Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are *starved* nerves. Dr. Pierce's Golden Medical Discovery *makes pure, rich blood*, and thereby the nerves are properly nourished and all the organs of the body are run as smoothly as machinery which runs in oil. In this way you feel clean, strong and strenuous—you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are *lasting*.

The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper *The Badge of Honesty*, in a full list of all its several ingredients. For the druggist to offer you something he claims is "just as good" is to insult your intelligence.

Every ingredient entering into the world-famed "Golden Medical Discovery" has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, ulceration of stomach and bowels and kindred ailments, but the Golden Seal root used in its compounding is greatly enhanced in its curative action by other ingredients such as Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure triple-refined glycerine.

"The Common Sense Medical Adviser," is sent free in paper covers on receipt of 21 one-cent stamps to pay the cost of mailing *only*. For 31 stamps the cloth-bound volume will be sent. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation, biliousness and headache.

Christmas at Yum

ON the Island of Yum, where the weather is fair
And the children are always at play,
They never have neat little stockings to wear,
So they run about barefoot all day.
And when it is Christmas and Santa Claus comes
He almost goes out of his mind
As he searches in vain for some stockings to fill
When there aren't any stockings to find.

ON the Island of Yum, by the tropical sea,
Where people live right out of doors,
They sleep in the shade of the cocoanut tree
And cook on the sand covered shores.
But when it is Christmas and Santa appears
He's sorry he made them a call,
For how can he slide down the chimneys, my dears,
When there aren't any chimneys at all?

POPCORN AND CANDLES HUNG TO A PALM.

ON the Island of Yum there are thousands of trees,
The mango and banyan and date,
So the children of Yum eat the fruit that they please
And enjoy it, it's needless to state.
But when poor old Santa comes every year
He struggles in vain to keep calm,
For popcorn and candles look awfully queer
When hung to a cocoanut palm.

IF I on the Island of Yum were to live,
The children I'd merrily teach;
I'd build 'em all chimneys, and then I would give
A nice pair of stockings to each.
And I'd send out a shipload of Christmas trees, too,
Addressed to the children by name,
And then you would see what a time there would be
When Christmas and Santa Claus came.

—Wallace Irwin in New York Globe.

The Christmastide Lesson.

The Christmastide celebrates the birth festival of our Lord. The incarnation of Christ is the central thought in the history of the world. His birth has exalted the poetry, the music and the art of the centuries. It has changed all social customs and religious rituals. It has given a new glory to human life and a new trend to eternity. This is the time when all bitterness should be forgotten, all family feuds reconciled and all life glorified. God grant that the day may speedily come when the song of the angels celebrating the birth of the Christ may find its fulfillment throughout the whole world.

"Glory to God in the highest and on earth peace, good will toward men."—Dr. Robert Stuart Macarthur, Pastor Calvary Baptist Church, New York City.

Caught Santa on the Street.

A Santa Claus from the Salvation Army was ringing his bell beside his iron pot in Fourteenth street, says the New York Mail and Express, when suddenly a little girl broke away from her mother in the passing throng and, rushing up to the pseudo Santa, grabbed him by his gown and began rapidly to tell her wants. First she gave him her full name and address, with many injunctions not to forget. Then she rattled off a list of things she wanted, regardless of the attempts of her mother to induce her to come away and not bother Santa. The little girl was persistent, the crowd gathered around to hear her little invocation, and for awhile she blocked traffic on that side of the street.

A Santa Claus Party.

As the once popular "donkey party" no longer holds forth for novelty, here is something new—a Santa Claus party. Take an old sheet and paint or draw on it a Santa Claus. Have a number of red caps cut from medium weight water color paper and distributed among the guests. Taking turns, let each one be blindfolded and, walking toward the sheet, try to place the cap on Santa's head. The person succeeding is the winner and receives the prize of a toy Santa Claus. The two who also come the nearest might be given prizes of reindeers.—Bee Hive.

Christmas In the South.

In the south Christmas is celebrated as we observe Fourth of July. The presents may be of the most inexpensive character, but there will be a bountiful supply of firecrackers, torpedoes and roman candles, not forgetting the tin horn, which begins to toot on Christmas eve and continues till midnight of Dec. 25. The cry of "Christmas gift!" resounds, and never once does one hear "Merry Christmas."—Chicago Record-Herald.

The best grade of leather known in the making of Womens fine Shoes.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton, N. Y. on every bottle.

Will take Corn, Potatoes and Poultry in trade for Holiday Goods. Yours for business

OWEN B. CROW.

ABOUT 20,000

Peach Trees

TO DISPOSE OF.

The buds were selected from the best strain of each variety which were sent out from Nicholson's nurseries 25 to 30 years ago and many of these orchards were more healthier and vigorous the past season than quite a few orchards five and six years old.

The trees have been inspected by authorities from the State Entomologist, Professor Symons, and found entirely free from any root disease, San Jose scale or other insects. Orders will be carefully attended to.
