SATURDAY MORNING.....Nov. 7, 1885.

LETTER FROM ROCK HALL.

"See where she leans her cheek upon her hand! Oh, that I were a glove upon that hand, Then might I touch that cheek."

So mused our honest Johnny in early May, as he sat in his accustomed seat of worship, and gazed with a mixture of love and devotion on the fair Addie, as she leaned in all the loveliness and negligee of her unwooed charms beneath the droppings of the sanctuary, while without the roses dispensed their fragrance and the potato blossoms kissed each other in confident expectation of the coming crops of tubers. This mild summer dream was brought to fruition last night, when our worthy pastor, Mr. Conoway, gave him that cheek for his very own, with the right to kiss to his heart's content, and we very much doubt if he does not taste a pair of red, ripe lips before all is over.

Though outward adorning was superfluous, still we may say the bride was neatly arrayed in heliotrope silk with appropriate trimmings, which lent an artistic charm to natural symmetry.

Poor John wore rather a sneakish look, as if doubting whether he was deserving of such a prize, but her opinion is of the most consequence, and we perfectly agree with her. We have long known him as a good boy, and have always found *that* the stuff good men are made of.

But not to forget the bridesmaid, charming Minnie, whom we have been courting under the name of Pretty Peter. Yet, sad as it may seem, we find she is fast drifting *Lee-ward*, and expect soon to be jilted, yet who can blame her if she finds a younger and prettier chap. And then to charm the savage breast of any disappointed swain the wedding march was finely rendered by Miss Emma Reynolds, and the church-full went off satisfied; and some, we are sure, exceedingly happy, and we felt as if we would willingly have the wheel of time turned back so that we could do it over again.

There is a saying, "It never rains but it pours," was verified today when Rev. Daniel Estes united in matrimony our nearest neighbor, Miss Maggie Wilkinson and Mr. George Mullikeu, of Queen Anne's county. We have no acquaintance with the bridegroom, but understand he is a well-to-do farmer and a very worthy man, of which, after a long and intimate acquaintance, we are sure the bride is well worthy.

Rock Hall, Oct. 28, 1885. SCRUTATOR.

A JOKE is a mistery to some people. In a certain court in a certain one of our States on a time the proceedings were delayed by the failure of a witness name Sarah Mony to arrive. After waiting a long time for Sarah the court concluded to wait no longer, and wishing to crack his little joke remarked: "This court will adjourn without Sarahmony." Everybody laughed except one man, who sat in solemn meditation for five minutes, and then bursting into a hearty guffaw, exclaimed: "I see it! I see it!" When he went home he tried to tell the joke to his wife. "There was a witness named Mary Mony who didn't come," said he, "and so the court said: 'We'll adjourn without Mary-mony.'" "I don't see any point to that," said his wife. "I know it," said he, "I didn't at first; but you will in about five minutes."

A GENEROUS GIFT.—Miss Elizabeth J. and Mr. Jas. W. Alnutt have donated to the Washington Street M. P. Church, Baltimore, through Rev. Robt. S. Rowe, its pastor, the large and eligible lot fronting 77 feet on Chester street, and binding on Lombard street 182½ feet to Castle street. At a meeting of the male members of the church the generous gift was formally accepted with many thanks, and preliminary steps were taken toward the erection of a creditable church building and a parsonage upon the property. The lot is in fee-simple and the necessary deed has been signed and put into the hands of the pastor.

THE meanest man is at last found. He lives in Boston, and built two houses side by side, one for himself and one to sell. In the house sold he had placed a furnace against the party wall of the cellar, and from its hot-air chamber he had constructed flues to heat his own domicile. The owner of the other house found it very hard to keep his own house warm, and was astonished at the amount of coal it took to render his family comfortable, while the dishonest builder kept himself warm at his neighbor's expense nearly a whole winter before the trick was discovered.

THE FISHING INDUSTRY.—There are engaged in the fishing industry of Europe and America upward of 150,000 vessels and 600,000 men. The annual product of fish is not much short of 1,500,000 tons, but few people will stop to realize the importance of these figures. As a ton of fish is equal in weight to about 28 sheep, a year's supply of fish food for Europe and America might be represented by 42,000,000 sheep.

"BEFORE," says *Harper's Magazine*, "the sum for the Grant monument is wholly subscribed there will be time to carefully consider what form the memorial should take." This is a wise observation, considering that there is yet over $900,000 to raise to complete the proposed $1,000,000, and that the receipts some days drop down to less than $5.

AN Iowa judge has decided that a man is in duty bound to tell where he spends the evenings when he is away from home.

FIFTH DISTRICT, ATTENTION!

'Come, let us Reason Together!'

AS citizens we desire to have good roads—we wish to attract visitors and strangers; as good and charitable people we want to make the poor comfortable: to secure peace and order it is needful to have efficient officers. Your boys and girls must be educated. All these things need money—it is indispensable. The Tax Books are now ready, and to facilitate the payment of your taxes I will be at

ROCK HALL at 10 A. M., GREY'S INN 12 M., and EDESVILLE at 3 P. M.,
First and Third Wednesdays in each month.
At LANKFORD and KILBURN the 2d and 4th Monday in each month

I shall be pleased to meet all my friends with their pockets full of current coin of the County, State and Nation as above appointed.
JAMES THOS. LAMB, Coll'r.
aug8.tf. 5th District.

A Word to the Wise About Taxes!

THE MAN—or woman either—who pays his taxes most promptly, is the most happy. He has relieved himself of a burden that increases in weight the longer it is borne; costs and interest are added and the tax-payer feels justified in blaming everybody and everything for the results of *his own negligence*. Therefore, be wise and happy—PAY YOUR TAXES at once—out of your Wheat or Peach money and don't wait for corn of uncertain collections.

To accommodate tax payers I will be in Chestertown every Tuesday and Worton Station every Saturday afternoon.

I have my books now in hand and your bill are ready. Resp'y,
aug23-tf. JAS. S. GEMMILL.

PAY YOUR TAXES

AS COLLECTOR of the Fourth Election District I have my tax books in hand, and bills made out against each individual tax-payer. I am prepared to receive taxes for the year.

To accommodate tax-payers I will be at the Register's office in Chestertown every SATURDAY and TUESDAY afternoon.

Prompt payments are requested, so that I may not be embarrassed and saved the unpleasant necessity of forcing collections.
GEORGE S. BIDDLE.

A HEAVY RAIN!

COOLER WEATHER EXPECTED!

There is no better time to think of one's Shoes than after a rain. Whatever impression you have this is addressed to one who thinks the SHOE STORE can't possibly be the best place to go for Shoes. Will you look at a pair? We can show you the largest selection of shoes and give you what you want and not force something on you that you do not want.

Our Hand-Made Shoes!

are the shoes for ladies who have tender feet—better for comfort and economy but not for your shoemaker. We take that back, we firmly believe what is best for you is best for us in the long run.

Our Mat and Dongola Kid Shoes are becoming very popular. Have you seen our Ladies and Misses' "SCALCHIE?" It is a Button Gaiter to wear over the shoe, made of water-proof cloth and rubber, buttoning up high—the thing for mud. The first opportunity you have call and look at them. Our Ladies and Misses' Heavy Shoes are selling very rapidly and giving entire satisfaction.

We would call your attention to our

Line of Men's Boots!

Having purchased a large stock this season we can give you a better selection and save you money by buying of us. Our space will not allow us to give price, but will say we can sell you a fine boot for $1 75, a better one for $2, &c. Our Double-Upper Calf Boot takes the lead for those who do not want a heavy boot. Our stock of Men's Fine Shoes is complete.

We challenge the world to produce

A SHOE FOR $3

to equal ours for durability, style and comfort. Our Waulkenphasts which we have made are superior to all Eastern makes, will give you more wear, comfort and satisfaction and will not cost you as much money as others will charge you for those made by Eastern factories. Look at our Men's $4 Calf Shoes, they are beauties of the latest style.
