SATURDAY MORNING..........JAN. 22, 1887.

Tragic Death of a Minister's Daughter.

The New York *Herald* contains interesting particulars of the tragic death in that city Sunday night of Miss Rebecca Paxton, aged 16 years, daughter of Rev. Dr. John R. Paxton, pastor of the Forty-second Street Presbyterian Church, and formerly pastor of the Presbyterian Church, Churchville, Harford county, Md. At the usual hour for retiring Miss Paxton kissed her father good night, and went to her room on the second floor. An hour later Mr. Paxton passed his daughter's door and called her. There was no response from within, and the door was pushed open only to disclose a shocking spectacle to the fond parent. Against the wall, in almost a sitting position, was the suspended form of the young girl, cold in death. She died from strangulation accidentally inflicted. Three months ago the family physician suggested an apparatus to be used by Miss Rebecca, who suffered from curvature of the spine. It was a "pulley" instrument, and was attached to the wall of the room. At one end of the rope was fastened braces to go under the chin and behind the head. When the loops are properly adjusted the rope is pulled downward, and this forces the head erect and gives extension and rest to the spine. Miss Paxton was in the habit of exercising with the apparatus every night, but always with the assistance of a maid-servant. On Sunday night the servant was absent, and Miss Rebecca thought she could operate the device successfully without any help. She attended services in her father's church and walked home with the family in the best of spirits. Her improved condition, it is thought, made her over-confident and induced her to take her customary exercise alone. Through some false movement the brace supporting the chin slipped across the throat upon pulling the rope and shut life off without giving the young girl an opportunity to make an outcry. Death must have come quickly. There was no indication of struggling. She looked as though her feet became helpless and she fell backward with the noose pressing about her neck. Mrs. Paxton was away on a visit, but her sister happened to be present, and was with the father when the accident was discovered. The coroner granted a certificate announcing death to be due to asphyxiation. The remains were taken to Pennsylvania for interment.

Facts Worth Remembering.

One thousand shingles laid four inches to the weather will cover one hundred feet of surface, and five pounds of shingle-nails will fasten them.

One-fifth more siding and flooring is needed than the number of square feet to the surface to be covered, because of the lap in the siding and matching of the floor.

One thousand laths will cover seventy yards of surface, and eleven pounds of lath nails will nail them down.

Eight bushels of good lime, sixteen bushels of sand and one bushel of hair will make enough mortar to plaster one hundred square yards.

A cord of stones, three bushels of lime and a cubic yard of sand will lay one hundred feet of wall.

Five courses of brick will lay one foot in height on a chimney. Nine brick in a course will make a flue eight inches wide, twenty inches long and eight bricks in a course will make a flue eight inches wide and sixteen long.

A box twenty-eight inches by sixteen inches square and twenty inches deep will contain a barrel.

A box eight inches square and four and one-eighth inches deep will contain a gallon.

A box four inches square and four and one-eighth inches deep will contain a quart.

The Good Old Times.

"I wish you'd make me an old-fashioned cup of coffee," he said as he sat down in a Detroit restaurant the other day.

"I will, sir! Want it after the fashion of about thirty years ago, I suppose?"

"Yes."

In a few minutes a cup was placed before him and he surveyed it, sniffed at it, and turned up his nose and asked:

"What do you call it?"

"An old-fashioned cup of coffee, sir, such as our mothers used to make. I got some Rio, burned it in a shovel, pounded it in a rag, and it is sweetened with molasses and dosed with skimmed milk. Those good old times are gone, sir, but the good old-fashioned coffee can be made yet."

GOING out in the car the other day I saw a bright little miss of my acquaintance with a library book in her daintily gloved hand, and, noticing the title was that of a rather abstruse subject, I said: "Why, my dear; you select very deep literature for your reading; I had no idea you were so studious." She answered: "O, is it? Well, I did not know what to get, and so took this, as the cover compared so beautifully with my hat. Did you ever see a more perfect match?"

THE Kent Island correspondent of the Queenstown *News* informs that paper that "our hens" have not commenced laying two eggs a day and three on Sunday, but promises to let the editor know when they do. Important!

RUSSIAN RHEUMATISM CURE

HAS PROVED TO BE

THE REMEDY

FOR RHEUMATISM.

MARION, IND., Aug. 12, 1886.

My wife was so afflicted with Rheumatism in her shoulder and arm that she could do nothing for herself, and could not sleep in bed, but had to be bolstered up in a rocking chair. Physicians prescribed, many patent medicines were used, but the pain still got worse. I sent for the *Russian Rheumatism Cure*, under a cloud of doubts. It was used according to directions for one week, and my wife was cured. It was one of those agreeable surprises that you meet once in a lifetime. It is now over four months since the cure was effected, and she can wash, iron, hoe in the garden, and do all kinds of work as well as ever, and has no symptoms of the old disease. We have no hesitancy in recommending the cure to all similarly afflicted, as SAFE AND SURE.

Truly yours,
H. J. FISHELL.

Thousands of others have been cured.

DR. HERNANDO MORA'S

Great Spanish Specific

CURES

Dyspepsia, Jaundice, Liver Complaints, Loss of Appetite, Headaches, Bilious Attacks, Summer Complaints, Piles, Kidney Diseases, Female Difficulties, Lassitude, Low Spirits, General Debility, and, in fact, everything caused by an impure state of the Stomach, Liver or Kidneys.

This wonderful Remedy was discovered a few years since by a distinguished Spanish Doctor of the Homeopathic School, who after using it with great success in his own practice commenced putting it up for sale. It is now for the first time offered to the public in this country.

Dyspeptic Symptoms, Low Spirits, Sour Stomach, Pain in the Bowels, Restlessness, Sleeplessness, Sick Headache, Variable Appetite, Low Fever and languor call for the immediate use of the Specific.

When symptoms of Malaria in any form appear the Great Spanish Specific should be at once resorted to, to prevent the development of the disease and the treatment continued until the patient's health is fully restored.

Remember the Great Spanish Specific can only be obtained of the authorized agents, and any medicine bearing its name sold at drug stores is a worthless counterfeit.

Send to any address on receipt of price. $1.00 per Bottle or 6 Bottles for $5.00.

FAC-SIMILE OF THE LABEL ON THE WRAPPER.

Ask Your Grocer For It.

NO MORE A MYSTERY. THE REASONS GIVEN.

WHY DOES THE CLOTHING TEAR SO EASILY?

ANSWER.—From the use of strong and impure Soap, made up in salable forms and shapes with which the market is flooded. If you want to be right sure use ECKERS' OUR FOREFATHERS' SOAP—three connecting 4-inch cakes, making each bar one foot long; weight 22½ ounces—recommended by the Best Families, Hotels and Institutions throughout the country. It is prepared by the Grecian Purifying, Boiling and Settling Process, from fresh, clean and selected butchers' tallow. By its use you run no risk of contracting any skin disease; no stiffness of the arms or wrist. A great saving of time and labor. WASHING CLOTHES WITH OR WITHOUT BOILING OR SCALDING. You can use it as you wish, but to wash without boiling or scalding observe these directions: Take lukewarm water, rub with soap particularly on dirty spots, soak half an hour or more, gently rub on board and your clothes will be clean. Try it for one month and you will be convinced of its great advantages. VERY IMPORTANT TO KNOW.—That the best remedy for washing flannels to keep them from shrinking—wash in lukewarm water with FOREFATHERS' OR ECKERS' BOARD OF HEALTH SOAP (the greatest disinfectant known), and dry in a warm room; cold water hardens flannels and drying in cold air shrinks them. Ask your grocer for it. ECKERS' SOAPS WILL WASH WITH OR WITHOUT BOILING OR SCALDING.
