Kent News.

SATURDAY MORNING..... ...Sept. 19, 1885.

Force.

The stars know a secret
They do not tell;
And morn brings a message
Hidden well.

There's a blush on the apple
A tint on the wing,
And the bright wind whistles,
And the pulses sting.

Perish dark memories!
There's light ahead;
This world's for the living,
Not for the dead.

In the shining city,
On the loud pave,
The life-tide is ebbing
Like a leaping wave.

How the stream quickens,
As noon draws near!
No room for loiterers,
No time for fear.

Out on the farm lands
Earth smiles as well;
Gold-crusted grain fields,
With sweet, warm smell;

Whirr of the reaper,
Like a giant bee;
Like a Titan cricket,
Thrilling with glee.

On mart and meadow,
Pavement or plain;
On azure mountain,
On azure main—

Heaven bends in blessing;
Lost is but won;
Goes the good raincloud!
Comes the good sun!

Only babes whimper,
And sick men wail,
And faint and feeble hearts,
And weaklings fail.

Down the great currents
Let the boat swing;
There was never winter
But brought the spring.
—*E. R. Sill, in Overland.*

BALTIMORE'S GRAIN AND FLOUR TRADE.—The Baltimore *Journal of Commerce* for September 5 presents an interesting review of the grain and flour trade of Baltimore for the crop year ended August 31, 1885. Baltimore has held her own very well during the year just closed, and in some directions has made advances. The receipts of flour in 1884-85 exceeded those of 1883-4 by about half a million barrels, while the receipts of corn nearly doubled. Wheat fell from 16,930,616 to 13,157,525 bushels. The oats received show an increase of some 200,000 bushels, but rye and barley show slightly diminished receipts. The exports of flour were 1,030,441 barrels, against 391,810 in 1883-4; wheat 9,243,176 bushels, against 16,470,012; corn 11,826,320 bushels, against 4,720,418. Summing up all the grain and flour exports, reducing the latter to bushels, the aggregate for the year just closed was 25,891,377 bushels, against 23,292,312 in the previous year.

Partnership Notice.

A NEW FERTILIZER MANUFACTORY.

The undersigned have formed a partnership for the manufacturing of a Standard PHOSPHATE in Chestertown and will use the factory formerly occupied by Connelly & DeFord near the depot in Chestertown. We hope by making a First Class Goods, to obtain a liberal share of the patronage from the farmers of Kent county. We intend to make nothing but Standard Goods.

Very respectfully,
JOHN W. HINES,
jy11-tf. WM. H. CACY.

KEEP COOL!

WE greet you with a new card. Cummings' ICE-CREAM is known for its superior quality and purity of materials. Our parlors are pleasant, well-ventilated and are considered by competent judges to be one of the most pleasant places in the town.

Delaware Wheat Grower PHOSPHATE!

ANALYSIS GUARANTEED.

This standard goods is offered to the people of Kent, Queen Anne's and Caroline counties at $30 00 per ton cash, or crop time with interest, free of freight, at any of the stations on the Kent County Railroad or adjacent waters. For sale by our agents, MR. L. C. JUSTIS, JR., Kennedyville; J. F. TARBUTTON, Galena, and J. F. CONNELLY, near Chestertown.

Read the Appended Testimonials.

Middletown, Del., July 27th, 1885.
Messrs. Parvis & Williams:—I threshed a sod field last week, and though I do not know the exact amount, yet I am sure I got something between 25 and 30 bushels per acre.
Yours truly, NEHEMIAH BURRIS.

Kennedyville, Md., July 23d, 1885.
Messrs. Parvis & Williams:—The Wheat Grower Phosphate used by me last fall, I am pleased to state has done exceedingly well, giving me a good field of wheat from very poor land.
Yours, TILGHMAN SHAFER.

Kennedyville, Kent County, Md., July 23d, 1885.
Messrs. Parvis & Williams—Dear Sirs:—Your Phosphate used by me last fall has exceeded my expectations; has given me as good results as higher priced goods.
Respectfully yours, W. T. HEPBRON.

Kennedyville, July 23d, 1885.
Messrs. Parvis & Williams:—I used your Wheat Grower Phosphate on my wheat last fall, and am entirely satisfied with the result. It far excels higher priced goods used in same field.
Respectfully, SAMUEL TAYLOR.

Kennedyville, July 23d, 1885.
Messrs. Parvis & Williams—Dear Sirs:—Your Wheat Grower Phosphate used by me seed time of 1884 has given me much better results than other kinds used, and cost me less money. I cheerfully recommend it as a first-class fertilizer.
Respectfully, CAPT. DAN. HILL.

Kennedyville, July 23d, 1885.
Messrs. Parvis & Williams:—Your Wheat Grower Phosphate has proved a success. My crop of nearly thirty-five hundred bushels, all exceeded twenty bushels per acre, part of land third year in wheat.
Yours, H. F. HILL.

Locust Grove, Kent Co., Md., July 23d, 1885.
Messrs. Parvis & Williams:—The Wheat Grower Phosphate purchased in the fall of 1884, I used on my corn ground. The field was hilly and the poorest on the farm. It yielded me twenty-two and a half bushels per acre. I do not hesitate to recommend it.
Yours respectfully, T. J. SHALLCROSS.

Locust Grove, July 23d, 1885.
Messrs. Parvis & Williams—Dear Sirs:—The Wheat Grower Phosphate purchased of you in the fall of 1884 has given me entire satisfaction; have threshed the lightest field; it yielded me thirty bushels per acre. I feel sure the remainder will exceed thirty-five bushels.
Yours respectfully, J. C. SUTTON.

Still Pond, Md., July 23d, 1885.
Messrs. Parvis & Williams—Dear Sirs:—I take pleasure in saying that your Phosphate used by me in the fall of 1884 was decidedly the best of several other kinds used. It produced twenty-three bushels per acre on corn ground.
Yours, &c., WILLIAM JONES.

HIGH GRADE BONE FERTILIZERS.

We take pleasure in again calling the attention of farmers to our High Grade Fertilizers. It being eight years ago this spring since they were first offered to consumers under their present form; and from that time until now there has been an increasing demand for them, which is a far better testimonial to us than any letters of praise could be, although we do not want for these latter, as we are in receipt of many. It has been our aim to put up the best fertilizers we know how, and the results in the field clearly show that we have hit the mark right in the bull's eye, and we believe if consumers will take our target (American Brand, bull's head) they will strike a good result every time—the bull's eye, if their aim is good.

THEIR CHARACTER.

The main characteristic of our fertilizers is that they are prepared with particular reference to the *crop*, and not to a chemical analysis; the latter does very well in its place, and we believe in chemistry thoroughly, but consumers are too often deceived with the idea that a chemical analysis is the main thing, and if they get a good analysis and high commercial valuation as figured out with arbitrary prices by the chemist, they must have a fine fertilizer. Now it may happen that a fertilizer, with a commercial valuation of $25 00 per ton, will give a better result on the crop than one with a valuation of $40 00 as based on a chemical analysis. And why should this be? Only because the material used in the one valued at $25 00 was better adapted to the crop than the other.

THEY ARE UNIFORM.

The goods we manufacture are uniform in composition, and are only varied in proportions, year after year, as we believe it to be an advantage to the crop. We have such large supplies of Bone, Blood, etc., from the slaughter establishments of New York, that our fertilizers are largely composed of these, and there is not that inducement for us to use cheaper material, that there might be, if we did not have this material.

BONE FERTILIZERS.

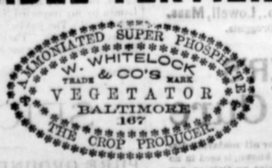
Our products are of a *bone base*, because we believe that is the most satisfactory source of phosphoric acid, and the large amount of animal matter our fertilizers contain makes them especially valuable in what may be considered the off or poor seasons. Some years it is noticed that almost any fertilizer will give fairly good results, but we find themost favorable comparisons for our products are in the poor years.

DISSOLVED ANIMAL BONES,
Guaranteed to be entirely Pure Bone,
Americus Ammoniated Bone Superphosphate,
Royal Bone Phosphate, Acorn Brand Prepared Chemicals,
Pure Dis. Animal Bone, Pure Bone Meal,
Dis. Bone Black, Acid Phosphate,
Muriate of Potash, Dried Blood,
Bone Tankage, Kainit, &c.

Analysis of every Brand Guaranteed. Sold separately for Farmer to mix.

W. H. McFEELY, Chestertown, Md.
General Agent for Kent Co.

RELIABLE FERTILIZERS



FOR WHEAT AND GRASS.

Farmers, if you wish to obtain large yields of the above crops and get the worth of your money, use the best Fertilizer in the market—

"WHITELOCK'S VEGETATOR."

If you desire a lower price manure, an Ammoniated Phosphate, which is the cheapest and best for the money, purchase our

"Sunnyside Pure Bone and Dissolved Phosphate."

To those desiring a Dissolved Bone Phosphate, without Ammonia, the action of which is superior to most articles sold as Acid Phosphate or South Carolina Bone, we offer our

"SOLUBLE PHOSPHATE AND POTASH FERTILIZER."

The above brands are sold and delivered, 12 bags to the ton, and in fine and dry condition for drilling. Extra moisture in a Fertilizer adds to the cost.
Our Fertilizers have been thoroughly tested by Farmers in all sections, and have proven themselves very reliable as well as a paying investment. Try them by the side of any Fertilizer, and be convinced of their value. We refer you to your neighbors who have used them.

Miller, Lippincott & Co.,

☞ The Thursday afternoon trains will leave Chestertown and other stations ONE HOUR EARLIER than schedule time during Peach season.

Stations marked thus (*) have no agents. Freight for Bingham's and Nicholson's must be prepaid.

The morning trains make close connection at Clayton with trains on Delaware Railroad going North and South.

Passengers on morning train for Baltimore change cars at Wilmington.

Freight carried at low rates to all points and must be at Stations 30 minutes before starting time, in order to insure dispatch.

Excursion Tickets issued at reduced rates. FRED. GERKER, LESSEE
