MOODY & LUSBY

Chestertown, Maryland

THE Emma A. Ford and B. S. Ford began round trips Wednesday. Schedule will be published next week.

WHEAT was quoted at $1 yesterday; July 84c.

Lambs Killed.—Dogs invaded Mr. Harry Taylor's sheep-fold Friday night and killed 6 lambs, 5 ewes and crippled 8 or 10. On Saturday night A. S. Crawford lost 2 lambs and a ewe.

Broke Her Arm—Mrs. Annie M. Stokes, of Maple Lodge, near Betterton, broke her arm one day this week. Dr. Maxwell set the broken bone. She was in her yard and in stepping backward fell over a wire and caused the accident.

Freighting Company Incorporated.—The Intershore Freighting Company, of Baltimore, Md., was incorporated at Dover, Del., on Monday. The incorporators are William A. Wheatley, P. Bennett Ford, R. Bennett Darnell and Herbert Stimpson, all of Baltimore, and Harry W. Davis, of Wilmington, Del. The capital stock is $75,000. This is believed to be the company contemplating a freight line out of Chester river.

Ten Cent Store.—The store room heretofore occupied by Mr. Charles S. Smith, in Chestertown, has been rented to the Dixie Fair Co., who will take charge about Aug. 1st. This company have 42 stores in different cities of the East and will make Chestertown one of the chain. It will be known as the ten cent store.

Public School—The commencement exercises of the Chestertown High School will be held in the Assembly room of the school on Wednesday evening, June 21, at 8 o'clock. The graduates this year are: Wm. Raymond Moody, Fred McWhorter Hirons, Grace Eleonora Brooks, and Cora Adele Moffett. Rev. Albert Chandler, D. D., of Smyrna, Del., will address the graduates and present the diplomas.

Property Sales.—J. Waters Russell, agent, has sold to Mr. C. C. Ball the Jones Hotel property in Kennedyville, for $2,500. This hotel was owned by 'Squire Dewees and will be used as a store and dwelling by Mr. Ball.

Sheriff L. J. Keyser has purchased of Mr. George Venable, near Worton, his property, consisting of a comfortable dwelling and six acres of land. Sheriff Keyser will remove his family to his new home at the expiration of his term in December next. The price was $1800.

Lewin W. Wickes, Esq., attorney for Mr. D. James Hall, of Millington, has sold his fine farm of 212 acres, near that town, to Mr. Hiram G. Powell, for $6,600.

Mr. W. W. Chapman has sold to Prof. Thomas D. Bowers the residence on Washington avenue now occupied by Mrs. John Brice and adjoining the residence of Mr. Chapman; possession given July 1st. Price private.

BASEBALL NOTES.

Worton defeated Kennedyville Tuesday by a score of 9 to 8. Smith, the Kennedyville catcher had his nose broken in the practice before the game.

One of the largest crowds of the season witnessed the baseball game last Tuesday between the strong teams of Galena and Crumpton. Galena was too strong for the Crumpton boys winning by a score of 13 to 2. The Galena battery was Cannon and Hicks, with Woodall and Creswell battery for Crumpton. The Galena players were Scotten, Newnam, Cannan, Hicks, Holding, Steel, Woodall, Hyland, Mulford. The Crumpton players were Sparks, Walls, Woodall, Creswell, Logan, Harrison, Lindsey, Walden, Ewing.

Townsend, the former well-known Washington College pitcher is doing good work with Washington. He pitched a 10 inning game against Philadelphia the other day and won it.

Zearfoss the former Washington College unsurpassable catcher, is making a good record with St. Louis, and when seen in Philadelphia last week said he was still interested in the Washington College team.

The colored teams of Centreville and Chestertown had a big game of baseball here on Wednesday and Centreville met defeat.

The Sunday schools have begun to consider the picnic question. It seems that the Chestertown schools are shut out of Queenstown and the steamboat company want to charge 25 cents per passenger to take them to Love Point. Christ church school will probably hold their picnic July 19th.

At Lynch's M. P. Church next Sunday evening beginning at 8 o'clock, there will be a Union Christian Endeavor Service of the Lynchs' and St. James Societies. An interesting programme, with Mr. Walter R. Gale as leader has been prepared. The public is cordially invited.

COLORED RESCUE LEAGUE.

Camp Meeting Believed to be a Menace to Good Order—A Representative Gathering.

The Kent County Improvement and Rescue League for colored people met at Janes M. E. Church June 5th, all parts of the county was represented and all looked to the upbuilding of our people. The resolutions passed in 1904 by the league concerning camp meetings were of benefit, as there were only two held in the county by the A. M. E. Church at Butlertown and Edesville, and we are using all of our influence to fully stamp out the evil this year and the League asks the support of the press and public along this line. The following was passed by the League.

WHEREAS, the general sentiment of this League is against the visiting or holding camp-meetings,

Resolved, that any official or minister of this League who encourage camp-meetings by their voice or presence, will be considered unsafe as a leader for our people at this critical period.

WHEREAS, as the proposed amendment of the constitution of Maryland will deprive our best colored citizens of the right to vote.

Resolved, that it is the purpose of this League to do everything possible to defeat this unfair law and that our people be instructed to be quiet and law abiding and create a sentiment in our favor and be it

Resolved it is the sense of this League that union among our people irrespective of church, organization or creed is to the best interest of the colored people of our county.

F. NICHOLS,
REV. J. W. BOND,
REV. J. R. BRINKLEY,
Committee on Resolutions.
REV. J. R. HOLLAND,
President.
DANIEL MILLER,
Secretary.

"JACK" DROPS DEAD.

Jack, the pacer, fell dead on High street, Chestertown, Tuesday morning, while being slowly driven to his owner's delivery carriage. He fell in the middle of the street opposite the High School. Mr. D. B. McMenamin, a well-known writer, contributes the following interesting note on the racer:

"Not to know Jack is not to know Mr. Wm. C. A. Thompson, his big-hearted owner for the twenty-one years past; and not to know "Mr. Billy" is to miss the pleasure there is in knowing a good citizen, of plain, sincere ways.

Mr. "Jack" Whaland bred Jack and kept him till his fourth year when he passed to Mr. Thompson's ownership. He did various and varied duties till, as Mr. J. Hydie's saddle horse, he showed signs of speed at the pacing gait, whereupon "Mr. Billy" had him given a limited development which resulted in a "mark" of 2:33¼ in a winning race. Subsequently he showed a mile in 2:32, and halves in 1:12. All this in the time of the old high-wheeled sulkies and indifferent half-mile tracks. In his career he met and defeated Saladin, who afterward took a record of 2:05¼ over the kite shaped track near Kirkwood, Del.

But it was on the snow that his real successes were. The best of the adjoining counties have been pitted against him, with results always the same. There are those who know horses who say that from the Voshell House crossing to Stam's corner he could show two-minutes speed in his mighty rushes past his opponents.

Jack's sire was Sherman, by Algiers, and his dam was Lady Finley, said to be of Messenger extraction, and a noted mare in her day and time. It is said that the late Dr. Whaland paid for her what was then considered a very large price for a horse, and that she was capable of a mile in 2:35.

Some time, some time, there may be here printed how Jack brought two human hearts to beat as one. Some time may be here told the story of Jack's five hours' trip from Tolchester. But not now! Not now!"
