys and girls must be educated. All these things need money—it is indispensable. The Tax Books are now ready, and to facilitate the payment of your taxes I will be at

ROCK HALL at 10 A. M., GREY'S INN 12 M., and EDESVILLE at 3 P. M.,

First and Third Wednesdays in each month.

At LANKFORD and KILBURN the 2d and 4th Monday in each month

I shall be pleased to meet all my friends with their pockets full of current coin of the County, State and Nation as above appointed.

JAMES THOS. LAMB, COLL'R
aug8.tf. 5th District

A Word to the Wise About Taxes!

THE MAN—or woman either—who pays his taxes most promptly, is the most happy. He has relieved himself of a burden that increases in weight the longer it is borne; costs and interest are added and the tax-payer feels justified in blaming everybody and everything for the results of *his own negligence*. Therefore, be wise and happy—PAY YOUR TAXES at once—out of your Wheat or Peach money and don't wait for corn or uncertain collections.

To accommodate payers I will be in Chestertown every Tuesday and Worton Station every Saturday afternoon.

I have my books now in hand and your bills are ready. Resp'y,

aug22-tf. JAS. S. GEMMILL.

PAY YOUR TAXES!

AS COLLECTOR of the Fourth Election District I have my tax books in hand, and bills made out against each individual tax-payer. I am prepared to receive taxes for the year.

To accommodate tax-payers I will be at the Register's office in Chestertown every SATURDAY and TUESDAY afternoon.

Prompt payments are requested, so that I may not be embarrassed and saved the unpleasant necessity of forcing collections.

GEORGE S. BIDDLE,
aug22-tf. Collector 4th District.

ROSE HILL NURSERY!

14,000 PEACH TREES,

of Choice Varieties, all budded on strictly Natural Tennessee Seed.

Also, 10,000

SHARPLESS SEEDLING STRAWBERRY PLANTS, ready for planting this September.

10,000

WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.
