Items from Still Pond.

One of the most enjoyable and delightful trips of the season was that of Saturday last to Chesapeake City, on the tug Gen. I. J. Wistar, chartered by the Still Pond baseball club. We steamed out from Betterton Wharf at 1½ o'clock P. M., with a pleasant breeze and a merry crowd, and arrived at our destination in about two hours. We were met at the wharf by J. S. Hopper, Esq., and Mr. Williams, managers of the Chesapeake City nine, who escorted us to the grounds of their club, where a large crowd had already assembled to witness the contest. Chesapeake City is the champion club of Cecil county, and the game which followed was one of the hardest fought and most stubbornly contested ever witnessed between amateur clubs. The sluggers of Still Pond were, however, equal to the occasion and batted out a victory with the score 17 to 16 in their favor, as follows:

Chesapeake City	r.	o.	Still Pond.	r.	o.

Time of game, 2.15; umpires—for Still Pond, Starkey; for Chesapeake City, Williams.

After the game the members of the club were entertained at the Bayard House, kept by George H. Queck, Esq., where a sumptuous supper was in waiting. The menu was of the highest quality, and all did ample justice to a repast for which mine host of the Bayard House will long be remembered by the grateful participants, about thirty of the party taking supper beside the players. We embarked for home at 7.55, making the run in two hours, beguiled on the way by "music sweet, music soft," both instrumental and vocal. Those on the tug were: Dr. Chandler and wife, Misses Sue Jump, Birdie Jump, Bessie Cannon, Annie Owens, Annie Brice, Emily Broomell, Florence Broomell, Grace Turner, Emma McClery, Mamie Kershaw, Minnie Griffith, Ella Hurtt, Florence Cavender, and Messrs. G. W. Rodenhizer, Geo. Stradley, John Parrott, E. D. Stark, Dr. W. E. Barnard, J. Owens, Max Price, T. Lusby, M. Porter, H. C. Turner, H. Turner and I. R. Starkey, besides which two skiff loads were in tow.

Rev. Mr. Rigg is taking his vacation. His pulpit was ably filled on Sunday morning by Rev. E. C. Macnichol, a former pastor of this church, now of Felton, Del.; and in the evening by Rev. H. C. Turner, of Union and Salem churches, this county.

A man named Appee was badly scalded at the cannery here on Saturday of last week. He fell with his left hand and arm in a dipping tank of boiling water. Dr. Urie dressed the burn. He is now improving.

Mrs. Bratton, her son, with his wife and two children, of Wilmington, Del., are visiting at Mrs. Clinton's. Miss Annie Rockwell is staying with Mrs. T. L. Norris, and Misses Lizzie Janney and Hattie Childs, of Baltimore, with Mrs. T. E. Norris. Miss Eva Wingate, a former teacher of Kent, is visiting at Mr. Louis Lamborn's. Miss Bertha Hennighausen, of Baltimore, is visiting her friend and former schoolmate, Miss Irene L. Covington. Mrs. James C. Roseberry and two children, of Leston Manor, Va., are on a visit to her sister, Mrs. W. F. Wroth, of this town. R.

Cecil County Republicans.

The first Republican county convention in Maryland this year was held in Cecil last Tuesday. The Warburton wing of the party had a large majority in the convention and selected the nominees and committees. John R. Bond, of the seventh district, was nominated for State Senator by acclamation. Mr. Bond, who was an elector at large on the Republican ticket in this State last fall, was also the Republican nominee for the Senate four years ago, when he was defeated by Clinton McCullough. For House of Delegates Wm. C. Pyle, of the second district, Jas. C. Davis, of the fifth, and Aaron J. Michener, of the sixth district, were nominated by acclamation. Messrs. Pyle and Michener are farmers, and Mr. Davis is a well-known business man of Northeast. For sheriff John R. White was nominated. For county commissioners John J. Williams, Thomas C. Bond and James C. Crothers, the three now serving, were nominated on the first ballot. For delegates to the State convention Wm. T. Warburton, Chas. F. Hinchliffe, John W. Taylor and Enoch Noyes were elected without opposition.

Kennedyville Items.

The Glee Club held their festival and concert Thursday, Friday and Saturday nights of last week. They were assisted by the Crumpton band. The weather being favorable the crowd was enormous. Saturday night the crowd was so great that there was barely standing room.

Capt. Wm. Archibald, one of our most estimable citizens, has been very sick for a week or more.

Rev. Mr. Pitman, the Presbyterian minister, has had a rest of two weeks. He will fill his pulpit again tomorrow, Sunday.

Misses Annie Shafer and Beulah Hayes have returned home after having spent their vacation abroad.

Mr. Lawrence J. Smyth, principal of our public school at this place, has been laid up, since Saturday, with the rheumatism. He is now able to move about the house with the aid of a cane. He thinks that he will be able to attend to his school duties by Monday morning.

Base Ball. The Kids are on top again. Only three innings being played when the Kids, disgusted with the playing of the Klu Klucks, threw up the game rather than waste their strength by playing against such a poor team. Score, 12 to 2.

The cannery is in full operation here, under the management of the Arthur Bros. Peaches are very scarce and enough cannot be purchased to run the cannery. Tomatoes are the only things that are being canned.

Miss Carrie Crouch is visiting friends in Jersey City. D.

Canoe Race.

The canoe race given by the Y. M. I. U. lodge of Winchester, at Jackson's creek, on the 20th, was a decided success financially and a very pleasant affair socially. There were four boats entered in the first race, viz: Minnie, Capt. Jones, of Kent county; Island Bird, Capt. S. Smith, Kent Island; Eunice, Capt. Geo. Chesser, Winchester; Silver Spray, Capt. Tolson, Kent Island. The purse was $15, with an allowance of one and a half minutes of time to each foot of length on the small boats. The course sailed was about 15 miles and in sight of the starting point. They started at 11.05 and the Island Bird crossed the line a winner 12.46, making the run in 1 hour and 41 minutes. The winning boat could not enter in any other race according to the conditions, and the second race was run by the following boats: Annie May, Capt. C. Parks; Eunice, Capt. George Chessar, both of Winchester; New Boat, Capt. Crouch, of Kent; Minnie, Capt. Jones, of Kent; Silver Spray, Capt. Tolson, of Kent Island. They were started at 2.10 and the Eunice crossed the line a winner at 3.43, making the run in 1 hour and 33 minutes, with the Annie May second, 3 minutes behind. A good dinner and plenty of refreshments were served on the ground at fair prices. A platform for dancing was erected under the shade of some trees and the young folks were shaking the foot lively when we left.—*Queenstown News.*

Outrage in Prince George's.—A felonious assault was committed on Mrs. Groff, a German woman, aged 50 years, residing 1½ miles from Bowie Station, B. and P. R. R., Prince George's county, on Saturday morning last. Early that morning a burly-looking colored man approached the house, inquiring the way to Dr. Mullikin's residence. Mrs. Groff walked below her home a short distance and pointed out the road leading to the doctor's house. Thereupon the man seized her, choked her until she became unconscious, threw her violently to the ground and outrageously assaulted her. He then left her, and nothing is known of his whereabouts. As soon as Mrs. Groff recovered consciousness she went to her nearest neighbor and made complaint. She also said she could indentify the negro. When Mr. Groff returned to his home from the field he found his wife suffering from severe wounds in her throat and completely prostrated from nervous affection. Great sympathy is manifested for the poor woman, and threats of lynching have been made.

A Big Saving to the State.

State Treasurer Stevenson Archer states that the State exchange loan of $2,982,300 has all been practically disposed of. Of the total amount $1,000,000 was exchanged at private contract before bids were opened at Annapolis on August 8, and proposals aggregating $612,500 were accepted at various premiums. The remaining $369,000 has been practically disposed of upon the same terms. The State has previously been compelled to pay five per cent. interest on the bonds in London, but under the new arrangement they call for *three per cent.*, payable at home. The annual saving to the State is estimated at $100,000.

Baltimore spends $30,000 a day for liquor; $10,900,000 a year, mostly paid by the poor and laboring class. We are not told how much is spent for cigars, tobacco and other injurious "luxuries."

Charles W. Thompson, a Montgomery county postmaster, has been lodged in jail at Rockville on a charge of forgery.

Governor Jackson has decided not to issue a proclamation declaring the 12th of September a legal holiday.

The "Evenings of Illustrated Song" as given in "Odd Fellows' Hall" were among the most attractive entertainments ever given in Elkton. No community would allow themselves to miss them if they were aware of their beauty, accuracy and artistic merit.—*Cecil News.*

A Sensational Tragedy in Atlantic City.

Terrible Sequel to a Foolish Marriage.

The following account of a terrible tragedy at Atlantic City last Monday is from the Philadelphia *Times* of Tuesday:

As the guests were seating themselves about the dining tables at the fashionable Noll Cottage on Tennessee avenue at noon to-day, the cries of a woman and the smashing of furniture on the second floor attracted a large crowd of excited men and women about the building. One of the waiters rushed to the second floor and kicked in the door leading to the private apartments of Mr. and Mrs. Robert Ray Hamilton, of New York city.

The picture was a tragic one. A handsome man with clean-cut features and an eagle eye was standing in the middle of the elegantly furnished room with his wife, a wicked looking blonde, desperately struggling in his arms for release. She held a blood-stained dagger in her right hand. A good looking Irish woman lay stretched upon the floor in a pool of blood and an 8 months' old baby was seated on a bed. These were the only ones who had witnessed what had happened.

The man was Robert Ray Hamilton, the desperate-looking woman was his wife, the infant was their only child and the victim who lay upon the floor with her intestines hanging from an ugly gash in her abdomen was Mary Donnelly, the wet nurse who has been with the couple for over a year. The latter was still alive, but the doctors have little hope of her recovery.

A SENSATIONAL STORY.

The story of the affray and the people connected with it is a sensational one. Robert Ray Hamilton, who was for eight years a member of the New York Legislature from the Murray Hill district, is a son of General Schuyler Hamilton, one of the leaders of New York's Four Hundred and a grandson of John C. Hamilton, author of the life of Alexander Hamilton, the Secretary of the Treasury, who was killed in a duel by Aaron Burr. He is a leader of the New York bar, and has an income of $18,000 a year, which he spends lavishly upon himself and friends.

The story of his courtship and marriage is as romantic as the story of to-day's tragedy is thrilling. Hamilton was for many years a lion in New York social circles, but like many of his associates, soon became a frequenter of the gilded hells of the metropolis.

In one of these he met and became infatuated with the woman who he afterward married and who is likely at any moment to become a murderess, as her victim, Dr. Crosby says to-night, can live but a few hours, as she has been sinking rapidly since 6 o'clock. She was for many years one of the queens of the demi-monde in New York city, and it is said many a young blood squandered a fortune on her before she captured Hamilton, whom she married for his love and his fortune. He is about 37 years of age and she about ten years his junior and a hopeless victim of the morphine habit.

Her display of diamonds and gorgeousness of attire at the shore has created a sensation for several days past. To-night the officers of Atlantic City are searching for the thief, who stole two thousand dollars' worth of diamonds from the room in which the tragedy occurred during the excitement this afternoon. The authorities and pawnbrokers throughout the country have also been notified of the robbery.

The story of the tragedy is that they were engaged in a fierce quarrel when she became desperate, ran to the bureau, picked up a Mexican dagger and made a lunge at her husband. He grappled with her and pushed her over a chair.

The nurse, Mary Donnelly, hearing the noise, and having had to separate them several times before to prevent bloodshed rushed into the room. The wife no sooner saw her than she dashed at her with the dagger raised, and plunged the weapon into her abdomen, and the woman fell to the floor.

Hamilton and his wife are both in custody and the excitement in the city to-night over the affair is intense.

MRS. HAMILTON IN JAIL.

Mrs. Hamilton was committed to jail after a hearing. The N. Y. *Sun* says: Mrs. Hamilton's sobs were distressing. She bid her husband an affectionate adieu at the cell door and dropped heavily on the bench. She will have the best treatment possible while in jail, and will be surrounded with all the luxuries which her husband can procure until the day fixed for her trial, which is the 10th of September, provided a definite result of the Donnelly woman's injuries is reached then.

Mr. Hamilton returned from his journey to the jail late to-night. He seemed to be completely broken down. "I have been advised by my counsel not to talk," he said "and I shall follow his advice." He was told that there had been some doubts in New York as to whether he was the Robt. Ray Hamilton of New York who was for eight years a member of the Legislature from the Murray Hill district.

"Oh, that's nonsense!" he said. "I am the man."

Mr. Hamilton was asked if he was really married to the woman whom he had just escorted to jail.

"She is my lawful wife," he replied.

Mr. Hamilton returned to the Noll cottage, where Mrs. Donnelly still lies, and where his little girl is in the care of Mrs. Rupp.

ATLANTIC CITY FULL OF GOSSIP.

Jersey law is proverbially harsh, and even at this early date some speculation is indulged in as to what Mrs. Hamilton's punishment will be. Like all summer resorts, this place is usually more brilliant at night than during the day. The streets are brightly lit with various colored lights, and are crowded with laughing men and women, bands in great number play, and the visitors dance. But to-night nobody seemed to care for any other amusement than gossip. The telegraph operators had more than they could attend to in sending despatches for the newspaper men and in receiving them for the Hamiltons. Gen. Hamilton sent an urgent request to his son for details, and Gen. Seward also sent a despatch asking for particulars and expressing sympathy for Mr. Hamilton.

The story that Mrs. Hamilton lost $2,000 worth of diamonds by theft after the affray is not believed. Neither she nor her husband wore any jewelry to-day but this doesn't prove that they have lost any. One story is that during an insane fit of rage Mrs. Hamilton threw all the jewels away. Her wardrobe gives some indication of the extravagant way in which she lived. She had twenty-four bonnets, and dresses too many to count.

Hamilton's income, it is said, was stopped when he married Miss Brill, but he was allowed to draw it again when his baby was born. He has been spending a heap of money since—about $1,500 a month.

The latest news is to the effect that the maid is likely to recover and Mrs. Hamilton will shortly be released on bail.

A YOUNG MAN'S SUICIDE.

Frank C. Kennard Ends His Life by Taking Poison.

Frank C. Kennard, aged thirty-three years, son of the late Dr. Thomas C. Kennard, of this county, committed suicide Sunday afternoon in Baltimore by taking laudanum. Kennard was married two years and four months ago to Miss Mollie Rigney. He had $20,000 left to him by his father, but he was only allowed the interest on it. He was not in any business and lived with his wife in the second-story flat 651 Portland street, South Baltimore. The neighbors around, at least some of them, say that the couple lived happily, and no cause beyond depression occasioned by the death of a relative in the West, some time ago, can be assigned for the suicide. Mrs. Kennard said her husband got his monthly allowance on Friday of last week, and on Sunday morning he was in good spirits, and, getting up early, said he was going around the corner to see Frank Carter, a friend, on Pratt street. He told his wife he would return shortly. When he did not show up at dinner time she went out to look for him. She returned shortly after two o'clock and found her husband down stairs on a lounge. He told her that he had taken the poison, but as he had threatened to take his own life a number of times before and appeared to be in a joking mood, she paid no further attention to the remark. They went upstairs and remained in their bed-room for some time. Late in the afternoon they went down to the front door and sat on the steps. At half-past seven he said he was sleepy and would go to bed. When he got in the bed-room he told Mrs. Kennard again that he had taken the poison, and asked her to send for a physician. Dr. J. Tyler Smith was called in, and making an examination discovered that Kennard had told the truth, and informed Mrs. Kennard that he could not save her husband. He tried, however, to relieve the man, but Kennard lingered until half-past ten and expired. The police were not informed until an early hour Monday morning. Coroner P. V. Benson, after examining into the details, gave a certificate of suicide and declined holding an inquest. The remains were brought to Kent for interment on Wednesday.

DIED.

In Chestertown, on Friday, August 23, 1889, GEO. A. CROSS, formerly of Denver, Col., aged 38 years.

In Baltimore, on the morning of August 29, after a few hours' illness, MOLLIE R., wife of George P. Leatherbury, and daughter of William Stevens, of Swan creek, aged 23 years.

The death of this most estimable lady is a shock to her numerous friends in Kent. The bereaved husband and parents, so suddenly and so sorely afflicted, have the sincere sympathy of this community.

The Coming Event.

Baltimore is humping herself to make her September "Show" the biggest success yet. She is about as proud as a girl at Commencement and about as pretty. The merchants are doing great things to excel one another in the beauty of exhibits and the boom to the enterprise; but none that we know or hear of comes near to what Oehm's Acme Hall is doing. This favorite Clothing Headquarters of the people of this section is at 5 and 7 W. Baltimore Street, and they authorize us to invite the people of this county and section to the comforts and conveniences of their immense establishment during the holiday in September.

INVITE YOU TO READ THE FOLLOWING:

Expenses! Expenses! Expenses!

ARE what every practical farmer, mechanic, merchant and manufacturer should watch carefully, saving here and saving there by economy and system for the times are hard, and every dollar is needed. It should therefore be a study, especially to the farmer and manufacturer; each should try to lessen the cost of producing their articles for sale, so that at the end of the year they will come out even if not ahead. This is the way we look at it. Don't you? And therefore we have made this year a very decided change. We have parted with our mill in Chestertown. Why? Because it would not pay to run it. The extra hauling of goods, the trouble of labor, the taxes, insurance, lease, extra hauling, reshipments from an inconvenient place, interest on goods carried over, and waste in handling, besides the expense of a superintendent so many idle months in the year. All this is expense and a very unnecessary expense. How do we work it now? In this way. We have our goods made under our own supervision. On account of the Baltimore works large capacity (eleven hundred tons per day) it does not take long to manufacture what we require. The analysis of every article we know and we *guarantee* the analysis to you. We have the advantage of direct shipment, better labor, improved machinery, cheap freights, no lease, no interest on goods carried over, no superintendent's expenses, and less cost per ton for the manufacture. The greater the work the less the cost. We therefore can and will sell cheaper, dividing our advantages with you. Our goods are just the same as we have always sold you and will be kept at their high standard. We are determined to please you if low prices and a good, well-made fertilizer will do so. Our results this year, for the season, have been wonderful. *Read this over again*, think over it and call upon, or wait for us to call on you.

THE UNDERSIGNED, OFFICERS OF REGISTRATION for the respective election districts of Kent county, will sit for the correction of their lists from 8 o'clock A. M. to 6 o'clock P. M. on MONDAY TUESDAY and WEDNESDAY, the 9th, 10th and 11th days of September, 1889,

AT FOLLOWING NAMED PLACES:

For the First Election District:
At GALENA.

For the Second Election District:
At KENNEDYVILLE.

For the Third Election District:
BUTLERTOWN, near Worton Station.

For the Fourth Election District:
On Monday 9th, at POMONA; on Tuesday, and Wednesday, 10th and 11th, at the Court-House, in Chestertown.

For the Fifth Election District:
At EDESVILLE.

Section 3. *And be it further enacted,* That said several officers of registration for the respective election districts in the counties of this State, instead of sitting five days in September and two days in October in each year as prescribed by the said Act of Eighteen hundred and eighty-two, chapter twenty-two, section ten, shall sit for the purpose of performing the duties imposed upon them by said Act, and by this Act, daily, for two successive days in the month of May, for three successive days in September and for five successive days in October, in every year in which an election shall be held in said counties; said sittings in May and September to commence on the second Monday of said months respectively, and the October sitting to commence on the first Monday in October. Said sittings shall in like manner be called the May, September and October sittings. The said respective officers of registration shall sit at the said several sittings in the several counties with open doors from 8 o'clock A. M., until 6 o'clock P. M., on each day of their sessions and their proceedings shall be public and open to free inspection, without any obstruction whatever. The places of their sitting shall be selected as prescribed in said Act of eighteen hundred and eighty-two, chap. twenty-two.

Sec. 7. *And be it further enacted,* That said officers of registration, when sitting at their respective May, June, July and September sittings, and the first sitting in October, shall register as provided in the said Act of eighteen hundred and eighty-two, chapter twenty-two, all qualified voters who shall present themselves for registration; and in addition to said work of registration they shall carefully revise and scrutinize the said registries of voters so received by them from said Clerks of the several Circuit Courts and of the Superior Court of Baltimore city, to the end that all errors therein may be corrected; and the names of all voters entered therein who shall have died or become for any reason disqualified, or who for any cause shall have ceased to be entitled to remain on said registration books, shall be stricken off. In order that the work of striking off from the registries the names of all dead and disqualified persons, and of all persons erroneously or improperly placed thereon, may be thoroughly and accurately accomplished, it shall be the duty of said several officers of registration at their May sitting to go carefully over the whole list of names upon said registeries in their respective precinct and election districts, and to note for striking off the names of all persons who from their own information, or from information furnished to them from others, they have good reason to believe to be proper to be stricken off. Having made out this list, which shall be at all times open to public inspection, it shall be their duty to address written notices to all the persons whose names are set down thereon, except those known to be dead, calling on said person to appear before them on or before the first day of July sitting in the city of Baltimore, and the first day of the September sitting in the counties, to show cause why their names should not be stricken from said registries, which notices shall be served in Baltimore city by the police of Baltimore city, and in the counties by the sheriff of the several counties, upon all such persons who can be found by them, and said notices shall also be sent by mail to said persons, addressed to them at the place from which they were registered. Should no cause, or, in the judgment of said officers of registration, an insufficient cause to the contrary be shown by the first day of their July or September sitting, as the case may be, it shall be the duty of said officers of registration during said sitting to strike off the names of all persons on said list; but if said officers of registration shall be satisfied by competent sworn testimony produced before them, or from their own knowledge or information, that any of said persons, notwithstanding their failure to appear in answer to said notices, are in reality entitled to have their names retained on said registration books, then the names of said persons shall be so retained; moreover, whenever any suggestion shall be made to them in writing, signed by any person, that said registration books contain any specified name or names which should be stricken off, it shall be their duty to diligently inquire into and investigate every such suggestion, and to strike off every name which, upon such investigation, they shall ascertain to have been improperly registered in the first instance, or to be no longer entitled to remain upon the registration books, for any lawful cause, within three days after the sittings in May, June, July and September and the first sitting in October, in the city of Baltimore, and after the May, September and October sittings in the counties, said registration officers shall publish, as provided in said act of eighteen hundred and eighty-two, chapter twenty-two, the two alphabetical lists required to be published by section twenty-one of said act; and shall also put up and retain during their subsequent sessions, in a conspicuous place in the room occupied by them as registration office, two of said printed alphabetical lists; and said officers of registration, within three days after the close respectively of their sittings in May, June, July and September, shall send by mail and through the police of Baltimore city and the Sheriff in the several counties, notice to all persons whose names have been stricken off at said respective sittings, notifying them that their names have been stricken off, so as to give them an opportunity to appear at some future sitting, not later than the first of the October sittings, and establish their right to be registered. At the end of the first october sitting it shall in like manner, be the duty of said officers of registration to send notices in the same modes to all persons whose names have been stricken off at said October sitting, notifying them that their names have been stricken off, and informing them that said officers of registration will sit on the third day after the date of such notice for the hearing and determining of all applications for reinstatement, at which final sitting said officers of registration shall sit for said purpose only. In all cases when a name is stricken off the reason shall be recorded opposite such name, and when a name is stricken off upon the oath of any person, the name of such person shall be recorded opposite the name stricken off. At the end of each day's registry, or revision of registration, one of said registers in the city, or the register in the county, shall sign his name or initials immediately under the last name registered under each letter, so that no new name can be added without discovery. And shall any of said officers of registration of several counties of this State be unable to and register the qualified voters of their respective election districts on the next to the final day of the October sitting, by reason of sickness or other unavoidable cause, all persons qualified to be registered who shall appear in person at the place of registration on said day, and who shall fail to be registered by reason of such disability of the officer of registration, shall have the same right to appeal as if they had been refused registration by the officer of registration.
